The How-To Book of Catholic Theology Fr. John P. Cush, S.T.D., 2020-08-20 Everyone's a theologian, because everyone believes something about God, even those who reject him. So the question is not whether we have a theology but whether that theology is true. And that's what makes this excellent book by Fr. John Cush so needed and helpful: It guides us in forming a true theology. — Brandon Vogt, author of *Why I Am Catholic* and Content Director at Word on Fire Catholic Ministries Unlike the authors of most theology texts today, Fr. Cush knows that to understand anything about the divine, one must be properly intellectually, ecclesially, and even mystically conformed to Jesus Christ as encountered through his Mystical Body, the Church. These clear and concise pages outline precisely what that means, to love God by seeking him truly. — Fr. David Meconi, S.J., Director, Catholic Studies Centre, Saint Louis University and Editor, *Homiletic & Pastoral Review* As you'll learn in *The How-to Book of Catholic Theology: Everything You Need to Know But No One Ever Taught You*, theology at its core is about encountering God's self-revelation in Christ through the Church. In his clear, conversational style, theologian Father John Cush offers a comprehensive overview of Catholic theology, making it both approachable and actionable. In this complete guide you'll learn: Models (or styles) of being a theologian What you need to start your study of theology How to form a theological method How to use the tools of theology How to reconcile differences in theology How the study of theology leads to holiness of life *The How-to Book of Catholic Theology* also includes points to remember, recommended reading, and advice for building your

personal theological library. ABOUT THE AUTHOR Born in Brooklyn, New York, Father John Patrick Cush is a priest of the Diocese of Brooklyn. Ordained in 1998, he earned the Doctorate in Sacred Theology (STD) from the Pontifical Gregorian University in Rome, Italy, with a specialization in fundamental theology. Father Cush currently serves as academic dean and as a formation advisor at the Pontifical North American College, Vatican City-State. He is an adjunct assistant professor of theology at the Pontifical Gregorian University and an adjunct professor of Church History at the Pontifical University of the Holy Cross, both in Rome, Italy. Father Cush writes regularly for the National Catholic Register, The Tablet, The Evangelist, and Homiletic & Pastoral Review. Catholic Activism Today Maureen K. Day, 2020-06-09 Uncovers why Catholic organizations fail to foster civic activism The American Catholic Church boasts a long history of teaching and activism on issues of social justice. In the face of declining religious and community involvement in the twenty-first century, many modern-day Catholic groups aspire to revive the faith as well as their connections to the larger world. Yet while thousands attend weekly meetings designed to instill religiosity and a commitment to civic engagement, these programs often fail to achieve their more large-scale goals. In *Catholic Activism Today*, Maureen K. Day sheds light on the impediments to successfully enacting social change. She argues that popular organizations such as JustFaith Ministries have embraced an approach to civic engagement that focuses on mobilizing Catholics as individuals rather than as collectives. There is reason to think this approach is effective—these organizations experience robust participation in their programs and garner reports of having had a transformative effect on their participants' lives. Yet, Day shows that this approach encourages participants to make personal lifestyle changes rather than contend with structural social inequalities, thus failing to make real inroads in the pursuit of social justice. Moreover, the focus on the individual serves to undermine the institutional authority of the Catholic Church itself, shifting American Catholics' perceptions of the Church from a hierarchy that controls the laity to one that simply influences it as they pursue their individual paths. Drawing on three years of interview, survey, and participant observation data, *Catholic Activism Today* offers a compelling new take on contemporary dynamics of Catholic civic engagement and its potential effect on the Church at large.

Day by Day with St. Francis Peter Gierch, 2015-04-10

The Long Loneliness Dorothy Day, 2017-06-27 The compelling autobiography of a remarkable Catholic woman, sainted by many, who championed the rights of the poor in America's inner cities. When Dorothy Day died in 1980, the New York Times eulogized her as "a nonviolent social radical of luminous personality . . . founder of the Catholic Worker Movement and leader for more than fifty years in numerous battles of social justice." Here, in her own words, this remarkable woman tells of her early life as a young journalist in the crucible of Greenwich Village political and literary thought in the 1920s, and of her momentous conversion to Catholicism that meant the end of a Bohemian lifestyle and common-law marriage. The Long Loneliness chronicles Dorothy Day's lifelong association with Peter Maurin and the genesis of the Catholic Worker Movement. Unstinting in her commitment to peace, nonviolence, racial justice, and the cause of the poor and the outcast, she became an inspiration to such activists as Thomas Merton, Michael Harrington, Daniel Berrigan, Cesar Chavez, and countless others. This edition of The Long Loneliness begins with an eloquent introduction by Robert Coles, the Pulitzer Prize-winning author and longtime friend, admirer, and biographer of Dorothy Day.

Blessed Among Us Robert Ellsberg, 2016-07-07 Since the early centuries, Christians have held up the saints as models of living the Gospel of Jesus Christ. While the church officially recognizes a relatively small number of saints, the actual roster is infinitely wider. Blessed Among Us explores this eclectic "cloud of witnesses"—lay and religious, single and married, canonized and not, and even non-Christians whose faith and wisdom may illuminate our path. Brought to life in the evocative storytelling of Robert Ellsberg, they inspire the moral imagination and give witness to the myriad ways of holiness. In two stories per day for a full calendar year, Ellsberg sketches figures from biblical times to the present age and from all corners of this world—ordinary figures whose extraordinary lives point to the new age in the world to come. Blessed Among Us is drawn from Ellsberg's acclaimed column of the same name in Give Us This Day, a monthly resource for daily prayer published by Liturgical Press.
