

Caribbean Radio

C. Best

Isles of Noise Alejandra M. Bronfman, 2016-09-02 In this media history of the Caribbean, Alejandra Bronfman traces how technology, culture, and politics developed in a region that was wired earlier and more widely than many other parts of the Americas. Haiti, Cuba, and Jamaica acquired radio and broadcasting in the early stages of the global expansion of telecommunications technologies. Imperial histories helped forge these material connections through which the United States, Great Britain, and the islands created a virtual laboratory for experiments in audiopolitics and listening practices. As radio became an established medium worldwide, it burgeoned in the Caribbean because the region was a hub for intense foreign and domestic commercial and military activities. Attending to everyday life, infrastructure, and sounded histories during the waxing of an American empire and the waning of British influence in the Caribbean, Bronfman does not allow the notion of empire to stand solely for domination. By the time of the Cold War, broadcasting had become a ubiquitous phenomenon that rendered sound and voice central to political mobilization in the Caribbean nations throwing off what remained of their imperial tethers.

Radio's New Wave Jason Loviglio, Michele Hilmes, 2013-06-19 Radio's New Wave explores the evolution of audio media and sound scholarship in the digital age. Extending and updating the focus of their widely acclaimed 2001 book *The Radio Reader*, Hilmes and Loviglio gather together innovative work by both established and rising scholars to explore the ways that radio has transformed in the digital environment. Contributors explore what sound looks like on screens, how digital listening moves us, new forms of sonic expression, radio's convergence with mobile media, and the creative activities of old and new audiences. Even radio's history has been altered by research made possible by digital and global convergence. Together, these twelve concise chapters chart the dissolution of radio's boundaries and its expansion to include a wide-ranging universe of sound, visuals, tactile interfaces, and cultural roles, as radio rides the digital wave into its second century.

The Politics of Caribbean Cyberculture C. Best, 2008-01-21 This book covers significant new ground, examining the impact and imprint of new leading technology on a range of popular expressions. This technology includes the internet, the computer, the cell phone, television, and radio, among others. Best argues that Caribbean culture has gone wireless, virtual, and simulated in the age of the machines.

The Department of State Bulletin, 1944 The official monthly record of United States foreign policy.

Reggae Heritage Lou Gooden, 2003 - I speak of victory, not victim, triumph and not defeat; I have buried hopelessness in the cemetery of compete; the slum was not born in me, but in the born elite; what once left me void; I have conquered to become complete; all my life has been a rock climb, traveled in the bareness of my feet. excerpt from title poem: *Rock Climbing With My Bare Feet*. *Rock Climbing With My Bare Feet* is a collection of poetry that encompasses themes such as internal struggle, women empowerment, motivation, political consciousness, perseverance and a variety of other topics. These themes, among others, are structured into chapters to make an easier read for the audience. The chapter titles are brilliantly named so that the reader can identify the theme of each chapter. Chapters include *Who Am I To Be Me?*, the author's favorite *More Importantly: I AM A WOMAN*, *Ditchin' Demons In a Deep Depression*, *Life Should Be Motivation Enough*, *I Wouldn't Even Trade My Mind (For a Sane One)*, *Rock Climbing With My Bare Feet*, *Citizen's Arrest*, *Life's Waves Won't Knock Me Over*, *Featuring: I Wait on Words!* Be prepared to be intellectually challenged, spiritually moved, and genuinely entertained! For young and mature readers alike, of all cultures and ethnicities.

ICT Update 64 English, 2012-12-31 *ICT Update* is a bimonthly printed and on line magazine (<http://ictupdate.cta.int>) and an accompanying email newsletter published by CTA. This issue focuses on value chains.

Calypso Drift Steinberg Henry, 2014-01-16 Steinberg Henry has composed for us this magical island adventure into song. It is made up of 14 segments and 119 chapters integrating leaps in

consciousness, methods and disciplines with skill surprising. Calypso Drift passes by way of an island Parliament, Dread/Rastafari, memorable black-sand beaches, religious systems, the KwÉyòl language business, high-school learning remembrances, a touch of Kalinago sensibility and, American song selections on Caribbean radio in the 70s and 80s. The text leaps to record seven years of Dominican Calypso lyrics, contributing in the process to archiving an island's history. Calypso Drift implores us to listen again to warnings of our song-poets. This is a book for lovers of Calypso globally, one for culture enthusiasts. Those embracing entertainment education, history and the arts in general should find its methods provocative. Students in the natural and social sciences can comfortably uncover themselves herein. And most of all, musicians, song-writers, composers and performers of Calypso find space in its consuming fire. Drift, globality is inside!

The Queer Caribbean Speaks K. Campbell, 2014-02-05 In most Caribbean countries homosexuality is still illegal and many outside of the region are unaware of how difficult life can be for gay men and lesbians. This book collects interviews with queer Caribbean writers, activists, and citizens and challenges the dominance of Euro-American theories in understanding global queerness.

Operations of the National Weather Service United States. National Weather Service, 1976

International Science and Technology Mekki Mtewa, 1990-06-18 This book formulates both a theory of science and technology, a philosophy guiding its development and utilization as well as foundations for developing a policy on science and technology. The book should enrich debate and future searches for the paradigm in international science and technology.

The Americas [2 volumes] Kimberly J. Morse, 2022-08-23 This two-volume encyclopedia profiles the contemporary culture and society of every country in the Americas, from Canada and the United States to the islands of the Caribbean and the many countries of Latin America. From delicacies to dances, this encyclopedia introduces readers to cultures and customs of all of the countries of the Americas, explaining what makes each country unique while also demonstrating what ties the cultures and peoples together. The Americas profiles the 40 nations and territories that make up North America, Central America, the Caribbean, and South America, including British, U.S., Dutch, and French territories. Each country profile takes an in-depth look at such contemporary topics as religion, lifestyle and leisure, cuisine, gender roles, dress, festivals, music, visual arts, and architecture, among many others, while also providing contextual information on history, politics, and economics. Readers will be able to draw cross-cultural comparisons, such as between gender roles in Mexico and those in Brazil. Coverage on every country in the region provides readers with a useful compendium of cultural information, ideal for anyone interested in geography, social studies, global studies, and anthropology.

Isles of Noise Alejandra Bronfman, 2016

Bonds of Empire Anne Spry Rush, 2011-06-09 An examination of how, from 1900 through the 1960s, West Indians employed their British identity both to establish a place for themselves in the British imperial world, and to negotiate the cultural challenges of decolonization as Caribbean peoples.

Cruising World , 1984-01

Blackness in Britain Kehinde Andrews, Lisa Amanda Palmer, 2016-04-28 Black Studies is a hugely important, and yet undervalued, academic field of enquiry that is marked by its disciplinary absence and omission from academic curricula in Britain. There is a long and rich history of research on Blackness and Black populations in Britain. However Blackness in Britain has too often been framed through the lens of racialised deficits, constructed as both marginal and pathological. Blackness in Britain attends to and grapples with the absence of Black Studies in Britain and the parallel crisis of Black marginality in British society. It begins to map the field of Black Studies scholarship from a British context, by collating new and established voices from scholars writing about Blackness in Britain. Split into five parts, it examines: Black studies and the challenge of the Black British intellectual; Revolution, resistance and state violence; Blackness and belonging; exclusion and inequality in education; experiences of Black women and the gendering of Blackness in Britain. This

interdisciplinary collection represents a landmark in building Black Studies in British academia, presenting key debates about Black experiences in relation to Britain, Black Europe and the wider Black diaspora. With contributions from across various disciplines including sociology, human geography, medical sociology, cultural studies, education studies, post-colonial English literature, history, and criminology, the book will be essential reading for scholars and students of the multi- and inter-disciplinary area of Black Studies.

Foreign Assistance and Related Programs Appropriations for 1980 U.S. Congress. House. Committee on Appropriations, United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Programs, 1979

Diaspora Pride - People, Places, and Things (V4) Indiana Robinson, 2017-07-31 As a nation, we should preserve our social memory by honoring those who paved the way for us to exist, recognizing those who etched their indelible mark on our lives, and remembering those who went to the great beyond before us as expressed in the Salute to the Dearly Departed segment (People); our regions, areas, and territories; our locales, hotspots, and hangouts and places we love to visit and events we constantly attend in (Places), and the happenings and the things that we cherish to death - items, commodities, artifacts, and products (Things). So dear readers, enjoy the mind triggers and heart-wrenching diggers you will find in this book honouring the 55th year of celebrating Jamaica's independence and the tantalizing trip down memory lane with this unofficial reference/resource guide by your side. You will recollect who is who (people), where is where (places), and what is what (things) in both the Jamaican and the Diaspora/Global context.

The Europa World Year Book 2003 Europa Publications, 2003 First published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

National Pride - Places (Volume 2) Indiana Robinson, 2017-07-20 Places (Volume 2) Jamaican vary from our beautiful and treasured landscapes, from our rivers, our mountain ranges, our beaches, our birds, our creepy crawlies, our neighbourhoods, our highways, lanes, and gullies; our schools, our hotels, our sugar plantations, our banks, our bars, restaurants, and cold supper shops; our churches, our funeral parlours, our prisons, and much more. Naturally, our multi-talented brothers and sisters are saluted including those still here and those who have since departed to the great beyond. So dear readers, enjoy the mind triggers and heart-wrenching diggers you will find in this book honouring the 55th year of celebrating Jamaica's independence and the tantalizing trip down memory lane with this unofficial reference/resource guide by your side.

Staying Tuned Suzanne Frentz, 1992 Staying Tuned: Contemporary Soap Opera Criticism examines serials. Broadcast first in 1926 on radio and since 1956 on television Monday through Friday 52 weeks a year, soap operas provide a clear promise to continue for as long as mass medicated entertainment exists. Over the last sixty years, billions have happily suffered along with the gallant men and women of the afternoon. A growing body of scholarly literature exists now to provide insights and suggest answers to the question of why so many continually return to the routine tragedies of daytime drama. Each of our chapters explores an aspect of soap opera which contributes to the endurance of the genre.

This book delves into Caribbean Radio. Caribbean Radio is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Caribbean Radio, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Caribbean Radio
- Chapter 2: Essential Elements of Caribbean Radio
- Chapter 3: Caribbean Radio in Everyday Life
- Chapter 4: Caribbean Radio in Specific Contexts

◦ Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Caribbean Radio. The first chapter will explore what Caribbean Radio is, why Caribbean Radio is vital, and how to effectively learn about Caribbean Radio.
3. In chapter 2, this book will delve into the foundational concepts of Caribbean Radio. The second chapter will elucidate the essential principles that must be understood to grasp Caribbean Radio in its entirety.
4. In chapter 3, the author will examine the practical applications of Caribbean Radio in daily life. The third chapter will showcase real-world examples of how Caribbean Radio can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Caribbean Radio in specific contexts. The fourth chapter will explore how Caribbean Radio is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Caribbean Radio. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Caribbean Radio.
