The Impact of Infrastructure Investment on Poverty Reduction and Human Development ,1998
Contains five papers on how to target investments and public expenditure with a view to meeting the particular needs of the poor. Case studies explore the need for expanded access to public health, public utilities, education and child care.

The Rhino's Horn Bryan Hope,2017-01-23 Set in the near future where social media has erased all meaningful human interaction, *The Rhinos Horn* tells the story of Kenneth Burke, a father diagnosed with pancreatic cancer who is trying to establish a bond with his son while his life is quickly expiring. His son, Paul, is confined to his room where he, like the rest of the Western World, enters the virtual world via *The Suit*. In attempt to pull his son from the grips of the Technological Age, Kenneth relocates himself and his son to India, where they both learn what it really means to be human. As their chosen paths reap globally disastrous conclusions, Paul realizes that the real world cannot be replicated, and Kenneth must learn to accept his son for the man that he has become.
