**Find Your Path** Carrie Underwood,2020-03-03 Carrie Underwood's instant New York Times bestseller on honoring your body, fueling your soul, and getting strong—a great gift idea for fans of fitness and the megastar country singer. I want to be healthy and fit 52 weeks of the year, but that doesn't mean I have to be perfect every day. This philosophy is a year-round common-sense approach to health and fitness that involves doing your best most of the time—and by that I don't mean being naughty for three days and good for four. I mean doing your absolute best most of the time during every week, 52 weeks of the year.—Carrie Underwood Carrie Underwood believes that fitness is a lifelong journey. She wasn't born with the toned arms and strong legs that fans know her for. Like all of us, she has to work hard every day to look the way that she does! In FIND YOUR PATH she shares her secrets with readers, with the ultimate goal of being the strongest version of themselves, and looking as good as they feel. Carrie's book will share secrets for fitting diet and exercise into a packed routine—she's not only a multi-Platinum singer, she's a businesswoman and busy mom with two young children. Based on her own active lifestyle, diet, and workouts, FIND YOUR PATH is packed with meal plans, recipes, weekly workout programs, and guidelines for keeping a weekly food and workout journal. It also introduces readers to Carrie's signature Fit52 workout, which involves a deck of cards and exercises that can be done at home—and it sets her fans on a path to sustainable health and fitness for life. Fit52 begins with embracing the Pleasure Principle in eating, making healthy swaps in your favorite recipes, and embracing a long view approach to health—so that a cheat a day won't derail you. Throughout the book, Carrie shares her personal journey towards optimal health, from her passion for sports as a kid, to the pressure to look perfect and fit the mold as she launched her career after winning American Idol, to eventually discovering the importance of balance and the meaning of true health. For Carrie, being fit isn't about crash diets or a workout routine that you're going to dread. It's about healthy choices and simple meals that you can put together from the ingredients in your local grocery store, and making the time, every day, to move, to love your body, and to be the best version of yourself.

**Carrie Underwood** Kate Stewart,2021 Carrie Underwood was up on stage at the Kodak Theater in Los Angeles with host Ryan Seacrest and her last competitor, rock singer Bo Bice. She had spent the last 4 months on the breakout hit show, American Idol, a singing competition that guaranteed instant stardom for the winner. The show's judges had crisscrossed the country, stopping in many cities the summer before to listen to regular teenagers and young adults sing their hearts out for a chance on the show. Underwood, a college student from Oklahoma who loved singing and animals, had taken a chance on Idol despite her doubts that she would win or even pass the first audition. So, she arrived in Los Angeles at the beginning of the show ready and willing to work harder in life than she ever had before. The producers had pegged Underwood as the somewhat naïve, down-home country girl, and in a lot of ways, she was just that. She had sung over 20 songs on national television in front of an audience of millions who would call in to vote for her in high numbers. The judges, and many other people across the nation, had predicted that Underwood would win. But was that true? Underwood was not one to be boastful or overconfident. She gripped her microphone tight and took several deep breaths as Seacrest opened the envelope and dramatically said, And the winner of the 2005 season of American Idol is ... Carrie Underwood! The audience at the theater roared and stood up to clap for her. Underwood covered her face with both hands, and she began to cry as the confetti streamed down around her. Underwood had just won a million dollars, a recording contract, and a new Ford Mustang. Her life had already changed since her journey on American Idol, but now she had been launched into a whole different world. That summer, she went on a tour with other Idol contestants, filmed commercials, and began working on her first record that would be released in the fall, titled Some Hearts. She described the immediate onslaught from the press and the pace of her new life after she won as, Bam, bam, bam. Welcome to your life.--
