But new players often come to the poker rooms completely unprepared to play a winning game. In Get the Edge at Low-Limit Texas Hold'em, you will learn: -- The basics of proper play; the rules; the protocols -- What starting hands to play -- and what starting hands to throw away -- The concept of table position, and how that affects what hands to play -- The proper times to check, raise, fold, and check-raise. -- When to bluff and to semi-bluff -- How to win in Low-Limit Hold'em tournaments -- The proper bankroll requirements for the type of games you play in -- How to size up your opponents and their playing styles -- The most common mistakes made by novice or unskilled players. -- How to read your opponents' tells to gain the advantage. -- Money-management techniques to handle your bankroll. Casino Poker Victor H. Royer,2017-08-14 Cash is King - and with this book, you too can haul in the Cash, and laugh all the way to the Bank!In Poker - and Texas Hold'em especially - knowing how and when to play some of the best hands is a key requirement. Because - while they may be statistically the best hands - they don't always win. And that's because Poker is much more than just cards! It's People!A battle of wits, of knowledge, of experience, skills, observation, and just plain old Chutzpa!But there's a lot more to this game than just this. Especially for Texas Hold'em. While the game looks simple - and is relatively easy to learn - it's apparent simplicity belies a true complexity of decisions and outcomes. And just knowing the Odds is not enough.Math alone will not help you to Win. It's a useful tool, of course, but Odds, Implied Odds, Pot Odds, and so on, are just a part of the overall arsenal that a good and successful poker player must have.In the end - Poker is a game of people - and that means that a hunch, or an observation, or a tell are just as important - if not more so - than knowing the math behind the game and all it's Odds.In this book, you'll find the tools and skills you need to make you a Winner! And that's great for any game! And for your bankroll!
