Modern Essential Dictionary ,1999

Tamara's Teardrops 1-4 P.D. Workman, Follow Tamara French as she struggles to overcome the challenges of her past and reintegrate into the normal world. This set includes: 1. Tattooed Teardrops Winner of Top Fiction Award, In the Margins Committee, 2016. Tamara had thought that when she got out of juvie, things would be easier. But before long, it seems like her life is spiraling into chaos. 2. Two Teardrops Returning to juvie after breaching her parole, Tamara finds that everything is the same as when she left, and yet everything is different. She fights to reestablish her rep while increasingly troubled by emerging memories. 3. Tortured Teardrops Tamara French is back in juvenile detention, and things are not going well. Have her experiences on the outside affected her so much? The staff can't figure out what is wrong, and Tamara herself can't explain what is going on with her. 4. Vanishing Teardrops It was her second chance at parole, and Tamara knew this time that it wasn't going to be easy. That ended up being the understatement of the century. In a new environment, trying to be a parent for the first time after years of not being allowed to make any decisions for herself, she didn't know how she was going to make it.

Escape Velocity Crazy Horse,2016-03-08 In the movie version, I start to merge with the car. The shifter grows into my hand, which quickly becomes metal. Wiry tentacles grow out of the back of the seat and attach themselves to my brain stem. My eyes discover a Terminator-like Heads-Up Display, and my foot grows into the accelerator pedal. My heart beats in synch with the tach and all the gauges register across my face. I'm becoming one with the machine. There's no telling where the Firebird ends, and I begin. I am the car. The car is me. I am the road. The journey is the destination. There's nowhere to go and yet, no turning back. There is only the drive, the car and the driver, and all are one.

You Are The One Kute Blackson,2017-09-05 A unique blend of poetic lessons, wisdoms, practical methodology and teachings, plus real life stories to help create revolutionary change and spiritual awareness in readers, specifically targeting 20-, 30- and 40- somethings--

Student's Oxford Canadian Dictionary Katherine Barber,2004 Based on the award-winning, best-selling Canadian Oxford Dictionary, the Student's Oxford Canadian Dictionary has been edited to meet the needs of students. With 185,000 words, phrases, and definitions, it features over 1,500 uniquely Canadian words and senses. Each of these entries is exceptionally reliable, utilizing the research conducted to compile The Canadian Oxford Dictionary, for which five professionally trained lexicographers spent five years examining databases containing over 20 million words of Canadian text from more than 8,000 Canadian sources of astonishing diversity. Over 800 usage boxes offer straightforward explanations on common problems like spelling, grammar, pronunciation, punctuation, confusable words, and other difficulties a student might encounter. Pronunciations have been written in a simplified easy-to-use sound-out system, and over 26,000 illustrative examples provide extra guidance by offering additional context. Definitions have been rewritten for ease of comprehension, and vocabulary that relates directly to the curriculum has been provided. Using The Canadian Oxford Dictionary's continually updated databases, the Student's Oxford Canadian Dictionary is completely up to date and includes new words such as cybersquatter and Canadian Alliance Party. Providing all the authority of The Canadian Oxford Dictionary in a user-friendly student's edition, the Student's Oxford Canadian Dictionary sets a new standard of excellence for Canadian student resources.

Developing Listening Skills Debra J. Housel,2001

The Canadian Oxford Dictionary Katherine Barber,1998 We all use Canadian English every day: when we order a pizza all-dressed, hope to get a seat-sale to go south during March break, or book off work to meet with a CGA to discuss RRSPs. Language embodies our nation's identity, and The Canadian Oxford Dictionary, in its 1,728 pages, covers all aspects of Canadian life. Never before have Canadians been able to see their language, and themselves, so accurately and comprehensively described in a dictionary. The loggers of the west coast, the wheat farmers of the Prairies, the fishermen of the Atlantic provinces, the trappers of the North; Canada's Aboriginal peoples, its British and French settlers, and the more recent arrivals, whether they came from Ukraine, Italy, South Asia or elsewhere - all have contributed to making Canadian English unique, and the dictionary thus reflects the great sweep of Canadian life. It contains over 2,000 distinctly Canadian words and meanings, more than any other Canadian dictionary, covering every region of the country. Whether you call your favorite doughnut a jambuster, a bismark, a Burlington bun, or the more prosaic jelly doughnut may depend on where you live in Canada, but they will all be found in The Canadian Oxford Dictionary. Of course, this is not just a dictionary of Canadian words: its 130,000 entries combine in one reference book information on English as it is used worldwide and as it is used particularly in Canada. Definitions, worded for ease of comprehension, are presented so the meaning most familiar to Canadians appears first and foremost. Each of these entries is exceptionally reliable, the result of thorough research into the language and Oxford's unparalleled language resources. Five professionally trained lexicographers spent five years examining databases containing over 20 million words of Canadian text from more than 8,000 Canadian sources of an astonishing diversity. Inuit Art Quarterly, The Fiddlehead, Canadian Business, and Equinox; the work of writers such as Jack Hodgins, Sandra Birdsell, David Adams Richards, and Pierre Berton; daily and weekly newspapers from across the country; and, of course, the Canadian Tire catalogue - all find a place in the evidence of The Canadian Oxford Dictionary. The lexicographers also examined an additional 20 million words of international English sources. For many Canadians one of the more puzzling aspects of writing is trying to determine whether to use the American spelling or the British spelling. Should it be colour or color, theater or theatre, programme or program? By examining our extensive Canadian databases, our lexicographers have been able to determine which, in fact, is the more common spelling: colour, theatre and program. Favoured Canadian pronunciations have also been determined by surveying a nationwide group of respondents. Oxford's thorough research has also ensured that new words that have recently appeared are well-represented. So if you're someone who puts on your bicycle shorts and blades over to the gym to do some crunches for your abs followed by work on your lats, pecs and delts, finishing up with a step class, because you're afraid that being a chocoholic who loves comfort food will affect your body mass index and you want to avoid yo-yo dieting, you'll find all these common words in The Canadian Oxford Dictionary. An added feature of this dictionary is its encyclopedic element. It includes short biographies of over 800 Canadians, ranging from Elvis Stojko, Celine Dion and Jean Beliveau to Nellie McClung, Lester B. Pearson, and Kim Campbell. It also contains entries on 5,000 individuals and mythical figures of international significance, and almost 6,000 place names, more than 1,200 of them Canadian. Indeed, all Canadian towns with a population of 5,000 or more are featured, and their entries not only explain the origin of the place name, but also include the population based on the 1996 census. With the publication of The Canadian Oxford Dictionary, Oxford University Press adds another work to its highly respected range of dictionaries, and Canadians finally have a dictionary that truly reflects their nations.

The American Heritage Dictionary of Idioms, Second Edition Christine Ammer,2013 Covering over ten thousand phrases, including bite the bullet, take the cake, and buy the farm, a reference on common American vocabulary and idiomatic expressions defines each entry and provides a contextual sentence.

The Oxford American Dictionary and Thesaurus ,2003 The Oxford American Dictionary and Thesaurus combines a full dictionary and a full thesaurus, offering users access to the power of words as never before. This is the most wide-ranging resource available: a first-of-its-kind reference book that's much more than a dictionary and thesaurus under one cover. Everything you'd find in a dictionary is here, along with everything

you'd find in a thesaurus, all thoroughly integrated for ease of use. Plus, each synonym is precisely matched to the correct meaning of the word you're looking up so that you'll find the right word every time. In addition to parts of speech, the Oxford American Dictionary and Thesaurus includes a wealth of valuable appendices. The handy Language Guide in the back of the dictionary helps build power and confidence in vocabulary, spelling, grammar, and style. --Book Jacket.

Canadian Oxford Dictionary Katherine Barber,2004 This is the Canadian Oxford Dictionary compiled from a database of over 16-million words of Canadian text from the last ten years. It has two database files which make it easier to find the correct spelling and definitions.

The Australian Oxford Dictionary Bruce Moore,2004 An authoritative guide to contemporary Australian English--Publisher
