Succeed at Your Job Interview George Heaviside,1993 This is a self-help book on how to be successful in job interviews. The key to any successful interview is preparation, and the reader is taken through eight stages of the selection process. The book discusses how companies set about recruiting, how to prepare for an interview by developing a personnel specification, and practising with a mock interview. It also includes tips for the interview itself, covering a variety of interview situations and 150 of the most commonly asked questions.
