Cantons De Moselle

Frank Fairman

Cantons de Freyming-Merlebach et Saint-Avold, Moselle France. Inventaire général des monuments et des richesses artistiques de la France. Commission régionale Lorraine,1983

Liberty and Locality in Revolutionary France Peter Jones,2003-03-06 This book examines the interface between the old and the new France in the period 1760–1820. It adopts an unusual 'comparative micro-historical' approach in order to illuminate the manner in which country dwellers cut themselves loose from the congeries of local societies that made up the Ancien Régime, and attached themselves to the wider polity of the Revolutionary and Napoleonic state. The apprehensions and ambitions of six groups of villagers located in different parts of the kingdom are explored in close-up across the span of a single adult lifetime. Contrasting experiences form a large part of the analysis, but the story is ultimately one of fusion around a set of values that no individual villager could possibly have anticipated, whether in 1750 or 1789. The book is at once an institutional, a social and a political history of life in the village in an epoch of momentous change.

The Maclure Collection of French Revolutionary Materials James D. Hardy, Jr.,John H. Jensen,Martin Wolfe,2018-01-15 Complete catalogue and index of one of the largest collections of its kind of French Revolutionary and Napoleonic newspapers pamphlets and official publications covering the years 1789-1815. Over 20,000 listings are preceded by an introduction giving a history of the collection, a survey of other notable French Revolution collections, and a biographical essay on William S. Maclure. William S. Maclure (1763-1840) was a wealthy Philadelphia merchant, a radical social reformer, and our first scientific geologist. His huge collection of French Revolutionary publications is one of the greatest libraries of its kind to be formed during the period of the Revolution. Maclure bestowed the collection on the Philadelphia Academy of the Natural Sciences in 1821, and the Academy in turn gave the collection to the Historical Society of Philadelphia, In 1949 it was acquired by the University of Pennsylvania.
