Chimamanda Ngozi Adichie

They Killed Our President Jesse Ventura, 2013-10-01 Unless you've been living under a rock for the past fifty years, you're aware of the many hypotheses that the assassination of President John F. Kennedy was not done by one man. Whether you've read one or a dozen of the books on this topic, there's no way to fully grasp the depth of this conspiracy. For the first time ever, New York Times bestselling authors Jesse Ventura and Dick Russell have teamed up with some of the most respected and influential assassination researchers to put together the ultimate compendium that covers every angle—from the plot to the murder—of JFK. *They Killed Our President* will not only discuss the most famous of theories, but will also bring to light new and recently discovered information, which together shows that the United States government not only was behind this egregious plot, but took every step to make sure that the truth would not come out. With 2013 marking the fiftieth anniversary of JFK's assassination, this is the perfect time for *They Killed Our President* to be available to readers. The research and information in this book are unprecedented, and there's nobody better to bring this to everyone's attention than the former governor of Minnesota and US Navy SEAL, Jesse Ventura.

Americanah Chimamanda Ngozi Adichie, 2023-04-13 SHORTLISTED FOR THE BAILEY'S WOMEN'S PRIZE FOR FICTION 'A delicious, important novel' The Times 'Alert, alive and gripping' Independent 'Some novels tell a great story and others make you change the way you look at the world. *Americanah* does both.' Guardian As teenagers in a Lagos secondary school, Ifemelu and Obinze fall in love. Their Nigeria is under military dictatorship, and people are fleeing the country if they can. Ifemelu--beautiful,

self-assured--departs for America to study. She suffers defeats and triumphs, finds and loses relationships and friendships, all the while feeling the weight of something she never thought of back home: race. Obinze--the quiet, thoughtful son of a professor--had hoped to join her, but post-9/11 America will not let him in, and he plunges into a dangerous, undocumented life in London. Thirteen years later, Obinze is a wealthy man in a newly democratic Nigeria, while Ifemelu has achieved success as a writer of an eye-opening blog about race in America. But when Ifemelu returns to Nigeria, and she and Obinze reignite their shared passion--for their homeland and for each other--they will face the toughest decisions of their lives. Fearless, gripping, spanning three continents and numerous lives, *Americanah* is a richly told story of love and expectation set in today's globalized world.
