Special Places to Stay British Hotels, Inns and Other Places

Tom Bell, 2001 Eclectic, personal selection Hand-picked and meticulously inspected properties in Britain, Ireland, France, Paris, Italy, Spain and Portugal. English stately homes, French chateaux, Irish lighthouses, Spanish monasteries, Portuguese forts, hunting and fishing lodges, farmhouses, townhouses, vineyards and cottages. Each one chosen because the Sawday team likes it. Sawday style Seductive, lively, fresh, humorous and, above all, engagingly honest. Fun to read -- even if you're stuck at home! said The New York Times. Charm, character, beautiful architecture, good conversation, delicious food, and hosts who actually like having guests are in. False smiles, poor value, stuffy staff, faceless chain hotels and pretentious over-priced places are out. Expensive? No! Hundreds of incredible special places are under \$30 a head! Sawday readers all over the world are amazed to find that the best vacations need not cost a fortune. Simply different Alastair Sawday Publishing retains complete editorial control, and each entry has full-color photographs, regional maps, and precise directions. Quirky, specially designed symbols indicate English-speaking hosts, non-smoking properties, organic produce, disabled access,

and whether owners welcome children and household pets. There are even guidelines on language (including useful phrases), social customs, and holidays. Find Island bolt-holes, Georgian shooting lodges, restaurants with rooms and castles. This eclectic selection is a triumphal testimony to those who have held out against the predatory hordes of international hotel companies, chains and conglomerates. Over 100 places under 50 a head. Incredible value, extraordinary people.

Cardápio digital para tablets Bruno Finger, Giacomio Pasa Ribeiro, 2012-11-19 Este trabalho consiste no desenvolvimento de um protótipo de um aplicativo para a plataforma Android, com o objetivo de utilizar dispositivos móveis, porém com foco em tablets, para substituir os cardápios impressos. Durante este documento, são discutidos tópicos como: por que esta ideia, o desenvolvimento da informática até a chegada dos dispositivos móveis, o que é a plataforma Android, objetivos desta proposta, modelagem do protótipo. São apresentados sistemas similares ao que os autores propõem, e as diferenças entre eles. Há uma apresentação da modelagem do protótipo e banco de dados utilizando-se inúmeros diagramas, explicações sobre o padrão UML, o ICONIX e os requisitos do sistema. Ao entrar no desenvolvimento do protótipo, os autores explicam as tecnologias envolvidas para se alcançar o objetivo, entre elas o Android SDK, fundamental para o desenvolvimento de aplicativos para esta plataforma, softwares para criar diagramas utilizados na modelagem, como os softwares Dropbox e Subversion foram utilizados para garantir sincronia entre os autores, o ambiente de

desenvolvimento utilizado, linguagem de programação e sistema gerenciador de banco de dados. Mais a frente é explicado com mais detalhes como o sistema funciona e as vantagens que o uso de um sistema digital pode trazer sobre um cardápio de papel, mostrando capturas de tela do sistema e explicando o que ocorre. Finalmente, é discutida a conclusão dos autores sobre o funcionamento real deste sistema e o planejamento do futuro deste projeto.

Tartine Bread Chad Robertson, 2013-10-29 The Tartine Way —

Not all bread is created equal The Bread Book ...the most beautiful bread book yet published... -- The New York Times, December 7, 2010

Tartine — A bread bible for the home or professional bread-maker, this is the book! It comes from Chad Robertson, a man many consider to be the best bread baker in the United States, and co-owner of San Francisco's Tartine Bakery. At 5 P.M., Chad Robertson's rugged, magnificent Tartine loaves are drawn from the oven. The bread at San Francisco's legendary Tartine Bakery sells out within an hour almost every day. Only a handful of bakers have learned the techniques Chad Robertson has developed: To Chad Robertson, bread is the foundation of a meal, the center of daily life, and each loaf tells the story of the baker who shaped it. Chad Robertson developed his unique bread over two decades of apprenticeship with the finest artisan bakers in France and the United States, as well as experimentation in his own ovens. Readers will be astonished at how elemental it is. Bread making the Tartine Way: Now it's your turn to make this bread with your own hands. Clear instructions and hundreds of step-by-step photos put you by Chad's side as he shows you how to make exceptional and elemental bread using just flour, water, and salt. If you liked *Tartine All Day* by Elisabeth Prueitt and *Flour Water Salt Yeast* by

Ken Forkish, you'll love Tartine Bread!

verdadeiro sonho. A essência é fazer um mundo mágico para a

criança celebrar mais um ano de vida. Nesse contexto, os pais se

envolvem completamente na escolha de cada detalhe: do tema da

comemoração à lembrancinha. Sim, nós sabemos, a criançada

ama os personagens de desenhos animados, mas há tantas

sugestões menos óbvias que farão toda a diferença. Por exemplo,

que tal apostar no tema “Soldadinho de chumbo” ou então

“Chapeuzinho Vermelho”? São temas que despertam toda pureza

do universo infantil e que irão encantar a todos os convidados.

Então, vamos lá! Vire a página e encha os olhos com ideias

singulares – são mesas completas e detalhes originais. Na festa

usando um saboroso doce de leite. Por fim, entregue-o em um

delicado pote de vidro. Essa é apenas uma dica incrível de muitas que você confere nas próximas páginas. Então, não perca tempo e confira cada sugestão!

Women Who Run with the Wolves Clarissa Pinkola Estés

Phd,1995-08-22 NEW YORK TIMES BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every

woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

The Rivals Vi Keeland, 2020-07-13 A sexy, enemies-to-lovers standalone novel from #1 New York Times Bestseller, Vi Keeland. The feud between Weston Lockwood and me started at the altar. Only neither of us attended the wedding, and the nuptials happened decades before either of us was born. Our grandfathers had been best friends and business partners, at least up until my grandfather's wedding day—when his bride-to-be blurted out she couldn't marry him because she was also in love with Weston's grandfather. The two men spent years fighting over Grace Copeland, who also happened to be their third business partner. But in the end, neither man could steal half of her heart away from the other. Eventually, they all went their separate ways. Our grandfathers married other women, and the two men became one of the biggest business rivals in history. Our fathers continued the family tradition of feuding. And then Weston and I did, too. For the most part, we kept as much distance as possible. Until the day the

woman who started the feud died—and unexpectedly left one of the most valuable hotels in the world to our grandfathers to share. Now I’m stuck in a hotel with the man I was born to hate, trying to unravel the mess our families inherited. As usual, it didn’t take long for us to be at each other’s throats. Weston Lockwood was everything I hated: tall, smart, cocky, and too gorgeous for his own good. We were fire and ice. But that shouldn’t be an issue. Our families were used to being at war. There was just one minor problem, though. Every time Weston and I fought, we somehow wound up in bed.
