Three Hours in Paris Cara Black, 2021-03-30 In June of 1940, when Paris fell to the Nazis, Hitler spent a total of three hours in the City of Light—abruptly leaving, never to return. To this day, no one knows why. Kate Rees, a young American markswoman, has been recruited by British intelligence to drop into Paris with a dangerous assignment: assassinate the Führer. Wrecked by grief after a Luftwaffe bombing killed her husband and infant daughter, she is armed with a rifle, a vendetta, and a fierce resolve. But other than rushed and rudimentary instruction, she has no formal spy training. Thrust into the red-hot center of the war, a country girl from rural Oregon finds herself holding the fate of the world in her hands. When Kate misses her mark and the plan unravels, Kate is on the run for her life—all the time wrestling with the suspicion that the whole operation was a set-up. New York Times bestselling author Cara Black is at her best as she brings Occupation-era France to vivid life in this masterful, pulse-pounding story about one young woman with the temerity—and drive—to take on Hitler himself. *Features an illustrated map of 1940s Paris as full color endpapers.

Here I Am Ron Griffin, 2022-08-01 When I was that little boy in my book, I heard in that little church my Father say here I am. I heard once again when I was about twenty-six, Here I am. The voice of my Father has never left my heart all these years. Now I wait for His return to once again say, Here I am. You have been a good and faithful servant. Amen.

Tortured Tales of a Collingwood Tragic James Gilchrist, 2024-03-01 Not what the Americans call soccer, nor what the Brits call football: Australian Rules footy holds a fascination for most Aussies that few outsiders can understand. But nothing compares to the Greek tragedy of being a Collingwood supporter - those unfortunate souls bound by love and duty to the Collingwood Magpies AFL Team. From the age of seven, James Gilchrist was consumed by one of the most dangerous and masochistic addictions known to humanity. More self-destructive than smoking, drinking or methamphetamines: Collingwood. Tortured Tales of Collingwood Tragic is the story of one boy's struggle to become a man despite the pain of drawn Grand-Finals, boundary-line incidents, the schoolyard taunts of Carlton-loving scumbags and even the awkwardness of coming to terms with his own fellow supporters. This updated third edition culminates in the gripping climax of the 2023 Grand Final. Could redemption - for James, and for his beloved Magpies - be possible?

Half of Paradise James Lee Burke, 2011-08-23 Meet Avery Broussard, the last in a line of once-substantial land owners whose weakness for alcohol lands him in prison; J.P. Winfield, a dirt-poor singer who makes it to the top of hillbilly music only to be destroyed by a drug addiction; and Toussaint Boudreaux, a black longshoreman who is set up for a crime he did not commit. What brings them together, and how they must struggle to escape the bondage that links them makes for a tale of atmosphere and suspense that is vintage Burke. Burke's debut novel was published when the

now-bestselling author was in his twenties, and yet contains all the rich storytelling elements readers have come to expect.

The B'Breaker Boys Bill Walker, 2010-09 The B'Breakers is a fictional story about child labor conditions, until 1920, when child labor laws restricted such practice. The fact based story is followed by a fictional story about two teen age boys falling into an abandoned coal mine shaft. They are not alone and have to fight desperation, cave-ins, rats, fire, water, and old dynamite to escape. The format is a movie script imbedded with drawn storyboard picture frames.

Bad Vice Jamie Lee Scott, 2017-03-30 Book 5 in the Bestselling humorous romantic mystery series by Jamie Lee Scott. Mimi can't help but be impressed with how her employees look, in fishnet stocking and pushup bras. And everything is going great until one of the decoys disappears from the sting operation. Now the Gotcha detectives must find the woman, and find out who would want her to disappear, possibly for good, before the police department vice squad realizes she's gone. This case will try the nerves of the Gotcha detectives, and bring Nick back into Mimi's life. Is it possible for them to work together, and just be friends? The Car Bryan Appleyard, 2022-09-06 A spirited, insightful exploration of our favorite machine and its cultural impact on society over the past one hundred and fifty years. More than any other technology, cars have transformed American popular culture. Cars have created vast wealth as well as novel dreams of freedom and mobility. They have transformed our sense of distance and made the world infinitely more available to our eyes and our imaginations. They have inspired cinema, music and literature; they have, by their need for roads, bridges, filling stations, huge factories and global supply chains, re-engineered the world. Almost everything we now need, want, imagine or aspire to assumes the existence of cars in all their limitless power and their complex systems of meanings. This book celebrates the immense drama and beauty of the car, of the genius embodied in the Ford Model T, of the glory of the brilliant-red Mercedes Benz S-Class made by workers for Nelson Mandela on his release from prison, of Kanye West's 'chopped' Maybach, of the salvation of the Volkswagen Beetle by Major Ivan Hirst, of Elvis Presley's 100 Cadillacs, of the Rolls-Royce Silver Ghost and the BMC Mini and even of that harbinger of the end—the Tesla Model S and its creator Elon Musk. As the age of the car as we know it comes to an end, Bryan Appleyard's brilliantly insightful book tells the story of the rise and fall of the incredible machine that made the modern world what it is today.

Operation Car Wash Jorge Pontes, Marcio Anselmo, 2022-04-21 A Financial Times Book to Read in 2022 Operation Car Wash is the inside story of two Brazilian Federal Police officers who found themselves at the centre of the biggest corruption scandal in history; uncovering a web of political and corporate racketeering which would lead them all the way to the arrest and imprisonment of the nation's President. Through engrossing first-hand

testimony, Pontes and Anselmo recount the uphill battle faced by the Federal Police in apprehending Brazil's white-collar criminals, in a country where the war on drugs has become a convenient distraction for the politicians and businessmen extracting billions of dollars from the public purse. A historical record that reads like a political police thriller, Operation Car Wash is also a warning to the world: demonstrating how easily institutionalized crime can take root in a nation, and how difficult it can be to eradicate.
