Card Tricks: EASY Card Tricks You Can Learn in 5 MINUTES!!! Helen Coleman,2021-05-17 What is a self-working card trick? A trick that does not depend upon legerdemain or special abilities on the part of the magician, but a trick that works automatically because of the mathematics inherent in the card deck itself. Long practice and supernormal dexterity are not needed to perform these tricks, yet they are often among the most entertaining and most spectacular of all card tricks. Some of these sure-fire tricks are simple, a good place to begin. Others were specially adapted from professional routines and are here presented for the first time for amateurs. Almost all of these tricks can be worked informally, with a borrowed deck of cards. Some also adapt to stage presentation. Individual tricks in this book have sold for more than the price of the entire book. Amateurs can use them to get a start in magic and to feel, at once, the rewards of giving a professional performance.

Mysterious World of Cosentino - COSENTINO,Jack Heath,2017-01-09 Dangling on a burning rope while chained above a tank full of hungry sharks... there's only one hero who can beat those odds... COSENTINO, THE GRAND ILLUSIONIST! Cosentino's performances at his run-down old theatre attract the wrong kind of attention when the Ace of Spades dashes through the door, begging to be saved from the clutches of the evil two-headed King! When Cosentino is captured, he's thrown into the dungeon at the bottom of the castle, from which no one has ever escaped. This would be the trick of his life...if he can pull it off!

After Hours Magic Gordon Boyd, 2018-03-09 Attention All Serious Card Magicians: A card magic book has been created that you should own! Details are as follows: This book contains 86 card tricks. Not a typo. That's right, 86! 73 of the tricks were created by a relatively unknown magician by the name of Al Thatcher (71 in the main book and 2 bonus tricks in the addendum). 13 tricks are from the fertile minds of more recognizable names in magic. Al was a good friend and cohort of Nick Trost. They both resided in Columbus, Ohio and spent many hours together creating. If you have ever read any of Nick's books you probably have seen Al's name mentioned several times. His hand-written files have been assembled and incorporated into a book. Along with that 13 other magicians have each contributed a trick to be incorporated into this book. A big thank you goes to the magicians who contributed tricks to the addendum of this book. Their generosity should not be overlooked. It is with their kind help that the card magic of Al Thatcher might become better known. These magicians are listed below. Tom Craven, Stephen Bargatze, Gary Plants, Mike Powers, Dan Block, Steve Beam, Del Copley, Wynn Mertz, Nick Trost (Courtesy of H & R Publishing), Robert Bengel, Evert Chapman, Gordon Boyd, and Richard Bartram Jr. This book of card magic will introduce you to a talented card man who has so far traveled in the shadows of other great creators of card magic. It will also

provide you with 13 card tricks from other well-known card magicians. This is the deal of the year! While not for the beginning card magician, the effects contained in this book are certainly within the reach of the intermediate card magician. The most difficult sleight would probably be an overhand stock shuffle or the "Elmsley Count"--pretty basic indeed. If you like effects that use the "Breather Crimp," you will be pleased with what you find in these pages. Al liked creating effects that used the "Breather" and there are many such effects in this book. In short, it is a book that will satisfy the most discerning magician and provide him/her with several effects that are worth many times the price of the book. Sleights and shuffles mentioned and used in this book include the Australian deal, Biddle Count, bottom slip shuffle, breather crimp, Charlier shuffle, Cull place shuffle, double buckle, double undercut, Elmsley Count, false cut, false shuffle, gambler's cop, half pass, halo cut, Hamman Count, Hindu shuffle, jog shuffle, overhand shuffle, pinky break, reverse Faro shuffle, riffle force, running overhand shuffle, spectator peek, straddle Faro shuffle, swing cut, swivel cut, thumb break, and top change.
