*Mercedes-Benz 280-560SL & SLC* Chris Bass,2017-07-19 A warts and all introduction to owning, driving and maintaining a Mercedes-Benz 280-560SL or SLC, and a step-by-step guide to evaluating one for purchase. This book includes 100 photos of what to look for and what to avoid, plus a realistic assessment of running and restoration costs, as well as market values. This includes servicing and spare parts prices, and the relative values of the various models, specifications and vehicle conditions you are likely to encounter. Written by the editor of the Mercedes-Benz Club Gazette, it draws on the experiences of the late Roger Edwards, a former Mercedes-Benz apprentice who spent his life working on and enjoying these cars, along with input from Roger's colleagues who continue to run his company. It also benefits from the author's 30 years of owning and restoring old cars, and his contacts in the world of Mercedes-Benz enthusiasts. Written in an easy to follow, jargon-free style, this book will equip you with all you need to know to buy a Mercedes-Benz 280-560SL or SLC.

**Global Players and the Indian Car Industry** Jatinder Singh,2018-09-03 This book is one of the first critical analyses of the automobile industry in India. It studies the sector in general and the passenger car industry in particular, and provides valuable insights into the operation of Foreign Direct Investment (FDI) companies in a technology-intensive industry under changing economic regimes. The volume underlines the influence of the changing nature of foreign investment, the impact of economic reforms, technology regimes and industrial policy on growth, structural changes and development. It offers a detailed account of the trade performance of manufacturers in India's passenger car industry. It also looks at successful cases to draw policy lessons towards encouraging quality FDI and developing India as a base for world production. A useful addition to industry studies in India, this book with its wide coverage and contemporary analyses will interest scholars and researchers of economics, Indian economy and industrial policy, industrial economics, automobile industry and manufacturing sector, development economics and international economics. It will also appeal to policymakers, practitioners and industrial associations.
