Exposed! Vehicle Information Resource LLC,2017-12-21 Are you in search of a new vehicle and hate the idea of not knowing if you got a good deal? Well, to relieve you from the hassles and negotiations the car dealerships implement, you need to be on a level-playing field. On January 18, 2013, Vehicle Information Resource LLC was formed to assist people in the purchase of their next vehicle. The owner of this company has over thirty years automotive experience and is now able to share the secrets the car dealerships use to negotiate their best deals.

This book is not designed to bash car dealerships! It is designed to disclose the secrets the dealers will use in maximizing their profits. People hate to shop for a car because they dislike the negotiation process, the inflicted pressure to buy today, and not being familiar with the terms of leasing or purchasing a vehicle. In order for you to get the best deal, you need to know these secrets. To prepare you in getting your best deal, this book includes the negotiation skills and terminology, compares leasing versus buying, contract disclosures, advertising examples, and statements the dealers will use in selling you your next vehicle. Our intention is to get you the best deal and for you to avoid the aggravations which comes with a vehicle purchase.

Independent Used Car Dealer INTERNAL REVENUE. SERVICE, 2013-06-14 The used car industry, as with any industry has certain business practices that are used throughout the industry. A key to a successful examination of a used car dealer is an understanding of these basic common practices. Certain jargon is widely used in the industry. The terms defined in Exhibit 1-1 are the most commonly found terms. However, even these terms may vary from region to

region. Nevertheless, the list may be useful in understanding how the industry operates. Become familiar with these terms as many of the terms listed here are used throughout the Audit Technique Guide. The used car industry is comprised of two major segments. The first segment is made up of the new car dealers who accept trade-ins on the sale of new automobiles; or purchase used cars from customers, used car dealers, or wholesale auto auctions. The new car dealers then sell the used cars either to wholesalers, directly to used car dealers, through auctions, or to other miscellaneous customers.
