And you surely have thought of making such cartoons yourself. The imagination of bringing lifeless characters to life is fascinating, and so is the idea of creating worlds you can only explore in your dreams. Producing all this, however, may seem like an impossible task. You can tell that you will need to make huge investments just to get started. Fortunately, this is not the case anymore. Advancements in technology have made the process of making cartoons easy. A computer and some special softwares are all you need to get your feet in the industry. In this book, I will show you how you can make cartoons without breaking the bank. You will find tips on creating characters, promotion, recording voices, and more. I'm sure you will like the book. Enjoy the reading.
