📖 **MASTERPIECES OF SWISS ENTREPRENEURSHIP** Jean-Pierre Jeannet, Thierry Volery, Heiko Bergmann, Cornelia Amstutz, 2021-04-21 This open access book focuses on Switzerland-based medium-sized companies with a longstanding export tradition and a proven dominance in global niche markets. Based upon in-depth documentation and analysis of 36 Swiss companies over their entire history, an expert team of authors presents several parallels in the pathways and success factors which allowed these firms to become dominant and operate from a high-cost location such as Switzerland. The book enhances these insights by providing detailed company profiles documenting the company history, development, and how their relevant global niche positions were reached. Readers will benefit from these profiles as they compile a diverse selection of industries, mainly active within the B2B sector, with mostly mature companies (60 years to older than 100 years since founding) and different types of ownership structures including family firms. ‘Masterpieces of Swiss Entrepreneurship’ brings unique learning opportunities to owners and leaders of SMEs in Switzerland and elsewhere. Findings are based on detailed bottom-up research of 36 companies -- without any preconceived notions. The book is both conceptual and practical. It fosters understanding for different choices in development pathways and management practices. Matti Alahuhta, Chairman DevCo Partners, ex-CEO Kone, Board member of several global listed companies, Helsinki, Finland Start-up entrepreneurs need proven models from industry which demonstrate the various paths to success. “Masterpieces of Swiss Entrepreneurship” provides deep insights highlighting these models and the important trade-offs entrepreneurial teams must consider when choosing the path of high growth or of maximum control, as they are often mutually exclusive. 📖 **BREAKING VEGAN** Jordan Younger, 2015-11-01 Finding balance in life is a goal many of us strive to achieve. Whether it’s through a healthy diet, exercise regimen, state of mind, relationship, or other activity (or all of the above), we spend our days trying to be, and become, our best selves. But what happens when all that focus starts to dominate our lives? When our desire for perfect health trumps everything else, perhaps without us even realizing it? What happens when our solution starts becoming the problem? These are questions that author and popular blogger Jordan Younger faced when she decided that her extreme, plant-based lifestyle just wasn’t working in favor of her health anymore--and questions that you may be facing too. In Breaking Vegan, Jordan reveals how obsessive healthy dieting eventually led her to a diagnosis of orthorexia, or a focus on healthy food that involves other emotional factors and ultimately becomes dysfunctional, even dangerous. In candid detail, Jordan shares what it was like to leave veganism, the downfall of her desire to achieve nutritional perfection, and how she ultimately found her way to recovery. In addition to this, Jordan outlines an anti-diet, whole-foods-based eating plan featuring more than 25 recipes to help inspire others to find similar balance in their own lives. Breaking Vegan is about tolerance and forgiveness. And ultimately, forging one’s own path toward happiness.

📖 **CONQUEST OF THE INCAS** John Hemming, 2004 ‘A superb work of narrative history’ Antonia Fraser On 25 September 1513, a force of weary Spanish explorers cut through the forests of Panama and were confronted with an ocean: the Mar del Sur, or the Pacific Ocean. Six years later the Spaniards had established the town of Panama as a base from which to explore and exploit this unknown sea. It was the threshold of a vast expansion. From the first small band of Spanish adventurers to enter the mighty Inca empire, to the execution of the last Inca forty years later, The Conquest of the Incas is a story of bloodshed, infamy, rebellion and extermination, told as convincingly as if it happened yesterday. ‘It is a delight to praise a book of this quality which combines careful scholarship with sparkling narrative skill’ Philip Magnus, Sunday Times ‘A superbly vivid history’ The Times
