- 📖 [More Card Manipulations - Series No. 1](#) Jean Hugard, 2021-06-28 This vintage book contains the second in the series of handbooks on card manipulation by master magician Jean Hugard. Card manipulation is an element of magical illusion concerning the creation of effects through sleight of hand techniques that involve playing cards. It is commonly employed in magical performances, particularly in street magic. Jean Hugard’s fantastic series “More Card Manipulations” includes simple instructions for a variety of fantastic card tricks, making it ideal for novice illusionists or related collections of literature. Jean Hugard was an Australian professional magician. By the end of his life he had gone blind, having lost sight in both eyes as a result of cataract-removal operations. Despite his handicap he continued his work with magic at his home in Brooklyn, New York. Other notable works by this author include: “Show Stoppers with Cards” (1948), “Royal Road to Card Magic” (1948), and “Houdini’s ‘Unmasking’: Fact Vs. Fiction” (1957). Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this classic volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new introduction on card manipulation.

- 📖 [The Card](#) Graham Rawle, 2012-06-01 A charming, surreal, visually stunning and utterly unforgettable new novel, in which the design of the pages replicates the way our hero’s mind works as he pieces together the mystery at the novel’s heart Since childhood, Riley has been a keen collector of bubble gum cards. Now, 30 years later, the one card missing from his collection is the legendary card 19 from the 1967 Mission Impossible television series, of which only one exists. One day a mysterious grey-haired man drops a playing card in a deserted alley. Riley picks it up. Is it a secret sign? Before long, he is finding all kinds of bubble gum and cigarette cards on the street, each one apparently containing a further hidden clue to a coded message. Will Riley rise to the challenge and discover the secret of the cards? And will he ever find elusive card 19? Exquisitely written, extremely funny, and visually stunning, this is the utterly unforgettable story of a man who views the world—and everything in it—just a little bit differently from everyone else. Each of the 15 cards, created by Graham Rawle, appear in color as they turn up in the story.
- 📖 [Card Tricks](#) Jean Hugard, Frederick Brau📖 , 2016-10-11 If you practice any sort of magic—or plan on giving it a try—you probably know that for most people, card tricks are often the starting point. If you have a deck of cards readily available, as many common households do, the only things required to wow an audience are a little sleight of hand and a magician’s secrets. In spite of the timeless credo “good magicians never reveal their secrets,” renowned magicians Jean Hugard and Frederick Brau📖 generously divulged theirs in Card Tricks: The Royal Road to Card Magic. Published originally in the 1940s, this classic guide contains more than one hundred spectacular tricks allowing anyone to pick up a deck and dazzle an audience—whether their performance is in a theatre, at a party, or even on the street! With more than 120 illustrations to accompany trick instructions and the addition of a new foreword by Steven Cohen, a master of sleight of hand, this edition of Card Tricks is one of the leading authoritative books on card magic.

- 📖 [Drop](#) Lisa Papademetriou, 2008-11-11 DON’T WE ALL harbor the secret wish that we won’t have to work for it? That luck—be it a spin of the wheel, a hop of the dice, the right card at the right moment—might just choose to favor us, whether we deserve it or not? That universal desire, along with many others, is played out in the lives of three teens who hope to beat the house, and control their futures. Come meet: • Sanjay, who wants to be much more than the dutiful, hardworking immigrant’s son • Kat, who wants enough cash to run as far as she can, from her past and who she’s afraid she might become • Jerrica, who thinks she can foresee the cards, and maybe make them be what she needs them to be. Each is irresistibly drawn to gambling’s alluring flirt, and to entanglements with each other, and within themselves. Themes of obsession and other risky business fuel the pages of this fast-moving, provocative tale.
