**Yucatan - Cancun, Isla Mujeres, Isla Holbox** Vivien Loughed,2011-01-04 This book is based on one special section of our much larger Adventure Guide to the Yucatan. Adventure Guides show you how to

experience the places you visit more directly, freshly, intensely than you would otherwise æ sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. Latest edition of a highly-recommended guidebook to this fascinating corner of Mexico, a region which the authors describe as a big hitch-hiking thumb. Their interest and hard work has paid off in both editions. The book is loaded with hotel and transportation info, great maps and interesting art work. Eco travelers will love this guidebook. The author provides full details on kayaking, hiking, rappelling, and camping in the region. She also features more out-of-the-way attractions such as natural cenotes, ancient ruins and colonial towns. Of special note -- this is the first guidebook to feature a section on colonial era hacienda hotels, including both luxurious hotels and working haciendas where readers can experience authentic Yucatecan living in fine accommodations that are also economically priced. Indigenous artists in Maya villages are also profiled. As if all this weren't enough, the second edition includes a Top 20 feature of things to do and see in the Yucatan. By far, this is the most comprehensive guidebook to the region. -- Planeta.com Journal. Comparing your book to Lonely Planet's - your book won hands down on every level. It was AWESOME! -- Erika Holm. Profiles 49 Maya destinations, excellent trip planning hints, detailed maps and advice from health precautions to getting around. -- Anton Newspapers. Your Yucatan guide is great.....Keep up the good work. -- Bill Bell. I am the author of the thriller/adventure A Tourist in the Yucatan and I recently reviewed Adventures Guide to the Yucatan. In my opinion, this is a must have book for the adventure minded traveler! The authors has done an excellent job in putting together the ultimate adventure guide book to the Yucatan. For many travelers, a trip to the Yucatan means mostly sitting on the beach soaking in the sun. The typical tourist only sees a small fraction of what this fascinating section of Mexico has to offer. Inland are ancient Mayan ruins hidden in the jungle and colonial cities that date back to the 1500's. Available activities are diverse from scuba diving on tropical reefs or into cenotes or caves to kayaking, camping, or just getting off the beaten track and meeting the REAL PEOPLE. This book does a great job of outlining all the possibilities available in a straight forward and easy to read style. The introduction section should be very helpful to the first time traveler and there are lots of maps to help you find your way. -- James Brunfeld. This book offers tons of recommendations for everything from tour operators to restaurants to hotels in every price budget. All are based on first-hand experience from authors who know the Yucatan intimately. Comprehensive background information - history, culture, geography and climate - gives you a solid knowledge of each destination and its people. Regional chapters take you on an introductory tour, with stops at museums, historic sites and local attractions. Places to stay and eat; transportation to, from and around your destination; practical concerns; tourism contacts - it's all here! Detailed regional and town maps feature walking and driving tours. Then come the adventures - fishing, canoeing, hiking, rafting, llama trips and more.

**Widow's Walk** Susan Slater,2022-04-07 Dan and Elaine Mahoney are finally settled in St. Augustine, Florida, and Elaine has her brand new private investigator's license, plus a job offer with a prestigious law firm. So, it's with some excitement that she talks to her first client, a young man whose mother recently died. Rick Elliston is convinced that her fall from the fourth floor widow's walk of their luxurious home was not suicide, as the police seem to think. He's convinced that his step-father pushed her. There was a big insurance policy. Elaine's challenge is to find the evidence, and the only problem is that there is none. Dan, meanwhile, has been sent out to look over a sailing schooner that his company, United Life & Casualty has insured, and it turns out the owner of the business that offers sunset tourist cruises, is none other than Hank Beaufort, step-father of Elaine's client. And Dan really likes the guy—he just doesn't seem like a man who would kill his wife. At first. As both of them dig into their cases, a whole new set of facts come out. There was marital straying, the luxury mansion was mortgaged to the hilt, and Hank needs money for his newest business scheme. It's a tangled web indeed, complicated by the inescapable fact that a hurricane is bearing down on the Florida coast. Can Dan and Elaine figure it out before the storm makes their jobs that much harder? Praise for Susan Slater's Dan Mahoney series: "Dan Mahoney is an appealingly resilient character, a welcome addition to the roster of sleuths that make the Southwest a hotbed of current mystery fiction." —Publishers Weekly "Flash Flood is just what it sounds like—a fresh, surprising, adrenaline-rush whitewater ride. It's also funny. Susan Slater can flat-out write." —Don Winslow, New York Times bestselling author of The Cartel "There'll be much, much more, with whispers of everything before Slater closes out this lively, surprising case, first of a series." – Kirkus Reviews
