Trials to Triumph Kristine Diana Schroeder,2015-12-18 Kristine was born with multiple congenital birth defects and lived without a diagnosis of her rare disease for over three decades. When a diagnosis finally came, she learned she had already lived over a decade longer than expected with her disease. Forty-two surgeries later and misdiagnosis after misdiagnosis, she could have allowed the unknown to haunt her but instead God’s miracles invaded her life. Magnificent grace and love transformed her faith into a mighty story that reveals new miracles each day. Her life scripture is Romans 5:1–5. She firmly believes that God’s grace will work through the trials of this life and turn our hearts to gratitude. Kristine easily relates her story of love and faith to all ages. Sharing deep from her heart and her own experiences, she raises the awareness of God’s continued presence in everyday life. With a joyful heart she presents a hope-filled message.

Now Hayes, a boy she barely knows, is hanging around and giving her stuff, and Perry panics. She doesn’t want a boy to be crushing on her—especially Hayes. One Perfect Love Maryann Miller,2022-02-06 Mature love can sometimes be the best love. When she worked with Detective Steve Morrity two years ago as a member of a drug task force, Jenny Jasik couldn’t deny the pull of a very strong attraction that went both ways. Then the case ended, but they both realized it was still too soon to act on the chemistry. Emotional wounds were still too fresh and raw, so they had followed their heads, not their hearts. Now, they’ve tossed logic out the window, and they’re ready to give love a chance. But when Jenny’s flower shop is burglarized and Steve’s boss reminds him that it is against policy for an officer to date a victim of a crime, is it a sign it’s not meant to be - or can they find happiness together?

JESUS SHOES Dominick Domingo,2019-09-19 Dripping with nostalgia, Jesus Shoes chronicles author Dominick Domingo's childhood in LA's San Fernando valley. Despite being next door to Tinseltown, Burbank was decidedly unromantic. This collection of memoirs takes the reader from the discovery of the author's sexual orientation in the late '70s through his time at Disney Feature, his live-action filmmaking stint and subsequent writing career, to the half-century mark. Its colorful characters make for a lot of laughs, and life itself provides the poignancy. The story is one of self-creation in defiance of society's negative messaging, and coming full circle to return to one's roots.

Hoosiers in the Heartland Marty Pieratt,2013-10-18 This is a collection of stories I wrote when my family was young and the world was more naive. This is a record of life in and around the Heartland before 9/11. These are some stories I told that people seemed to remember. My heroes have always been storytellers, like the late Charles Kuralt of CBS's *On The Road* and *Sunday Morning*. He was inspired by the great Hoosier war correspondent Ernie Pyle. Today, there's the great American raconteur Bob Dotson. Not long ago when the NBC *Today Show* reporter spoke to a group of our students at Indiana University, he reminded us of the wonderful stories that have made our country great. He said to remember, “The reason you got here is because of all those who came before.” We are not cut from one cloth, he said. He's not talking about retelling the day-to-day murder, mayhem and politics journalists must cover, but looking under rocks and beside creeks to find stories about folks who work hard, play hard and pray hard. These are people who fly under the celebrity radar, but who are the sturdy foundation of our country. A lot of folks like that can be found in Indiana. I'll never be able to take you on the remarkable journeys that Bob does with his words, but I can share what it is about Indiana people, places and things that I've come to hold dear in my world. Much of it revolves around my family, which is probably a lot like yours. What I wrote was the mood and passion of my heart at that time, in that place. It is true that precious people and things reveal themselves in passing from us. I'd like to share some of my precious memories from the past. Maybe it will stir your memories and help encourage us all to appreciate the here and now.

From the Dress-Up Corner to the Senior Prom Jennifer Bryan,2012-03-22 Very few PreK-12 teachers are adequately trained to address the gender identity and sexual identity of their students in a developmentally-appropriate and pedagogically-sound manner. Yet responsible adults—parents, educators, pre-service teachers, coaches, religious instructors, camp administrators and school counselors— must help children navigate the inherently diverse, increasingly complex world of gender and sexuality in the twenty-first century. *From the Dress-Up Corner to the Senior Prom* is a practical, forward thinking resource for anyone involved in educating children and adolescents. Jennifer Bryan takes readers into classrooms, administrative meetings, recess, parent conferences, and the annual pep rally to witness the daily manifestations of Gender and Sexuality Diversity at school. She provides a coherent framework for understanding what readers see, and invites them to use a contemporary, heart/mind perspective as they consider the true developmental needs of all elementary, middle, and high school students. The book features thoughtful questions, models of dialogue, accessible lesson plans, and many pedagogical strategies. At the heart of this book, though, are the evocative stories from teachers, students, and parents that Bryan has listened to over the span of her career. These personal anecdotes bring the comprehensive explorations of this seminal work to life.

Riff Eater: The Sonic Recipe of My Life Anthony Scott Ashworth,2018-05-11 From realizing I wouldn't have survived the heat in the kitchen without music to determining that Coverdale era Deep Purple is pretty damn good, this is a collection of essays tying together my 35 year existence. These are the stories of my brightest moments and darkest times, the friends and family along the way and everything in between. Full of humor, banality, drinking, death, depression and lots of metal and rock music, these musings are meant to heighten senses when it comes to good food, good music, live loud shows, friendships and the ins and outs of being in bands while working in kitchens. This book covers the similarities of being a musician and a chef while unabashedly diving into the effects that both had on my life. This is the sonic recipe of my life. How food and music shaped me from the time I was a child until now.
