Get the Edge at Low-Limit Texas Hold'em Bill Burton,2004-03 Low-Limit Texas Hold'em is the fastest-growing casino poker game. But new players often come to the poker rooms completely unprepared to play a winning game. Even so-called veteran players are often long-term losers at the game because they have never taken the time to study how to play or analyze their own individual games. As author Bill Burton clearly shows in Get the Edge at Low-Limit Texas Hold'em, a savvy low-limit player can turn a profit at this game by exploiting the weaknesses of his or her opponents, and developing his or her own strengths. In Get the Edge at Low-Limit Texas Hold'em, you will learn: -- The basics of proper play; the rules; the protocols -- What starting hands to play -- and what starting hands to throw away -- The concept of table position, and how that affects what hands to play -- The proper times to check, raise, fold, and check-raise. -- When to bluff and to semi-bluff -- How to win in Low-Limit Hold'em tournaments -- The proper bankroll requirements for the type of games you play in -- How to size up your opponents and their playing styles -- The most common mistakes made by novice or unskilled players. -- How to read your opponents' tells to gain the advantage. -- Money-management techniques to handle your bankroll. In addition, Bill Burton explains his own fascinating journey from the kitchen to the cardroom and how, in just a few short months of intensive study and practice, he became a winning player.

Playing in a casino: Do's and don'ts Improving your play with Internet and video poker Deciphering poker sayings and slang Ten ways to read your opponent's body language Playing in poker tournaments Money management and recordkeeping Knowing when and how to bluff Poker looks like such a simple game. You can succeed in poker the way you succeed in life: by facing it squarely, getting up earlier than the next person, and working harder and smarter than the competition. Treat Your Poker Like a Business, 2009-12 Poker star Dusty Schmidt presents his first book [— one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. Treat Your Poker Like A Business provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate grinder, Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [—Raise: The Impossibly True Tale of Dusty Schmidt, [—? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.
