925 Æmilius,2015-02-06 Delve deep into the minds of a CIA agent avenging the death of his MI6 partner, the serial killer that did it, and the serial killer's son, who's out to make a killing of his own to

set his father up for failure. Highly suspenseful and thrilling, 9•2•5 resonates as an at times psychotic tale of revenge. Gregory Belittled breaks from his nine-to-five life by making a fortune coming up with an anti-skimming mechanism for the Bank of Las Vegas and uses it to buy everything he needs to take his father down. A new writing style no one has used before? Try this book. It may not stand out at first, but when the book progresses through its chapters, you'll notice things are slightly different. The use of different tenses to slow the story down or speed it up. The perspective changing mid-section to someone else that suddenly drives the action. It can all be done and it has all been done -- now!

The Outside Groove Erik E. Esckilsen, 2006 Casey LaPlante wanted nothing to do with racecar driving. What was so impressive about making a bunch of left turns, one after another? But from what she had seen as the sister of Fliverton's newest stock-car hero, Wade the Blade" LaPlante, her whole town was interested in little else. Next to her brother, she felt invisible. Even her parents seemed to ignore her athletic victories and academic successes. With so much of her family's income being

poured into Wade's racing career, she wasn't even sure her parents would help pay her college tuition. So one late-April evening, Casey decides to get behind the wheel and claim a little of the attention she had been denied. After all, how hard could racecar driving be? But as the first female driver at Demon's Run racetrack, she finds getting up to speed more challenging than she'd expected. Casey soon discovers there's more to stock-car racing than driving around in circles, and more to winning than being first to cross the finish line. Action and suspense run high as Casey navigates some tight corners, on and off the track, showing everyone--especially herself--just what she's made of.

Casey Ryan B. Bower, 2016-08-25 Casey Ryan, known as the most reckless stage driver ever to carry the mail, was bitten by the speed bug and deserted his stage coach for a Ford; but not even a Ford could stand Casey's handling and he eventually found himself bereft of machine, job, and bankroll.

The Struggle Is Everything Casey Hennessy,2006-12-01 When Darci and Walter Colten and their ten-year-old son, David, moved to their new home, they expected adjustments but becoming guardians for a troubled child was not one of them. As the ugly circumstances behind Randy's behavior came to light, it was a test of Herculean wills, strategy and finely tuned manipulation to save Randy's life. Walter Colten's unusual team pieced together the boy's escape. The long shot paid off but it was only a temporary fix. Ultimately, a little nun with the heart of a lion stood between Randy and his past as it raged forward to consume him. Only one of the combatants survived. Only her indomitable will, allowed Randy to become a member of the Colten family. The vast differences in the boys' personalities lead them in different directions. Randy, having been the victim of the legal system, went into law with a vengeance. David's years of hockey, hockey, and more hockey paid off with an NHL contract. But ultimately, their futures again became entwined as they realized that David had the

makings of a brilliant politician and Randy, his brilliant strategist. Together, they set their sights on the governor's house. The brothers' philosophy was to represent the people, but their father strongly warned of the dangers of fighting the powers that be. The brash young men summarily dismissed these warnings. However, as their struggling campaign gathered the momentum of a freight train, the ugly predictions were coming true. The stakes were too high to let the brothers take control. It became more and more apparent that something had to be done about the Colts. In the final minutes, would anyone hear Randy's prayer?

Killing Time Roberta Parry, 2016-01-19 Regina Kendall finds her privileged Boston life superficial and empty. She hankers back to the time spent in Harden, Arizona where her anthropologist father took his family to study the Hopi Indians.

Casey Stengel Marty Appel, 2017-03-28 The definitive biography of one of baseball's most enduring and influential characters, from New York Times bestselling author and baseball writer Marty Appel. As a player, Charles Dillon Casey Stengel's contemporaries included Babe Ruth, Honus

Wagner, and Christy Mathewson . . . and he was the only person in history to wear the uniforms of all four New York teams: the Dodgers, Giants, Yankees, and Mets. As a legendary manager, he formed indelible, complicated relationships with Yogi Berra, Joe DiMaggio, Mickey Mantle, and Billy Martin. For more than five glorious decades, Stengel was the undisputed, quirky, hilarious, and beloved face of baseball--and along the way he revolutionized the role of manager while winning a spectacular ten pennants and seven World Series Championships. But for a man who spent so much of his life in the limelight--an astounding fifty-five years in professional baseball--Stengel remains an enigma. Acclaimed New York Yankees' historian and bestselling author Marty Appel digs into Casey Stengel's quirks and foibles, unearthing a tremendous trove of baseball stories, perspective, and history. Weaving in never-before-published family documents, Appel creates an intimate portrait of a private man who was elected into the Baseball Hall of Fame in 1966 and named Baseball's Greatest Character by MLB Network's Prime 9. Casey Stengel is a biography that will be treasured by fans of our national pastime.
