

# Cassino Nisei

Edwin P. Hoyt

*Nisei in Uniform* United States. War Relocation Authority,1944 Nisei (second generation) is a Japanese language term used in countries in North America and South America to specify the ethnically Japanese children born in the new country to Japanese-born immigrants (who are called Issei). The Nisei are considered the second generation, and the grandchildren of the Japanese-born immigrants are called Sansei, or third generation.

*Go for Broke* C. Douglas Sterner,2007 During World War II, Japanese Americans were forcefully placed in relocation camps. Despite that, these Nisei (first generation Japanese born outside of Japan) warriors explain why they were eager to defend their American homeland, and how they became the most decorated fighting unit ever assembled in U.S. military history.

**The Battles for Monte Cassino** Jeffrey Plowman,Perry Rowe,2022-09-21 The Battles for Monte Cassino encompassed one of the few truly international conflicts of the Second World War. A strategic town on the road to Rome, the fighting lasted four months and cost the lives of more than 14,000 men from eight nations. Between January and May 1944, forces from Britain, Canada, France, India, New Zealand, Poland and the United States, fought a resolute German army in a series of battles in which the advantage swung back and forth, from one side to the other. From fire-fights in the mountains to tank attacks in the valley; from river crossings to street fighting, the four battles of Cassino encompass a series of individual operations unique in the history of the Second World War.

*Combat Chaplain* Israel A. S. Yost,2006-07-31 In October 1943, twenty-seven-year-old combat infantry chaplain Israel Yost arrived in Italy with the 100th Battalion, a little-known National Guard unit of mostly Japanese Americans from Hawai'i. Yost was apprehensive when he learned of his assignment to this unusual unit composed of soldiers with whom he felt he had little in common and who were mostly Buddhists. But this would soon change. For the next nineteen months at the front—from Salerno to Monte Cassino to Anzio to Bruyeres—Yost assisted medics, retrieved bodies from the battlefield, buried enemy soldiers, struggled to bolster morale as the number of casualties rose higher and higher, and wrote countless letters of condolence, all in addition to fulfilling his ministerial duties, which included preaching in the foxholes. Although his sermons won few converts, Yost's tireless energy and concern for others earned him admiration from his fellow soldiers, who often turned to him as a trusted friend and spiritual advisor. Forty years after the war had ended, with the help of his field diaries and the letters he had written almost daily to his wife, Yost wrote of his wartime

experiences in the hopes that they might one day be published as a record of the remarkable character and accomplishments of the 100th. Combat Chaplain presents this heartfelt memoir intact. with the addition of photographs and subsequent letters and speeches by Yost and other veterans.

**Fifth Army in Italy, 1943–1945** Ian Blackwell, 2014-01-19 A history of the Allied coalition in Italy during World War II. The US Fifth Army first saw action during the Salerno Landings in September 1943. While commanded by US Lieutenant General Mark Clark, from the outset one of its two Corps was the X (British) Corps; the other V1 (US) Corps. The multi-national composition of Fifth Army is demonstrated by the French Expeditionary Corps, the Brazilian Expeditionary Force, the South African Armoured Division, the Italian Co-Belligerent forces, formations from the New Zealand Corps and the 4th Indian Division. Clark's Fifth Army was itself part of the Fifteenth Army Group, commanded by Field Marshal Alexander. Alexander's light and diplomatic touch oiled the wheels of this uneasy arrangement but inevitably there were tensions and disagreements that threatened success. The low priority accorded to Italy as compared with OVERLORD and NW Europe did not help matters. Seen as a backwater, crack units were taken away and insufficient resources allocated to the Italian Campaign. This combined with the tenacity of the Germans, the difficult terrain and the harsh climate caused real problems. Allied morale was at times particularly brittle and desertion rates worryingly high. This superbly researched book objectively examines the performance of Fifth Army against this complex and troublesome backdrop. The author's findings make for authoritative and fascinating reading and give food for thought about multinational cooperation in more recent conflicts.

**US Infantryman in World War II (2)** Robert S Rush, 2012-07-20 Between November 1942 and May 1945, US Army infantry units fought in eight named campaigns in the Mediterranean Theater. This title follows one soldier from enlistment in 1942, through training in a Replacement Training Center, assignment to the 1st Battalion 133d Regiment, 34th Infantry Division (Red Bull), and into combat. Among the battles covered are Fondouk Pass, Hill 609, Salerno, Monte Cassino, Anzio and the fighting in the Po Valley. A key focus is on the Heavy Weapons Company, which consisted of two machine gun platoons and one mortar platoon. The training and combat roles of the machine gunner's Military Occupational Specialty are discussed in detail.

Nisei linguists: Japanese Americans in the Military Intelligence Service During World War II (Paperbound) ,

*Japanese Eyes American Hearts* Hawaii Nikkei History Editorial Board, 1998-01-01 Japanese Eyes... American Heart is a rare and powerful

collection of personal thoughts written by the soldiers themselves, reflections of the men's thoughts as recorded in diaries and letters sent home to family members and friends, and other expressions about an episode that marked a turning point in the lives of many.

*Statutes of California and Digests of Measures California, 2008*

Japanese American History Brian Niiya, Japanese American National Museum (Los Angeles, Calif.), 1993 Produced under the auspices of the Japanese American National Museum in Los Angeles, this comprehensive reference culls information from primary sources--Japanese-language texts and documents, oral histories, and other previously neglected or obscured materials--to document the history and nature of the Japanese American experience as told by the people who lived it. The volume is divided into three major sections: a chronology with some 800 entries; a 400-entry encyclopedia covering people, events, groups, and cultural terms; and an annotated bibliography of major works on Japanese Americans. Includes about 80 bandw illustrations and photographs. Annotation copyright by Book News, Inc., Portland, OR

**World War II in Europe** David T. Zabecki, 2015-05-01 First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Bolt Action: Campaign: Italy: Tough Gut Warlord Games, 2023-08-17 A new supplement for Bolt Action focusing on the later Italian Campaign, following on from Soft Underbelly, adding new units, scenarios, and special rules. In Italy, the fight continues! As the Allies push north up the Italian Peninsula, they have encountered heavy resistance from the Axis and their multitude of fortified and defensive lines, slowing the allied advance to a crawl. The 'soft underbelly' of Europe proved to be false, instead it was a 'tough gut'. This supplement for Bolt Action, and the counterpart to Soft Underbelly, focuses on the battles ranging from the Gustav Line in 1944 all the way to those of the Gothic Line in 1945, with the breakouts at Anzio and Monte Cassino of particular focus. Containing a host of scenarios to refight these famous battles, along with new units, special rules, and Theatre Selectors, this book contains everything players need to bring an end to the war and liberate Italy.

**Going for Broke** James M. McCaffrey, 2013-04-30 When Japanese forces attacked Pearl Harbor on December 7, 1941, Americans reacted with revulsion and horror. In the patriotic war fever that followed, thousands of volunteers—including Japanese Americans—rushed to military recruitment centers. Except for those in the Hawaii National Guard, who made up the 100th Infantry Battalion, the U.S. Army initially turned Japanese American prospects away. Then, as a result of anti-Japanese fearmongering on the West Coast, more than 100,000 Americans of Japanese descent were sent to

confinement in inland “relocation centers.” Most were natural-born citizens, their only “crime” their ethnicity. After the army eventually decided it would admit the second-generation Japanese American (Nisei) volunteers, it complemented the 100th Infantry Battalion by creating the 442nd Regimental Combat Team. This mostly Japanese American unit consisted of soldiers drafted before Pearl Harbor, volunteers from Hawaii, and even recruits from the relocation centers. In *Going for Broke*, historian James M. McCaffrey traces these men’s experiences in World War II, from training to some of the deadliest combat in Europe. Weaving together the voices of numerous soldiers, McCaffrey tells of the men’s frustrations and achievements on the U.S. mainland and abroad. Training in Mississippi, the recruits from Hawaii and the mainland have their first encounter with southern-style black-white segregation. Once in action, they helped push the Germans out of Italy and France. The 442nd would go on to become one of the most highly decorated units in the U.S. Army. McCaffrey’s account makes clear that like other American soldiers in World War II, the Nisei relied on their personal determination, social values, and training to “go for broke”—to bet everything, even their lives. Ultimately, their bravery and patriotism in the face of prejudice advanced racial harmony and opportunities for Japanese Americans after the war.

**The GI's War** Edwin P. Hoyt, 2000-08-08 *The GI's War* contains eyewitness accounts from ordinary young men, farm hands and factory workers, who had war thrust upon them and in the process became veteran soldiers. Their unsparing narratives, presented in their own words, capture the many emotions evoked by war. GIs and their commanding officers speak freely, and movingly, of becoming soldiers, of enduring the ordeals of the various campaigns, and of fighting for their lives and their country. Vividly personal and compelling, this book puts the reader on the front lines.

*With Utmost Spirit* Barbara Tomblin, 2004-10-08 Throughout Appalachia corporations control local economies and absentee ownership of land makes it difficult for communities to protect their waterways, mountains, and forests. Yet among all this uncertainty are committed citizens who have organized themselves to confront both external power holders and often their own local, state, and federal agents. Determined to make their voice heard and to improve their living conditions, newfound partnerships between community activists and faculty and students at community colleges and universities have formed to challenge powerful bureaucratic infrastructures and to protect local ecosystems and communities. *Confronting Ecological Crisis: University and Community Partnerships in Appalachia and the South* addresses a wide range of cases that have presented challenges to local environments, public health, and social justice faced by the people of this region. Editors Stephanie McSpirit, Lynne Faltraco, and Conner Bailey, along

with community leaders and their university partners, describe stories of unlikely unions between faculty, students, and Appalachian communities in which both sides learn from one another and, most importantly, form a unique alliance in the fight against corporate control. *Confronting Ecological Crisis* is a comprehensive look at the citizens and organizations that have emerged to fight the continued destruction of Appalachia.

*Encyclopedia of Japanese American Internment* Gary Y. Okihiro, 2013-06-11 This book addresses the forced removal and confinement of Japanese Americans during World War II—a topic significant to all Americans, regardless of race or color. The internment of Japanese Americans was a violation of the Constitution and its guarantee of equal protection under the law—yet it was authorized by a presidential order, given substance by an act of Congress, and affirmed by the U.S. Supreme Court. Japanese internment is a topic that we as Americans cannot afford to forget or be ignorant of. This work spotlights an important subject that is often only described in a cursory fashion in general textbooks. It provides a comprehensive, accessible treatment of the events of Japanese American internment that includes topical, event, and biographical entries; a chronology and comprehensive bibliography; and primary documents that help bring the event to life for readers and promote inquiry and critical thinking.

*Setsuko's Secret* Shirley Ann Higuchi, 2020 As children, Shirley Ann Higuchi and her brothers knew Heart Mountain only as the place their parents met, imagining it as a great Stardust Ballroom in rural Wyoming. As they grew older, they would come to recognize the name as a source of great sadness and shame for their older family members, part of the generation of Japanese Americans forced into the hastily built concentration camp in the aftermath of Executive Order 9066. Only after a serious cancer diagnosis did Shirley's mother, Setsuko, share her vision for a museum at the site of the former camp, where she had been donating funds and volunteering in secret for many years. After Setsuko's death, Shirley skeptically accepted an invitation to visit the site, a journey that would forever change her life and introduce her to a part of her mother she never knew. Navigating the complicated terrain of the Japanese American experience, Shirley patched together Setsuko's story and came to understand the forces and generational trauma that shaped her own life. Moving seamlessly between family and communal history, *Setsuko's Secret* offers a clear window into the camp life that was rarely revealed to the children of the incarcerated. This volume powerfully insists that we reckon with the pain in our collective American past.

*Japanese-American and Aleutian Wartime Relocation* United States. Congress. House. Committee on the Judiciary. Subcommittee on Administrative Law and Governmental Relations, 1985

**The Italian Campaign, 1943–1945** Philip Jowett,2023-06-30 The Second World War Italian campaign is often less well remembered than the struggle of the Germans against the western Allies in north-west Europe and against the Soviet Union in the east. But, as this book demonstrates in over 300 photographs, the Italian peninsula was a major theater of the war in itself. More than a million Allied troops fought there, more than half a million Germans and Italians; there were over 600,00 casualties and well over 100,000 dead. The soldiers of many nations took part – Americans, Australians, Brazilians, British, Canadians, French, Germans, Greeks, Indians, Italians, Poles, South Africans – in a grueling and protracted sequence of battles across rocky, mountainous terrain that made a mockery of Churchill’s description of it as the ‘soft underbelly’ of occupied Europe. Every stage of the campaign is represented in the photographs – from the Allied landings in Sicily in 1943, through the tenacious defense by the Germans of a series of fortified lines as the Allies struggled north, to the final Allied advance across the Po in April 1945 and the German surrender. As well as showing the soldiers on all sides and the towns and Italian landscapes in which the fighting took place, the photographs record the appalling devastation the warfare left in its wake.

World War II [5 volumes] Spencer C. Tucker,2016-09-06 With more than 1,700 cross-referenced entries covering every aspect of World War II, the events and developments of the era, and myriad related subjects as well as a documents volume, this is the most comprehensive reference work available on the war. This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes, course, and consequences of the war. Its introductory overview essays and cross-referenced A–Z entries explain how various sources of friction culminated in a second worldwide conflict, document the events of the war and why individual battles were won and lost, and identify numerous ways the war has permanently changed the world. The coverage addresses the individuals, campaigns, battles, key weapons systems, strategic decisions, and technological developments of the conflict, as well as the diplomatic, economic, and cultural aspects of World War II. The five-volume set provides comprehensive information that gives readers insight into the reasons for the war's direction and outcome. Readers will understand the motivations behind Japan's decision to attack the United States, appreciate how the concentration of German military resources on the Eastern Front affected the war's outcome, understand the major strategic decisions of the war and the factors behind them, grasp how the Second Sino-Japanese War contributed to the start of World War II, and see the direct impact of new military technology on the outcomes of the battles during the conflict. The lengthy

documents volume represents a valuable repository of additional information for student research.

### Cassino Nisei Introduction

Cassino Nisei Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Cassino Nisei Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Cassino Nisei : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Cassino Nisei : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Cassino Nisei Offers a diverse range of free eBooks across various genres. Cassino Nisei Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Cassino Nisei Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific

Cassino Nisei, especially related to Cassino Nisei, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Cassino Nisei, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Cassino Nisei books or magazines might include. Look for these in online stores or libraries. Remember that while Cassino Nisei, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Cassino Nisei eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Cassino Nisei full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Cassino Nisei eBooks, including some popular titles.

## FAQs About Cassino Nisei Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Cassino Nisei is one of the best book in our library for free trial. We provide copy of Cassino Nisei in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Cassino Nisei. Where to download Cassino Nisei online for free? Are you looking for Cassino

Nisei PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Cassino Nisei. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Cassino Nisei are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Cassino Nisei. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to

our ebook online or by storing it on your computer, you have convenient answers with Cassino Nisei To get started finding Cassino Nisei, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Cassino Nisei So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Cassino Nisei. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Cassino Nisei, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Cassino Nisei is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Cassino Nisei is universally compatible with any devices to read.
