

Casablanca

The Editors of LIFE

Casablanca: Behind the Scenes Harlan Lebo,1992-10 Interviews, behind-the-scenes details, photographs, correspondences, and notes provide an overview of the production of the motion picture Casablanca. Includes cast list, credits, and reviews.

Casablanca and Other Stories Edgar Brau,2020-08-20 Edgar Brau, one of the most exciting South American writers to emerge in the past twenty years, debuts his first English-language collection with the publication of Casablanca and Other Stories. The fiction of Edgar Brau draws not only upon the rich literary heritage of his native Argentina but also upon the body of work that has now rightly been formed into a South American canon, embracing those such as Jorge Luis Borges, Gabriel García Marquez, and Isabelle Allende. He brings a unique perspective to his narratives—narratives forged in the political and social upheaval that has been modern South America. Employing a fantasy-like aspect that goes beyond magical realism, his work is reminiscent of Edgar Allan Poe in his use of atmosphere as an additional character. These short stories signal a new era, much as the publication of Jorge Luis Borges' Labyrinths in 1962 heralded a coming-of-age for his generation. Translated by Donald A. Yates, Andrea Labinger, and Joanne M. Yates, this collection includes stories from two of Edgar Brau's collections—El poema y otras historias and Tres cuentos—to bring to a fresh audience the very best new work of a major Argentinean author.

Destination Casablanca Meredith Hindley,2017-10-10 This rollicking and panoramic history of Casablanca during the Second World War sheds light on the city as a key hub for European and American powers, and a place where spies, soldiers, and political agents exchanged secrets and vied for control. In November 1942, as a part of Operation Torch, 33,000 American soldiers sailed undetected across the Atlantic and stormed the beaches of French Morocco. Seventy-four hours later, the Americans controlled the country and one of the most valuable wartime ports: Casablanca. In the years preceding, Casablanca had evolved from an exotic travel destination to a key military target after France's surrender to Germany. Jewish refugees from Europe poured in, hoping to obtain visas and passage to the United States and beyond. Nazi agents and collaborators infiltrated the city in search of power and loyalty. The resistance was not far behind, as shopkeepers, celebrities, former French Foreign Legionnaires, and disgruntled bureaucrats formed a network of Allied spies. But once in American hands, Casablanca became a crucial logistical hub in the fight against Germany -- and the site of Roosevelt and Churchill's demand for unconditional surrender. Rife with rogue soldiers, power grabs, and diplomatic intrigue, Destination Casablanca is the riveting and untold story of this glamorous city--memorialized in the classic film that was rush-released in 1942 to capitalize on the drama that was unfolding in North Africa at the heart of World War II.

We'll Always Have Casablanca: The Legend and Afterlife of Hollywood's Most Beloved Film Noah Isenberg,2017-02-14 A Los Angeles Times bestseller A New York Times Book Review "Editor's Choice" Selection "Even the die-hardest Casablanca fan will find in this delightful book new ways to love the movie they were certain they could never love more." —Sam Wasson, best-selling author of Fifth Avenue, 5 A.M. Casablanca is "not one movie," Umberto Eco once quipped; "it is 'movies.'" Film historian Noah Isenberg's We'll Always Have Casablanca offers a rich account of the film's origins, the myths and realities behind its production, and the reasons it remains so revered today, over seventy-five years after its premiere.

We'll Always Have Casablanca: The Legend and Afterlife of Hollywood's Most Beloved Film Noah Isenberg,2017-02-14 A Los Angeles Times bestseller A New York Times Book Review "Editor's Choice" Selection "Even the die-hardest Casablanca fan will find in this delightful book new ways to love the movie they were certain they could never love more." —Sam Wasson, best-selling author of Fifth Avenue, 5 A.M. LIFE Casablanca The Editors of LIFE,2018-02-02 This beautiful LIFE Special Edition, commemorating the 75th anniversary of Casablanca, is filled with timeless photos of Humphrey Bogart, Ingrid Bergman, Claude Rains, Dooley Wilson, and other stars of the iconic wartime romance. Go on set and behind the scenes with these memorable images and with compelling, insightful text. Learn about the making of the film that changed the industry, and discover the stories of the actors and creators of the movie—many of whom were refugees from Hitler's oppression, lending authenticity to the film. By delving into enduring moments and lines like Play it, Sam and We'll always have Paris and As Time Goes By and Here's looking at you, kid, LIFE: Casablanca provides an intimate and inspiring look at one of Hollywood's greatest achievements. Plus: a special look at Casablanca's cultural impact today.

Casablanca Blues Tahir Shah,2013-12-19 Blaine Williams has been obsessed by Casablanca since childhood. Now, in the grip of a mid-life crisis, he goes to the one place that's always provided hope - CASABLANCA. Descending down through interwoven layers of mystery and intrigue, he finds a city awash with characters right out of Casablanca itself.

Casablanca Marc Augé,2009 Marc Augé was eleven or twelve years old when he first saw Casablanca. Made in 1942 but not released in France until 1947, the film had a profound effect on him. Like cinephiles everywhere, Augé was instantly drawn to Rick Blaine's mysterious past, his friendship with Sam and Captain Renault, and Ilsa's stirring, seductive beauty. The film—with its recurring scenes of waiting, menace, and flight—occupies a significant place in Augé's own memory of his uprooted childhood and the wartime exploits of his family. Marc Augé's elegant and thoughtful essay on film and the nature of both personal and collective memory contends that some of our most haunting memories are deeply embedded in the cinema. His own recollections of the hurried, often chaotic embarkations of his childhood, he writes, are become intertwined with scenes from Casablanca that have become bigger in his memory through repeated viewings in the movie houses of Paris's Latin Quarter. Seamlessly weaving together film criticism and memoir, Casablanca moves between Augé's insights into the filmgoing experience and his reflections on his own life, the collective trauma of France's wartime history, and how such events as the fall of Paris, the exodus of refugees, and the Occupation—all depicted in the film—were lived and are remembered.

Casablanca Jean-Louis Cohen,Monique Eleb,2002 Casablanca is a city of international renown, not least because of its urban structures and features. Celebrated by colonial writers, filmed by Hollywood, magnet for Europeans and Moroccans, Casablanca is above all an exceptional collection of urban spaces, houses, and gardens.

While it is true that Casablanca developed as a port city well before the introduction of the French in 1907, it unquestionably ranks among the most significant urban creations of the twentieth century, attracting remarkable teams of architects and planners. Their commissions came from clients who were interested in innovation and modernization, thereby fostering the emergence of Casablanca as a laboratory for legislative, technological, and visual experimentation. Having studied the city for ten years, Jean-Louis Cohen and Monique Eleb trace, from the late nineteenth century to the early 1960s, the rebirth of a once-forgotten port and its metamorphosis into a teeming metropolis that is an amalgam of Mediterranean culture from Tunisia, Algeria, Spain, and Italy. The extensive presentation of the significant buildings of this hybrid city -- where, alongside the French, Muslim and Jewish Moroccan patrons commissioned provocative buildings -- is drawn from French and Moroccan archives, including hundreds of previously unpublished photographs. Cohen and Eleb focus as much on Casablanca's diverse social fabric as its urban spaces, chronicling the clients, inhabitants, and inventive architects who comprise the human component of an essential yet overlooked episode of modernism.

Casablanca Story In Koli Jean Bofane, 2022-05-03 One morning the beautiful Ichrak is found murdered in a street in Casablanca. All the men feared her as much as they desired her In a city buffeted by the Chergui, a violent wind emanating from the Sahara, the investigation becomes a prism through which a group portrait of a working-class district emerges. In *Casablanca Story*, In Koli Jean Bofane trains his razor-sharp observations of a bitter reality and his mordant humor on corruption among the powerful, shady property deals, and the vulnerable situation of migrants and male sexual desire, and he succeeds in transforming a desperate contemporary reality into engrossing and entertaining fiction. Following on from *Congo Inc.*, In Koli Jean Bofane shifts his geographical focus to outline a vision that encompasses both north and sub-Saharan Africans: Africa is moving forward and is the equal of the other continents or, to put it another way, Africa is no better than they are.

Return to Casablanca André Levy, 2015-11-04 In this book, Israeli anthropologist André Levy returns to his birthplace in Casablanca to provide a deeply nuanced and compelling study of the relationships between Moroccan Jews and Muslims there. Ranging over a century of history—from the Jewish Enlightenment and the impending colonialism of the late nineteenth century to today's modern Arab state—Levy paints a rich portrait of two communities pressed together, of the tremendous mobility that has characterized the past century, and of the paradoxes that complicate the cultural identities of the present. Levy visits a host of sites and historical figures to assemble a compelling history of social change, while seamlessly interweaving his study with personal accounts of his returns to his homeland. Central to this story is the massive migration of Jews out of Morocco. Levy traces the institutional and social changes such migrations cause for those who choose to stay, introducing the concept of “contraction” to depict the way Jews deal with the ramifications of their demographic dwindling. Turning his attention outward from Morocco, he goes on to explore the greater complexities of the Jewish diaspora and the essential paradox at the heart of his adventure—leaving Israel to return home.

Round Up the Usual Suspects Aljean Harmetz, 1992 In late 1941, a play called *Everybody Comes to Rick's* went from being a standard World War II romantic suspense film to an exceptional movie, earning Oscars for Best Picture, Best Director, and Best Screenplay. Harmetz has written the inside story of the making of *Casablanca*.

Picturing Casablanca Susan Ossman, 1994-12-14 In *Picturing Casablanca*, Susan Ossman probes the shape and texture of mass images in Casablanca, from posters, films, and videotapes to elections, staged political spectacles, and changing rituals. In a fluid style that blends ethnographic narrative, cultural reportage, and the author's firsthand experiences, Ossman sketches a radically new vision of Casablanca as a place where social practices, traditions, and structures of power are in flux. Ossman guides the reader through the labyrinthine byways of the city, where state bureaucracy and state power, the media and its portrayal of the outside world, and people's everyday lives are all on view. She demonstrates how images not only reflect but inform and alter daily experience. In the Arab League Park, teenagers use fashion and flirting to attract potential mates, defying traditional rules of conduct. Wedding ceremonies are transformed by the ubiquitous video camera, which becomes the event's most important spectator. Political leaders are molded by the state's adept manipulation of visual media. From Madonna videos and the TV's transformation of social time, to changing gender roles and new ways of producing and disseminating information, the Morocco that Ossman reveals is a telling commentary on the consequences of colonial planning, the influence of modern media, and the rituals of power and representation enacted by the state.

Casablanca Michael Moorcock, 1989

The Casablanca Man Dr James C Robertson, James Robertson, 2013-09-13 Michael Curtiz (1888-1962) was without doubt one of the most important directors in film history, yet he has never been granted his deserved recognition and no full-scale work on him has previously been published. *The Casablanca Man* surveys Curtiz' unequalled mastery over a variety of genres which included biography, comedy, horror, melodrama, musicals, swashbucklers and westerns, and looks at his relationship with the Hollywood studio moguls on the basis of unprecedented archive research at Warner Brothers. Concentrating on Curtiz' best-known films - *Casablanca*, *Angels With Dirty Faces*, *Mildred Pearce* and *Captain Blood* among them - Robertson explores Curtiz' practical creative struggles and his friendships and rivalries with other film celebrities including Errol Flynn, Bette Davis and James Cagney, and his discovery of future stars. *Casablanca Man* is the first comprehensive critical exploration of Curtiz' entire career and, linking his European work and his subsequent American work into a coherent whole, Robertson firmly re-establishes Curtiz' true standing in the history of cinema.

The Casablanca Companion Richard E. Osborne, 1997 The classic movie *Casablanca* is a WW II story, made during WW II for WW II audiences and is loaded with very accurate WW II history which is fully explained in this book. You will learn the actual calendar days of the events in Casablanca and Paris - why Rick couldn't return to America - why there were Germans in Casablanca - and whether or not there was an actual document known as a letter of transit. You will learn such things as how Rick ran guns to Ethiopia - what he did while he was fighting for the loyalist in Spain - and what mysterious activities he was up to in Paris. The reader is also informed as to why it was difficult for refugees to get out of Casablanca - why they wanted to go to Lisbon - who the devil was in Bulgaria that the Bulgarian woman spoke of - what were the Bulgarian couple's chances of reaching America - the significance of Ilsa and Berger being Norwegians - and the differences between the Vichy French and the Free French... and more. This book fully explains words and phrases used in the movie such as Vichy - Clipper to America - the Angriff - Brazzaville - second front - French 75. Explained, too, are several historical errors in the movie, acting and photography glitches and bits of the Warner Brothers' political philosophy worked into the movie. The final chapters of the book detail the experiences of the various participants in wartime Hollywood and wartime problems in

making the movie.

As Time Goes by Michael Walsh,1998 The most famous ending in the history of the movies was just the beginning... Did Ilsa Lund and Victor Laszlo make it to America? What happened to Rick Blaine and Louis? Will Sam ever play it again? Are Rick and Ilsa reunited? What secret prevents Rick from returning to America? How did Rick meet Sam? How did Ilsa get involved with Victor? From speak-easies and jazz clubs of Prohibition New York to wartime London and Prague, AS TIME GOES BY takes us on a daring journey of adventure, courage and romance. And of course, there will always be Paris. This is NOT a sequel - there never was a novel of Casablanca nor a novelization of the original film script. It's more than the same old story, but still a fight for love and glory, on that you can rely.

Casablanca Frank Miller,1992 The whole story of the production of Casablanca.

Immortal Films Barbara Klinger,2022-11-15 Casablanca is one of the most celebrated Hollywood films of all time, its iconic romance enshrined in collective memory across generations. Drawing from archival materials, industry trade journals, and cultural commentary, Barbara Klinger explores the history of Casablanca's circulation in the United States from the early 1940s to the present by examining its exhibition via radio, repertory houses, television, and video. By resituating the film in the dynamically changing industrial, technological, and cultural circumstances that have defined its journey over eight decades, Klinger challenges our understanding of its meaning and reputation as both a Hollywood classic and a cult film. Through this single-film survey, Immortal Films proposes a new approach to the study of film history and aesthetics and, more broadly, to cinema itself as a medium in constant interface with other media as a necessary condition of its own public existence and endurance.

Casablanca and Other Stories Edgar Brau,2006-08-15 Edgar Brau, one of the most exciting South American writers to emerge in the past twenty years, debuts his first English-language collection with the publication of Casablanca and Other Stories. The fiction of Edgar Brau draws not only upon the rich literary heritage of his native Argentina but also upon the body of work that has now rightly been formed into a South American canon, embracing those such as Jorge Luis Borges, Gabriel García Marquez, and Isabelle Allende. He brings a unique perspective to his narratives—narratives forged in the political and social upheaval that has been modern South America. Employing a fantasy-like aspect that goes beyond magical realism, his work is reminiscent of Edgar Allan Poe in his use of atmosphere as an additional character. These short stories signal a new era, much as the publication of Jorge Luis Borges' Labyrinths in 1962 heralded a coming-of-age for his generation. Translated by Donald A. Yates, Andrea Labinger, and Joanne M. Yates, this collection includes stories from two of Edgar Brau's collections—El poema y otras historias and Tres cuentos—to bring to a fresh audience the very best new work of a major Argentinean author.

Casablanca Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Casablanca PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Casablanca PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Casablanca free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Casablanca Books

1. Where can I buy Casablanca books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Casablanca book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Casablanca books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Casablanca audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like

Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Casablanca books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
