The Card Peter A. LaPorta,2019-04-29 Congratulations! You have been selected by the Foundation to take part in a social experiment for the duration of 365 days. Do not waste time. Use your card to purchase anything you like, and you will never be responsible for paying anything back monetarily. Failure to comply with any and all of the rules of the program may result in serious consequences, deathly consequences . . . The Card Program is the brainchild of an eccentric billionaire and operated by the Foundation, a covert division of the US government. One man pulls the strings of the cardholders he treats like puppets—Colonel Putnam. Day by day, each cardholder wields their unlimited buying power for one extravagance after another. As they cross the line and break the strict rules of the program, Putnam hunts them down and makes them play by his rules or else . . . When the Colonel and his henchman cross too far over the line and the body count starts to rise, who will bring him to justice? Can the cardholders find each other in time to ban together and bring him down, or will Putnam crush them in the process? Will the government reel in one of their own, or will everything explode around them? From the mines of West Virginia to the shores of Mexico, you will be transported on an exciting journey around the states and into foreign lands. Come along on this thrilling adventure of suspense and intrigue as page after page brings you closer to the climactic conclusion of The Card.

The King of Cards Robert Ward,2011-08-23 Ward once again explores the alchemy of stubborn yearnings and unrealized dreams amidst the well-tended rowhouses of his native city. There's a mounting fury in Tommy Fallon's heart in the fall of 1965. He's finally found his life's calling - thanks to the inspiration of Professor Extraordinaire Sylvester Spaulding. Young Tom wants to be lifted on the wings of genius, to ascend to a clean, well-lighted place where cultured people talk about deep things. But how can this college boy learn anything about life or art while living in his family's house of pain? Pop Fallon's youthful dreams of becoming a painter were dashed by the Depression and his own internal demons; he rarely comes out of the inner sanctum of His Holy Toilet, where he's long been lost to the rituals of obsessive/compulsive behavior. Mom Fallon - beaten down by the vast resentment her husband harbors against her and all the other "Baltimorons" - is so starved for love that she enters the Miss Kissable Lips contest at the local radio station. Tom realizes he needs a refuge: a quiet, modest room of his own. There he won't have to see the defeat in his parents' eyes. There he'll follow Dr. Spaulding's lead by living inside the books that seem to be keeping his spirit alive. The King of Cards is the story of how Tom is saved from becoming a myopic, dispassionate snob when he answers an ad for off-campus housing. In the remarkable person of Jeremy Raines - World-Class Confidence Man with a Streak of Idealism, and Pied Piper to a ragtag band of followers - Tom finds a sense of adventure that is positively euphoric.
