Lemon-Aid New and Used Cars and Trucks 2007-2017 Phil Edmonston, 2017-03-11 "Dr. Phil," Canada's best-known automotive expert, invites another driver to come aboard. After forty-six years and almost two million copies sold, Phil Edmonston is joined by a co-pilot for the Lemon-Aid Guide — George Iny, along with the editors of the Automobile Protection Association. The 2017 Lemon-Aid has everything: an encyclopedic lineup of the best and worst cars, trucks, and SUVs sold

since 2007; secret warranties and tips on the “art of complaining” to help you get your money back; and new-car buying tips that will save you tons of money by revealing the inflated cost of fancy and frivolous add-ons. Lemon-Aid is an essential guide for careful buyers and long-time gear-heads who don't know as much as they think.

Lemon-Aid New and Used Cars and Trucks 2007-2018 Phil Edmonston,2018-02-03 Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. “Dr. Phil,” along with George Iny and the Editors of the Automobile Protection Association, pull no punches.

Concorde, A Designer's Life Ted Talbot,2013-09-01 Do you remember the time we used to do New York in three hours? Even twenty years after its final flight, Concorde remains the pinnacle of aviation design. The aircraft is still unmatched, which has led to a vast swathe of material being written about the aeroplane itself. However, relatively little has been said about the people who designed it. Concorde, A Designer's Life is an autobiography peppered with anecdotes from the team, humorous life stories and several 'technibits', all covering the design period of Concorde. Ted Talbot, who began his career at BAC as an aerodynamicist and later became chief design engineer, has combined the technical narrative with personal and family reminiscences to remind the reader that engineers have lives too. The path to Mach 2 was bumpy, with threats of cancellation and opposition from the Americans and the Russians, but this generally indicated to the Concorde team that they were on the right path! This informative, witty and thoroughly enjoyable peek into an unusual life is a valuable addition to any bookshelf.

To Rome With Love D.P. Rosano,2022-02-24 Rosano stages mysteries with the insider knowledge, finesse and flair of the accomplished wine, food, and travel writer he is. And it all happens in Italy.- Ambassador Magazine Some memories are never forgotten. As Tamara discovers the charms of Rome in the arms of her first love, the sights, food and wine sweep her away. Giorgio changes how she thinks about living. Decades can pass - marriages, death, and family can intervene - but those moments linger in the hidden layers of her consciousness. And just when Tamara thinks she has forgotten Giorgio, they find each other again... and their lives are changed forever.

Paint My Name in Black and Gold Mark Andrews,2021-11-11 Leeds, 1980. Amid the violence and decay, the city was home to an extraordinarily vibrant post-punk scene. Out of that swamp crawled the Sisters of Mercy. Over the next five years, they would rise from local heroes to leading alternative band, before blowing apart on the verge of major rock stardom. Their path was strewn

with brilliant singles, astonishing EPs, exceptional album tracks and legendary live shows. Two classic line-ups were created and destroyed: Andrew Eldritch on vocals, Craig Adams on bass, Gary Marx and Ben Gunn – later replaced by Wayne Hussey – on guitars, and a drum machine called Doktor Avalanche. Hussey and Adams styled themselves as the Evil Children and played hard both on and off the stage; neither Gunn nor Marx were natural rock 'n' roll animals, but the latter performed with such abandon that it was hard to believe he also wrote the Sisters' most delicate and beautiful music. Eldritch was the most peculiar and compelling of them all, a singular and mesmerising amalgam of T. S. Eliot and David Bowie who staked a powerful claim to be the greatest rock star of his generation. Drawing on dozens of interviews with band members and key figures in the Sisters' journey, Paint My Name in Black and Gold is the most complete account yet of how – against the odds and all reasonable expectation – these young men came to make transcendent and life-changing music.

The Human Connection D.P. Rosano, 2023-05-31 A collection of three novels by D.P. Rosano, now available in one volume! A Love Lost in Positano: Seeking respite from working in the war zone, Danny D'Amato finds himself drawn to the tranquil shores of Positano. Amidst the idyllic scenery, he encounters Gaia, a captivating woman who breathes new life into his weary soul. Their connection blossoms swiftly, but the bliss is shattered when Gaia mysteriously vanishes, leaving Danny desperate to find her. After Danny spends countless days looking for Gaia, the vast distance between them finally closes... but for reasons they could have never predicted. To Rome With Love: As Tamara discovers the charms of Rome in the arms of her first love, the sights, food and wine sweep her away. Giorgio changes how she thinks about living. Decades can pass – marriages, death, and family can intervene – but those moments linger in the hidden layers of her consciousness. And just

when Tamara thinks she has forgotten Giorgio, they find each other again, and their lives are changed forever. Vivaldi's Girls: Immerse yourself in the captivating world of Antonio Vivaldi, where his musical genius is only part of the story. Beyond his extraordinary talent, Vivaldi was a charismatic figure who enchanted the women of Venetian society with his fiery red hair and captivating violin performances. With his transition from priest to celebrity, his allure grew even stronger. D.P. Rosano's Vivaldi's Girls will transport you to a time of passion, music, and the intertwining of hearts and melodies that shaped the life of one of history's greatest composers.

The Electric Vehicle Revolution Kevin A. Wilson,2023-11-07 The Electric Vehicle Revolution explores the exciting, fast-changing technology and design in the electric-vehicle world, forecasts what the future may hold, and provides an eye-opening look back at a history stretching to Victorian days.

The Blood Runs Hot Donald Thomas,2013-07-14 Two petrol bombs thrown on the Cakewalk promenade, a sports reporter and his bike rammed off a cliff, a policeman thrown through a plate-glass display window in the city centre and left to die. All this is 'a quiet summer weekend' in the dockland city of Canton and its Art Deco resort town of Ocean Beach. Chief Inspector Sam Hoskins links the investigation of these crimes, but political chicanery hampers him on both sides: on the left is ambitious young Eve Ricard riding to national fame and fortune on 'women's issues, media bias, and insensitive policing'; to the right is the monstrously corrupt councillor and aged razor-boy Carmel Cooney, with his girls and clubs and rackets ...
