Mike Howard, Anne Howard

Cappadocia Susanne Oberheu,Michael Wadenpohl,2010-04 The two authors have been travelling around Cappadocia since 1986 and by now have found another home in the pottery town of Avanos. They are fascinated by the archaic landscape: semi-desert, semi-oasis, almost paradise-looking green valleys surrounded by fairy-like rock formations. For milleniums, people have lived here in comfortable cave dwellings. The early Christians took refuge in the secluded beauty of Cappadocia, decorating their cave churches with valuable frescoes and making church history. For centuries, Christians and Muslims lived side by side by the foot of the almost 4000 m high Erciyes volcano in one of the most fantastic erosion landscapes on earth. Cappadocia - a region where you can still feel like an explorer - provided you are curious enough. Wherever you go, you can feel history here. This guide provides a wealth of information, and many a little story will put you in the right mood for the enchanting cultural landscape. You will also find all the important travel tips for Turkey and Cappadocia, walks with detailed descriptions, a short dictionary of all the necessary vocabulary and more than 100 photos and 30 local area maps.

Travel as a Political Act Rick Steves,2018-02-06 Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about our own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of Travel as a Political Act is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of Travel as a Political Act are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.
