What Color Is Your Parachute? Guide to Job-Hunting Online, Sixth Edition Mark Emery Bolles, Richard N. Bolles, 2011-05-17 Before you start your Internet job-hunt, there are some things that you must know, like: • Why are job sites like Monster and CareerBuilder so stunningly ineffective? • What can you do to make sure your resumes survive the elimination process? • How do you find the information that search engines like Google can't? • How can you tell the difference between a genuinely helpful job board, and a website designed only to collect resumes? • When are hobby forums more helpful than business networking sites? • When is the Internet not helpful when job-hunting? • What is the fatal flaw of all social networking sites? The Guide to Job-Hunting Online, 6th Edition, not only answers these questions and many more, but shows you how to comprehensively and effectively use the Internet for all aspects of your job-hunt. This companion to *What Color Is Your Parachute?*, the best-selling job-hunting book in the world, has been completely rewritten for our changing times and includes hundreds of updated website recommendations and descriptions. The Guide to Job-Hunting Online shows you how to quickly find the data that will be most helpful to you, how to identify and research the places where you will most enjoy working, how to leverage the power of social networking sites, and how to use your Internet time most effectively, avoiding the common pitfalls and setting you up for success.

Over 50 and Motivated Brian E. Howard, 2017-04-01 It happened. It may have been a surprise, or it

could have been anticipated, but at this point, what does it matter? You lost your job. Or, the frustrations at your current job have hit the boiling point. You just can't take it anymore! In either case, change is inevitable. But, you're over the age of 50 and intellectually or intuitively you know your age could be a factor in your job search. . .and, you are right. There are age-related biases that exist in the job market that will work against you. According to government statistics, job seekers over 50 encounter more difficulty in getting new jobs and suffer notably longer unemployment than their younger counterparts. But these statistics do not have to apply to you! First, immediately stop with the worry and negative thinking. You're in a better position than you think. There are employers out there that not only will hire you, they are looking for you! The key is to find them, sell them on you, and get them to hire you. It's not as hard as you may think. In the *Over 50 and Motivated* book, Brian Howard will teach you a systematic approach for conducting a real-world job search based on years of frontline recruiting experience helping thousands of tenured job seekers just like you. He will teach you how to effectively conduct a job search in today's job market and techniques to successfully combat age biases. He will show you how to get job offers and your next fulfilling career position!

Click to Get Hired John Campbell, 2013-03-14 In this book I'll share with you the three secrets I learned launching a successful online job search and landing a well-paid position in less than 30 days. I am not a professional recruiter. I don't have an HR certification nor am I a New York Times bestselling authority. I'm just like you. I had a job, lost it, then had bills and life banging on my apartment door. I tried the traditional job search strategies: cover letter, networking, multiple interviews, etc. It didn't work. What I will explain in this book did work. You too can repeat my success by learning the three secrets for online job search: not far-reaching theories you may find in the traditional job search book--but practical, proven

methods to achieve the only result that matters: a job. If you are a former employee or about to be, or one of the millions of the long-term unemployed, this eBook can be your guide to finding that next job quickly. You will learn how to:--Effectively search for jobs that are hidden from the major online career boards like Monster and CareerBuilder--Use unconventional search strategies, including social media sites (Facebook, Twitter, etc.), to find the right job--Learn how to maximize your search power by combining results from Google and social media sites

All Systems Go: How to Launch a Successful Job Search Thomas Cairns, 2014-03-09 Learn how to create, market, promote and sell your professional story to land the job you love and that embodies your skills, goals and passions.

America's Official Job Search Manual Deirk L. Keitt Sr., 2019-08-26 This is an easy-to-follow manual. It is written for job seekers and those whose jobs are to help job seekers get employed. It is written in two parts. The first part shows what you should do in job search and why you should do it. The second part shows how you should do a job search. Many people find job searches very stressful. The author discusses this and makes the job search an enjoyable learning experience. When you're reading this book, you'll feel as though the author is right there with you, holding your hand through the job search. This manual not only makes looking for employment easy for the job seeker but it will also help those who work in the back-to-work job search industry teach, coach, and assist their job seekers in reaching their employment goal. There are real-life experiences from real job seekers from every walk of life. This book looks at people who are educated, people with limited education, people who have worked for years, and people who have very little to no work history. This manual will address the following: —How to organize your job search to save time. —How to stand out as different from the rest of the job seekers. —Techniques you can use to recruit masses of people to job search for you. (You don't have to know them, and they may never know you.) These are just a few jewels among many you'll get from America's Official Job Search Manual. Take the book, enjoy it, get hired, and move forward with your life. I'll see you on the next level.

The Job Search Sergio Rijo, 2023-09-20 The Job Search: How to Find the Perfect Job and Land the Interview is your ultimate companion on the path to career success. In today's dynamic job market, securing the ideal position requires more than just submitting applications. This book provides a comprehensive roadmap to help you not only find the perfect job but also ace the crucial interview stage. Beginning with the fundamentals of self-assessment and goal setting, the book guides you through identifying your strengths, values, and career aspirations. It then delves into the art of crafting a compelling resume, showcasing your accomplishments and tailoring your application for various job opportunities. Moving forward, the book explores the critical role of cover letters and provides invaluable insights on how to create attention-grabbing, personalized cover letters that make you stand out in a crowded field of applicants. Once you've conquered the initial application process, The Job Search takes you on a journey through the digital landscape, teaching you how to effectively leverage online job boards and harness the power of professional networking, particularly on LinkedIn. But this book goes beyond the basics. It delves into advanced job search strategies, such as informational interviews and tapping into the hidden job market, ensuring you have every tool at your disposal to find the perfect job. When you've secured those coveted interview invitations, The Job Search doesn't leave you hanging. It offers a comprehensive guide to interview preparation, including researching potential employers, choosing the right interview attire, and mastering common interview questions. But the real magic happens when you step into the interview room. This book equips you with techniques and best practices to ace the interview, allowing you to confidently demonstrate your skills and enthusiasm while handling tricky interview situations with grace. Post-interview, The Job Search emphasizes the importance of follow-up and thank-you notes to maintain a positive and professional image in the eyes of potential employers. The journey doesn't stop when you receive job offers. This book offers guidance on salary negotiations, evaluating job offers, and making informed decisions that align with your priorities and long-term career goals. However, the job search isn't always smooth sailing. The Job Search includes a chapter on managing rejection and resilience, helping you cope with setbacks and maintain a positive attitude throughout your journey. For those considering career changes, the book provides tips for transitioning careers successfully, emphasizing the value of transferable skills and strategies to overcome challenges. Moreover, in an ever-evolving job market, The Job Search explores opportunities in freelancing, the gig economy, entrepreneurship, and the significance of continuing education and skill development to stay competitive. Finally, as the book draws to a close, it offers guidance on achieving work-life balance, strategies for career advancement and growth, and insights into the future of job searching, including emerging trends, adaptation to new technologies, and preparing for changes in the job market. The Job Search is a comprehensive, friendly, and emotionally resonant guide that ensures you're well-prepared to embark on a
