

Carpe Diem Mobile

Roman Krznaric

NBU Carpe Diem Vol. 1 No. 1 March 2024 Issue

Department of Mass Communication, NBU, 2024-03-01

NBU Carpe Diem is an online magazine curated and produced by the students, research scholars and faculty members of the Department of Mass Communication, University of North Bengal, India. The magazine was conceptualized by Dr. Barun Roy PhD, Assistant Professor and Head of the Department as a part of a departmental lab journal through which the students could hone their skills learnt during the course of their study as well as get professional experience in working for a professional magazine. The magazine publishes issues concerning communication studies, art, culture, history, architecture and everything else sans politics that fascinates the young minds of its producers. The University of North Bengal or the Department of Mass Communication, University of North Bengal and the faculty members are not responsible for what is published in this magazine. And all the contributors are SINGULARLY responsible for the opinions and contents they share through this magazine. However, having said that Carpe Diem holds the highest standard in terms of Journalistic professionalism and will strive not to err, but if 'to err is human', Carpe Diem will learn and always strive for excellence. Above all she will strive to reach out to the world and connect, to share, to learn, to celebrate life and ultimately Seize the Day, Carpe Diem!

A1 Presents: Carpe DIEm Vol. 1: I Hate Mondays

W.H. Rauf, 2014-09-10 From the pages of A1 monthly,

a fun, hilariously-twisted adventure in the vein of Chew and Tank Girl! Clowns, mad chefs, living videogame characters, monstrous super-villains and giant kaiju - Carpe DIEm has them all!

Historic Mobile Michael Thomason,2010

Carpe Diem Edna Stewart,2013-12 Carpe Diem is full of romance set in the 1980s and featuring classy southern author Julia Evans and her artful blue collar biker friends at a local hang out called the Red Barn. Curious New York city slicker and publishing tycoon Thomas Bartholomew crosses the path of the beautiful, famed southern author Julia Evans. Thomas, who has been divorced several times, loves his Mercedes and hates his neighbors' free-roaming Pomeranian. Now he's on a mission to get Julia to work for his publishing company. After raising two boys alone-having been divorced from her ex-husband James for several years-experiencing hard times, Julia tires to resist Thomas's calls for love, which sets him on a risky affair to a small town to Onslow County in North Carolina. An event sends Julia over the top, and the advice of her best friend, Millie, sends Julia to become an adventurous gal. Seize the moment

Carpe Diem Roman Krznaric,2017-05-23 Brilliant. One of those rare books that forces you to ask what the hell you're doing with your life. -- George Monbiot, The Guardian **One of Forbes' 13 Best Books for Summer 2017** We've all heard the saying seize the day. But what does it really mean--and how can we use it to jumpstart our lives? In the age of distraction, carpe diem is more essential than ever, and yet many of us simply don't employ it in our lives. In this

thought-provoking and empowering book, cultural writer Roman Krznaric unpacks the history, philosophy, and modern-day applications of seizing the day and delivers a rousing call to action for anyone who wants to improve their lives--or our world. *Carpe Diem* is a far-ranging read, drawing on everything from the neuropsychology of regret to the anthropology of play, from medieval carnival rites to religious conceptions of the afterlife and early Japanese cinema. Offering food for thought as well as inspiring takeaways, the book examines not just the contributions of great thinkers throughout history, but also reveals insights from the lives of great seize-the-day practitioners including nightclub dancers, war photographers, bored housewives, and committed revolutionaries--offering a wide range of solutions to the daunting challenge of leading a meaningful life.

Carpe Diem Roman Krznaric, 2017-05-23 Brilliant. One of those rare books that forces you to ask what the hell you're doing with your life. -- George Monbiot, *The Guardian* **One of Forbes' 13 Best Books for Summer 2017** We've all heard the saying seize the day. But what does it really mean--and how can we use it to jumpstart our lives? In the age of distraction, *carpe diem* is more essential than ever, and yet many of us simply don't employ it in our lives. In this thought-provoking and empowering book, cultural writer Roman Krznaric unpacks the history, philosophy, and modern-day applications of seizing the day and delivers a rousing call to action for anyone who wants to improve their lives--or our

world. *Carpe Diem* is a far-ranging read, drawing on everything from the neuropsychology of regret to the anthropology of play, from medieval carnival rites to religious conceptions of the afterlife and early Japanese cinema. Offering food for thought as well as inspiring takeaways, the book examines not just the contributions of great thinkers throughout history, but also reveals insights from the lives of great seize-the-day practitioners including nightclub dancers, war photographers, bored housewives, and committed revolutionaries--offering a wide range of solutions to the daunting challenge of leading a meaningful life.

Carpe Diem Autumn Cornwell, 2009-05-26 In this delightful romantic adventure, a 16-year-old overachiever learns how to seize the day. I've got my entire life planned out for the next ten years – including my PhD and Pulitzer Prize, claims 16-year-old overachiever Vassar Spore, daughter of overachiever parents, who in true overachiever fashion named her after an elite women's college. Vassar expects her sophomore summer to include AP and AAP (Advanced Advanced Placement) classes. Surprise! Enter a world-traveling relative who sends her plans into a tailspin when she blackmails Vassar's parents into forcing their only child to backpack with her through Southeast Asia. On a journey from Malaysia to Cambodia to the remote jungles of Laos, Vassar sweats, falls in love, hones her outdoor survival skills – and uncovers a family secret that turns her whole world upside-down. Vassar Spore can plan on one thing: she'll never be the same again.

CARPE DIEM Rach & Liz April Mueller, 2014-06-18

Rachel is a well-established business woman who has her head screwed on properly. She is self-sufficient and a highly successful woman. You could say she has a pretty good life and isn't missing much, but when she meets Liz she realizes just how much she is actually missing. This story takes us behind the romance and into the lives of Rach and Liz. My hope is that through this book my writing will give you a sense that life may send you rain, it may even send you storms, but that love can endure and love can triumph.

Carpe Diem Regained Roman Krznaric, 2017-04-06

Existentialism is back Carpe diem – 'seize the day' – is one of the oldest pieces of life advice in Western history. But its true spirit has been hijacked by ad men and self-help gurus, reduced to the instant hit of one-click online shopping, or slogans like 'live in the now'. We need to reclaim it to make sense of our complex, confusing times. The last great expression of carpe diem was in the electrifying existential philosophy of the 1940s. Today it's an idea that challenges us to confront our mortality and live with greater passion and intention rather than scroll mindlessly on our phones or allow freedom to become a mere choice between brands. In Carpe Diem Regained, Roman Krznaric reinvents existentialism for our age of information and choice overload. An essential and empowering work of contemporary philosophy, the book unveils the surprising ways of seizing the day that humankind has discovered over the centuries, ones we urgently need to revive. Carpe diem is the existentialism for our times.

Advancing Higher Education with Mobile Learning Technologies: Cases, Trends, and Inquiry-Based Methods Keengwe, Jared, 2014-07-31 This book examines the implementation and success of mobile digital learning tools, with the inclusion of data on specific learning environments enhanced by ubiquitous educational technologies--Provided by publisher.

Carpe Diem Harry Mount, 2007-11-06 Liber prosperissimus et mirabilis ex Britannia ad Americam tandem advenit! Umquam vexatus es quando homo inritans sine qua non aut mea culpa dicit Aut postmeridiana tempora vetera, quando verba obscura ediscere conatus es, terrunt. Nil desperandum! Linguae Latinae hoc in itinere iucundo, qui omnia ex lectione grammatica ab Monte Pythone ad Angelinae Jolia in pelle notas et omnia optima in historiae litteratae annis duo milliis ex poese et litteris excerpta habet, Henricus Mons pulvem ex libellis odiosis deterget et in linguam maximam in aeternum vitam respirat. The phenomenal bestseller from the U.K. finally arrives in the States! Have you even found yourself irritated when a sine qua non or a mea culpa is thrown into the conversation by a particularly annoying person? Or do distant memories of afternoons spent struggling to learn obscure verbs fill you with dread? Never fear! In this delightful guided tour of Latin, which features everything from a Monty Python grammar lesson to Angelina Jolie's tattoo and all the best snippets of prose and poetry from two thousand years of literary history, Harry Mount wipes the dust off those boring primers and breathes life back into the greatest language of them all.

Merchant Vessels of the United States ,1974

Carpe Diem Redeemed Os Guinness,2019-09-24 You only live once—if then. Life is short, and it can be as easily wasted as lived to the full. In our harried modern world, how do we make the most of the time we have? In these fast and superficial times, Os Guinness calls us to consequential living. As a contrast to both Eastern and secularist views of time, he restructures our very notion of history as linear and purposeful, not as cyclical or meaningless. In the Judeo-Christian tradition, time and history are meaningful, and human beings have agency to live with freedom and consequence in partnership with God. Thus we can seek to serve God's intentions for our generation and discern our call for this moment. Our time on earth has significance. Live rightly, discern the times, and redeem the day.

The Zambia Law Reports ,2011 Vols. for 1972-1973 contain selected judgments of the Court of Appeal for Zambia, and other courts; 1974- of the Supreme Court of Zambia and the High Court of Zambia.

Internet and Mobile Phone Addiction Olatz Lopez-Fernandez,2019-03-07 Internet use-related addiction problems (e.g., Internet addiction, problem mobile phone use, problem gaming, and social networking) have been defined according to the same core element: the addictive

symptomatology presented by individuals who excessively and problematically behave using the technology. Online activity is the most important factor in their lives, causing them the loss of control by stress and difficulties in managing at least one aspect of their daily life, affecting users' wellbeing and health. In 2018, Gaming Disorder was included as a mental disease in the 11th Revision of the International Classification of Diseases by the World Health Organization. In 2013, the American Psychiatric Association requested additional research on Internet Gaming Disorder. The papers contained in this e-Book provide unique and original perspectives on the concept, development, and early detection of the prevention of these health problems. They are diverse in the nature of the problems they deal with, methodologies, populations, cultures, and contain insights and a clear indication of the impact of individual, social, and environmental factors on Internet use-related addiction problems. The e-Book illustrates recent progress in the evolution of research, with great emphasis on gaming and smartphone problems, signaling areas in which research would be useful, even cross-culturally.

Weekend Getaways in Alabama Joan

Broerman, 1996-08-31 NAMED A BEST BOOK BY TRAVEL & LEISURE Like its predecessor, *Weekend Getaways in Louisiana and Mississippi*, Mary Fonseca's new, updated version presents the same wide choices for excursions that are designed for a two-to-three day stay. Covering cities large and small from Houma to Ruston, from Natchitoches to Lake Charles

and in between, it includes Cajun music festivals, historic state capitals, antebellum plantations, swamp tours, outdoor adventures, and much more. Specific entries for lodgings, restaurants, and attractions list addresses, phone numbers, shopping, guide services, major annual events, and traveling instructions. Selected maps also help guide the way to overnight and three-day vacations in one of the Deep South's most interesting states. ABOUT THE AUTHOR Mary Fonseca is a freelance writer who frequently speaks to various clubs, organizations, and travel groups. She has written several cover stories for Louisiana Life, including seven pieces of a series entitled Say 'Yes' to Louisiana, which won first-place honors from the Press Club of New Orleans. Additionally, her writing and features have appeared in Americana, Nation's Business, Traveler, Vista USA, Mississippi, and other leading publications.

E-Marketing in Developed and Developing Countries: Emerging Practices El-Gohary, Hatem, 2013-04-30 While e-marketing has emerged as an aid in allowing businesses to reach a broader audience, evolutions in computer science and technology have made its comprehension a bit more complex. E-Marketing in Developed and Developing Countries: Emerging Practices aims to create a deeper understanding of the policies and practices that are involved in a successful e-marketing environment. This publication highlights the strategies and applications currently being used in both developed and developing countries; proving to be beneficial for entrepreneurs, policy makers, researchers, and students wishing to

expand their comprehensive knowledge in this field.
