Card Tricks Jean Hugard, Frederick Braue, 2016-10-11 If you practice any sort of magic—or plan on giving it a try—you probably know that for most people, card tricks are often the starting point. If

you have a deck of cards readily available, as many common households do, the only things required to wow an audience are a little sleight of hand and a magician's secrets. In spite of the timeless credo "good magicians never reveal their secrets," renowned magicians Jean Hugard and Frederick Brau   generously divulged theirs in *Card Tricks: The Royal Road to Card Magic*. Published originally in the 1940s, this classic guide contains more than one hundred spectacular tricks allowing anyone to pick up a deck and dazzle an audience—whether their performance is in a theatre, at a party, or even on the street! With more than 120 illustrations to accompany trick instructions and the addition of a new foreword by Steven Cohen, a master of sleight of hand, this edition of *Card Tricks* is one of the leading authoritative books on card magic.
