Kallypso Masters

Too Many Carrots Katy Hudson, 2016-01-01 Rabbit refuses to give up his carrots, which leads to disaster after disaster. -- Publisher description.

Nobody's Dream (Rescue Me Saga #6) Kallypso Masters, 2015-03-31 One broken heart. One battered soul. No one said life would be fair or easy. Quiet, Peruvian-born artist Cassie Lopez learned this the hard way. Betrayed by the man she planned to marry, she shut herself off as far away from all but her closest friend from college... Until the night Luke Denton came crashing into her Colorado mountain sanctuary with a vengeance. Confused by her heart's response to this kind and gentle man, Cassie pushes herself to help the cowboy recover quickly so she can send him on his way. But Luke's patience and understanding threaten to break down the very defenses she needs to survive in this world after he's gone. Search-and-Rescue worker Luke, who lost his wife and unborn child in a tragic accident, also knows firsthand of the unfairness of life. He keeps his own nightmares at bay by focusing on his rescue activities, most recently adopting and working with abused and neglected horses. Can two wounded people find trust and love together? Do nightmares end where dreams come true? SPECIAL NOTE: This book contains a number of chapters that focus on the continuing journey of Adam and Karla Montague. Rather than publish it as a separate short novel, Kallypso Masters chose to incorporate them into Luke and Cassie's story. But it's a bonus for readers who get an enormous book—for a much longer Rescue Me Saga visit with

some of the couples you love!

So have I." Fans of these books will love reconnecting with Adam and Karla in the latest installment of the Rescue Me Saga Extras series. You'll also catch up with other favorite characters in Forever Bound as they all continue their Happily-Ever-After journeys. Karla and Savannah ask their Doms for stress relief from career and parenting duties—but their Doms will turn their plans on end. Laria's Shadows, Book 2 of the Laria Saga (Hardcover) Daniel Hellmund, *My Cancer Survival Saga* Jen Kimberley, 2016-10-18 Author Jen Kimberley was building a life for herself in Denver, Colorado after the death of her husband from lung cancer when she was accidentally diagnosed with leukemia. In *My Cancer Survival Saga*, she shares her personal story. Her narrative covers mistakes she made, things she learned the hard way, and people who helped her. It describes her first encounters with alternative cancer treatments such as IPT and hyperthermia; her changes in diet and lifestyle that removed toxins and increased oxygen levels; and the weight loss and weakness known as cachexia and coming out of it alive and strong despite conventional predictions. In sidebars, she offers helpful and educational information for readers who want to know more about treatment options other than chemotherapy, radiation, and surgery; and she teaches how best to work towards a cure rather than just remission. Along with one of Jen's entertaining poems, *My Cancer Survival Saga* also offers five sections on energy work to start clearing, validating, and protecting your own space. These include specific tools anyone can learn to use that remove stress and increase personal confidence.

A Job to Do John Gordon, 2014-10-01 What was it really like for the soldiers of 2 New Zealand Division in World War Two? How did they spend their time and how did they see their lives as servicemen, from training at home and sailing off to war, to setting up camp, relaxing off -duty, fighting in hostile environments and possibly being taken prisoner? This anthology is a personal selection of material describing the experiences of these men, almost all written from within its ranks. Colloquially known to its members as 'The Div', it was by far the major part of New Zealand's Second Expeditionary Force, making it our main contribution to the war. Naturally it had a distinctly New Zealand character, and despite being caught in several difficult situations in its early years – and not necessarily of its own doing – it gained an international reputation for courage, reliability and achievement. In this book John Gordon presents a lively and illuminating selection of the published words of members of 'The Div' or those with close associations. The chosen extracts are drawn from memoirs, fiction, verse, news reports and magazine articles penned by soldiers of all ranks. The result is a compilation of the written views and experiences of over 80

insiders, creating an intimate glimpse of life and war within 'The Div', supported by a host of photographs and cartoons from the period. From the declaration of war to the return home, this is a sample of the experiences of well over 100,000 New Zealand men who served in the division: how they coped with discipline and disaster, sacrifice and success. They write with the same frankness, humour, wry cynicism and understatement that they used to cope with the challenges of their war.
