Alyssa Mastromonaco

Note to Self Gayle King, 2019-04-30 In this New York Times bestseller, Gayle King collects her favorite inspiring letters from the popular CBS This Morning segment Note to Self, in which twenty-first century luminaries pen advice and encouragement to the young people they once were. What do Congressman John Lewis, Dr. Ruth, and Kermit the Frog wish they could tell their younger selves? What about a gay NFL player or the most successful female race car driver? In Note to Self, CBS This Morning cohost Gayle King shares some of the most memorable letters from the broadcast's popular segment of the same name. With essays from such varied figures as Oprah, Vice President Joe Biden, Chelsea Handler, and Maya Angelou—as well as poignant words from a Newtown father and a military widow—Note to Self is a moving reflection on the joys and challenges of growing up and a perfect gift for any occasion.

The Last Pirate Tony Dokoupil, 2015-01-06 A haunting and often hilarious memoir of growing up in 80s Miami as the son of Big Tony, a flawless model of the great American pot baron. To his fellow smugglers, Anthony Edward Dokoupil was the Old Man. He ran stateside operations for one of the largest marijuana rings of the twentieth century. In all they sold hundreds of thousands of pounds of marijuana, and Big Tony distributed at least fifty tons of it. To his son he was a rambling man who was also somehow a present father, a self-destructive addict who ruined everything but affection. Here Tony Dokoupil blends superb reportage with searing personal memories, presenting a probing chronicle of pot-smoking, drug-taking America from the perspective of the generation that grew up in the aftermath of the Great Stoned Age.

Roar Michael Clinton, 2022-09-13 ROAR is for everyone who is thinking about where they are in life—and those who want more out of life. From author Michael Clinton, former president and publishing director of Hearst Magazines, ROAR helps both those considering retirement and those who have no wish to retire get on with fulfilling their dreams—before it's too late. We are living in a time when everyone is constantly reassessing what is next for them. In the mid-career group, people who have spent years working in a business are now seeing their industry changing dramatically and are facing the question: What does that mean for me in the next twenty years? At the same time, the post-career group is also going through massive change. Many in this group are still not prepared financially, logistically, or emotionally to make the decisions necessary to face the next phase of their lives. While they may be thinking about retiring, they don't necessarily want to do nothing. ROAR will help both groups think about what is really important to them, and how to plan and take meaningful action so that the second half of their lives can be happy and productive. The book offers a unique and dynamic 4-part process called ROAR: Reimagine yourself, Own who you are, Act on what's next, and Reassess your relationships. This is the method Michael uses himself to pursue a purposeful life—and now he shares his technique and approach so you can expand your own life too. Prescriptive and inspiring, with personal anecdotes from his life as well as from others he interviewed for the book, ROAR is highly accessible, entertaining, and transformative--

When Harry Met Minnie Martha Teichner, 2021-02-02 *An Instant New York Times Bestseller!* A memoir of love and loss, of being in the right place at the right time, and of the mysterious ways a beloved pet can bring people together, from CBS Sunday Morning News correspondent and multi-E Emmy-Award-winning Martha Teichner. There are true fairy tales. Stories that exist because impossible-to-explain coincidences change everything. Except in real life, not all of them have conventional, happily-ever-after endings. When Harry Met Minnie is that kind of fairy tale, with the vibrant, romantic New York City backdrop of its namesake, the movie When Harry Met Sally, and the bittersweet wisdom of Tuesdays with Morrie. There's a special camaraderie among early-morning dog walkers. Gathering at dog runs in the park, or strolling through the farmer's market at Union Square before the bustling crowd appears, fellow pet owners become familiar—as do the personalities of their beloved animals. In this special space and time, a chance encounter with an old acquaintance changed Martha Teichner's world. As fate would have it, her friend knew someone who was dying of cancer, from exposure to toxins after 9/11, and desperate to find a home for her dog, Harry. He was a Bull Terrier—the same breed as Martha's dear Minnie. Would Martha consider giving Harry a safe,

loving new home? In short order, boy dog meets girl dog, the fairy tale part of this story. But there is so much more to this book. After Martha agrees to meet Harry and his owner Carol, what begins as a transaction involving a dog becomes a deep and meaningful friendship between two women with complicated lives and a love of Bull Terriers in common. Through the heartbreak and grief of Carol's illness, the bond that develops changed Martha's life, Carol's life, Minnie's life, Harry's life. As it changed Carol's death as well. In this rich and touching narrative, Martha considers the ways our stories are shaped by the people we meet, and the profound love we can find by opening our hearts to unexpected encounters.

Top of the Morning Brian Stelter, 2013-04-23 CNN correspondent Brian Stelter reveals the dark side of morning television with exclusive material about current and past morning stars, from Matt Lauer to Katie Couric. When America wakes up with personable and charming hosts like Robin Roberts and George Stephanopoulos, it's hard to imagine their show bookers having to guard a guest's hotel room all night to prevent rival shows from poaching. But that is just a glimpse of the intense reality revealed in this gripping look into the most competitive time slot in television. Featuring exclusive content about all the major players of the 2000s, *Top of the Morning* illuminates what it takes to win the AM -- when every single viewer counts, tons of jobs are on the line, and hundreds of millions of dollars are at stake. Stelter is behind the scenes as Ann Curry replaces Meredith Vieira on the Today show, only to be fired a year later in a fiasco that made national headlines. He's backstage as Good Morning America launches an attack to dethrone Today and end the longest consecutive winning streak in morning television history. And he's there as Roberts is diagnosed with a crippling disease -- on what should be the happiest day of her career. So grab a cup of coffee, sit back, and discover the dark side of the sun. Praise for *Top of the Morning* Mr. Stelter pulls back the curtains and exposes a savage corporate world that might have been inhabited by the Sopranos. -- Washington Times A troubling look inside an enterprise as vicious and internecine as a soap opera. -- Kirkus Reviews

The Bomber Mafia Malcolm Gladwell, 2021-04-27 A "truly compelling" (Good Morning America) New York Times bestseller that explores how technology and best intentions collide in the heat of war—from the creator and host of the podcast Revisionist History. In *The Bomber Mafia*, Malcolm Gladwell weaves together the stories of a Dutch genius and his homemade computer, a band of brothers in central Alabama, a British psychopath, and pyromaniacal chemists at Harvard to examine one of the greatest moral challenges in modern American history. Most military thinkers in the years leading up to World War II saw the airplane as an afterthought. But a small band of idealistic strategists, the "Bomber Mafia," asked: What if precision bombing could cripple the enemy and make war far less lethal? In contrast, the bombing of Tokyo on the deadliest night of the war was the brainchild of General Curtis LeMay, whose brutal pragmatism and scorched-earth tactics in Japan cost thousands of civilian lives, but may have spared even more by averting a planned US invasion. In *The Bomber Mafia*, Gladwell asks, "Was it worth it?" Things might have gone differently had LeMay's predecessor, General Haywood Hansell, remained in charge. Hansell believed in precision bombing, but when he and Curtis LeMay squared off for a leadership handover in the jungles of Guam, LeMay emerged victorious, leading to the darkest night of World War II. *The Bomber Mafia* is a riveting tale of persistence, innovation, and the incalculable wages of war.

Sick Girl Amy Silverstein, 2008-10-13 This shockingly frank and irreverent memoir of a young woman's life with a heart transplant "will inspire and choke you up with tears and laughter" (Larry King). At twenty-four, Amy Silverstein was your typical type-A law student: smart, driven, and highly competitive. With a full course load and a budding romance, it seemed nothing could slow her down. Until her heart began to fail. With a grace and force reminiscent of Lucy Grealy's *Autobiography of a Face* or Susanna Kaysen's *Girl, Interrupted*, Amy chronicles her medical saga from the first misdiagnosis to her astonishing and ongoing recovery. Her memoir is made all the more dramatic by the deliriously romantic bedside courtship with her future husband, and her uncompromising desire to become a mother. Distrustful of her doctors and insistent in her refusal to be the "grateful heart patient" she is expected to be, Amy presents a patient's perspective that is truly eye-opening and even controversial. Amy's shocking honesty and irreverent humor allow the reader to live her

nightmare from the inside—an unforgettable experience that is both painfully disturbing and utterly compelling.

Mobituaries Mo Rocca, 2021-11-02 From popular TV correspondent and writer Rocca comes a charmingly irreverent and rigorously researched book that celebrates the dead people who made life worth living.

Make Your Bed with Skipper the Seal Admiral William H. McRaven, 2021-11-16 A seal becomes a Navy SEAL in this children's adaptation of the #1 New York Times bestselling *Make Your Bed: Little Things That Can Change Your Life...And Maybe the World* by Admiral William H. McRaven. As Skipper the seal embarks on Navy SEAL training, he and his hardworking friends learn much more than how to pass a swimming test or how to dive off a ship. To be a great SEAL, you also have to take risks, deal with failure, and persevere through tough times—just as you do in life. (And always remember to make your bed!) In this entertaining children's adaptation of his #1 New York Times bestseller, Admiral William H. McRaven shares life lessons from Navy SEAL training and encourages young readers to become their best selves.

Who Thought This Was a Good Idea? Alyssa Mastromonaco, 2017-03-21 New York Times bestseller! If your funny older sister were the former deputy chief of staff to President Barack Obama, her behind-the-scenes political memoir would look something like this... Alyssa Mastromonaco worked for Barack Obama for almost a decade, and long before his run for president. From the then-senator's early days in Congress to his years in the Oval Office, she made Hope and Change happen through blood, sweat, tears, and lots of briefing binders. But for every historic occasion—meeting the queen at Buckingham Palace, bursting in on secret climate talks, or nailing a campaign speech in a hailstorm—there were dozens of less-than-perfect moments when it was up to Alyssa to save the day. Like the time she learned the hard way that there aren't nearly enough bathrooms at the Vatican. Full of hilarious, never-before-told stories, *WHO THOUGHT THIS WAS A GOOD IDEA?* is an intimate portrait of a president, a book about how to get stuff done, and the story of how one woman challenged, again and again, what a White House official is supposed to look like. Here Alyssa shares the strategies that made her successful in politics and beyond, including the importance of confidence, the value of not being a jerk, and why ultimately everything comes down to hard work (and always carrying a spare tampon). Told in a smart, original voice and topped off with a couple of really good cat stories, *WHO THOUGHT THIS WAS A GOOD IDEA?* is a promising debut from a savvy political star.

In the Unlikely Event Judy Blume, 2015-06-02 In her highly anticipated new novel, Judy Blume, the New York Times # 1 best-selling author of *Summer Sisters* and of young adult classics such as *Are You There God? It's Me, Margaret*, creates a richly textured and moving story of three generations of families, friends and strangers, whose lives are profoundly changed by unexpected events. In 1987, Miri Ammerman returns to her hometown of Elizabeth, New Jersey, to attend a commemoration of the worst year of her life. Thirty-five years earlier, when Miri was fifteen, and in love for the first time, a succession of airplanes fell from the sky, leaving a community reeling. Against this backdrop of actual events that Blume experienced in the early 1950s, when airline travel was new and exciting and everyone dreamed of going somewhere, she paints a vivid portrait of a particular time and place—Nat King Cole singing “Unforgettable,” Elizabeth Taylor haircuts, young (and not-so-young) love, explosive friendships, A-bomb hysteria, rumors of Communist threat. And a young journalist who makes his name reporting tragedy. Through it all, one generation reminds another that life goes on. In *In the Unlikely Event* is vintage Judy Blume, with all the hallmarks of Judy Blume's unparalleled storytelling, and full of memorable characters who cope with loss, remember the good times and, finally, wonder at the joy that keeps them going. Early reviewers have already weighed in: “Like many family stories, this one is not without its life-changing secrets and surprises. There is no surprise that the book is smoothly written, and its story compelling. The setting—the early 1950s—is especially well realized through period references and incidents.” —Booklist (starred review) and “In Blume's latest adult novel . . . young and old alike must learn to come to terms with technological disaster and social change. Her novel is characteristically accessible, frequently charming and always deeply human.” —Publishers Weekly

Give Please a Chance Bill O'Reilly, James Patterson, 2016-11-21 In this #1 New York Times bestseller, Bill O'Reilly and James Patterson together present a beautifully illustrated, instantly classic picture book that celebrates the magic of the word Please for our children. In this inspired collaboration, bestselling authors Bill O'Reilly and James Patterson remind us all that a single word -- Please? -- is useful in a thousand different ways. From finding a lovable stray dog to needing a partner on a seesaw, from reading a bedtime story to really, really needing a cookie, *Give Please a Chance* depicts scenes and situations in which one small word can move mountains. With a vivid array of illustrations by seventeen different artists, this charming, helpful book is a fun and memorable way for children to learn the magic power of one simple word: please.

Lake of the Ozarks Bill Geist, 2019-05-07 Beloved TV host Bill Geist pens a reflective memoir of his incredible summers spent in the heart of America in this New York Times bestseller. Before there was tourism and souvenir ashtrays became kitsch, the Lake of the Ozarks was a Shangri-La for middle-class Midwestern families on vacation, complete with man-made beaches, Hillbilly Mini Golf, and feathered rubber tomahawks. It was there that author Bill Geist spent summers in the Sixties during his school and college years working at Arrowhead Lodge -- a small resort owned by his bombastic uncle -- in all areas of the operation, from cesspool attendant to bellhop. What may have seemed just a summer job became, upon reflection, a transformative era where a cast of eccentric, small-town characters and experiences shaped (some might suggest slightly twisted) Bill into the man he is today. He realized it was this time in his life that had a direct influence on his sensibilities, his humor, his writing, and ultimately a career searching the world for other such untamed creatures for the Chicago Tribune, the New York Times, and CBS News. In *Lake of the Ozarks*, Emmy Award-winning CBS Sunday Morning correspondent Bill Geist reflects on his coming of age in the American Heartland and traces his evolution as a man and a writer. He shares laugh-out-loud anecdotes and tongue-in-cheek observations guaranteed to evoke a strong sense of nostalgia for the good ol' days. Written with Geistian wit and warmth, *Lake of the Ozarks* takes readers back to a bygone era, and demonstrates how you can find inspiration in the most unexpected places.

The Book of Gutsy Women Hillary Rodham Clinton, Chelsea Clinton, 2019-10-01 Now an eight-part docuseries on Apple TV+ Hillary Rodham Clinton and her daughter, Chelsea, share the stories of the gutsy women who have inspired them—women with the courage to stand up to the status quo, ask hard questions, and get the job done. She couldn't have been more than seven or eight years old. "Go ahead, ask your question," her father urged, nudging her forward. She smiled shyly and said, "You're my hero. Who's yours?" Many people—especially girls—have asked us that same question over the years. It's one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of *Life* magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible. CHELSEA: This book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close friends' moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains a big piece of the unfinished business of the twenty-first century. While there's a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement

to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely optimistic—they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women—leaders with the courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it's that the world needs gutsy women.

Sunny Jason Reynolds, 2019-03-26 Sunny tries to shine despite his troubled past in this third novel in the critically acclaimed Track series from National Book Award finalist Jason Reynolds. Ghost. Patina. Sunny. Lu. Four kids from wildly different backgrounds, with personalities that are explosive when they clash. But they are also four kids chosen for an elite middle school track team—a team that could take them to the state championships. They all have a lot to lose, but they all have a lot to prove, not only to each other, but to themselves. Sunny is the main character in this novel, the third of four books in Jason Reynold's electrifying middle grade series. Sunny is just that—sunny. Always ready with a goofy smile and something nice to say, Sunny is the chilliest dude on the Defenders team. But his life hasn't always been sun beamy-bright. You see, Sunny is a murderer. Or at least he thinks of himself that way. His mother died giving birth to him, and based on how Sunny's dad treats him—ignoring him, making Sunny call him Darryl, never "Dad"—it's no wonder Sunny thinks he's to blame. It seems the only thing Sunny can do right in his dad's eyes is win first place ribbons running the mile, just like his mom did. But Sunny doesn't like running, never has. So he stops. Right in the middle of a race. With his relationship with his dad now worse than ever, the last thing Sunny wants to do is leave the other newbies—his only friends—behind. But you can't be on a track team and not run. So Coach asks Sunny what he wants to do. Sunny's answer? Dance. Yes, dance. But you also can't be on a track team and dance. Then, in a stroke of genius only Jason Reynolds can conceive, Sunny discovers a track event that encompasses the hard beats of hip-hop, the precision of ballet, and the showmanship of dance as a whole: the discus throw. But as he practices for this new event, can he let go of everything that's been eating him up inside?

Little and Often Trent Preszler, 2021-04-27 A USA TODAY BEST BOOK OF THE YEAR (★★★★)
 "Little and Often is a beautiful memoir of grief, love, the shattered bond between a father and son, and the resurrection of a broken heart. Trent Preszler tells his story with the same level of art and craftsmanship that he brings to his boat making, and he reminds us of creativity's power to transform and heal our lives. This is a powerful and deeply moving book. I won't soon forget it." —Elizabeth Gilbert
 Trent Preszler thought he was living the life he always wanted, with a job at a winery and a seaside Long Island home, when he was called back to the life he left behind. After years of estrangement, his cancer-stricken father had invited him to South Dakota for Thanksgiving. It would be the last time he saw his father alive. Preszler's only inheritance was a beat-up wooden toolbox that had belonged to his father, who was a cattle rancher, rodeo champion, and Vietnam War Bronze Star Medal recipient. This family heirloom befuddled Preszler. He did not work with his hands—but maybe that was the point. In his grief, he wondered if there was still a way to understand his father, and with that came an epiphany: he would make something with his inheritance. Having no experience or training in woodcraft, driven only by blind will, he decided to build a wooden canoe, and he would aim to paddle it on the first anniversary of his father's death. While Preszler taught himself how to use his father's tools, he confronted unexpected revelations about his father's secret history and his own struggle for self-respect. The grueling challenges of boatbuilding tested his limits, but the canoe became his sole consolation. Gradually, Preszler learned what working with his hands offered: a different perspective on life, and the means to change it. Little and Often is an unflinching account of bereavement and a stirring reflection on the complexities of inheritance. Between his past and his present, and between America's heartland and its coasts, Preszler shows how one can achieve reconciliation through the healing power of creativity. "Insightful, lyrical...Little and Often proves to be a rich tale of self-discovery and reconciliation. Resonating with Robert Pirsig's classic *Zen and the Art of Motorcycle Maintenance*, it is a profound father-and-son odyssey that discovers the importance of the beauty of imperfection and small triumphs that make extraordinary happen." —USA Today

(★★★★)

Feel Your Way Through Kelsea Ballerini, 2021-11-16 NATIONAL BESTSELLER • The personal and poignant debut poetry collection from the award-winning singer, songwriter, and producer revolves around the emotions, struggles, and experiences of finding your voice and confidence as a woman. “I’ve realized that some feelings can’t be turned into a song . . . so I’ve started writing poems. Just like my songs, they are personal and honest. Just like my songs, they have hooks and rhymes. Just like my songs, they talk about what it’s like to be twenty-something trying to navigate a wildly beautiful and broken world.” Deeply emotional and candid, *Feel Your Way Through* explores the challenges and celebrates the experiences faced by Kelsea Ballerini as she navigates the twists and turns of growing into a woman today. In this book of original poetry, Ballerini addresses themes of family, relationships, body image, self-love, sexuality, and the lessons of youth. Her poems speak to the often harsh, and sometimes beautiful, onset of womanhood. Honest, humble, and ultimately hopeful, this collection reveals a new dimension of Ballerini’s artistry and talent.

You Can't Be Serious Kal Penn, 2022-08-09 Kal Penn's unlikely career arc has taken him from nerdy American kid from an immigrant family in the New York suburb of Montclair, New Jersey, to world-famous actor, to White House staffer under President Obama, and back to actor again. Now, in *You Can't Be Serious*, he reflects on the most ridiculous, offensive, and rewarding moments that have stood out during his journey. With intelligence, humor, and charm on every page, Penn explores what it means to be the embodiment of the American Dream, as the child of immigrant parents who came to this country with very little, and who never expected to see their son get his big break by sliding off an oiled-up naked woman in a raunchy Ryan Reynolds movie. He also pulls back the curtain on racism in Hollywood and the constant reminders that he would never fit in. And of course, he reveals how, after twenty-five years fighting for success in Hollywood, he made the terrifying but rewarding decision to walk away from it all for a career in politics. Above all, *You Can't Be Serious* shows that everyone can have more than one life story. Penn bravely demonstrates by example that no matter who you are and where you come from, you have many more choices than those presented to you. It's a story about struggle, triumph, and learning how to keep your head up. And okay, yes, it's also about whether Kal really smoked weed in the White House with the former First Lady--because let's be honest, that's what you really want to know--

Going There Katie Couric, 2021-10-26 This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, “Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is.” Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest “get”—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest

accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her “welcome” was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn’t happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

The Baseball 100 Joe Posnanski, 2021-09-28 NEW YORK TIMES BESTSELLER * Winner of the CASEY Award for Best Baseball Book of the Year “An instant sports classic.” —New York Post * “Stellar.” —The Wall Street Journal * “A true masterwork...880 pages of sheer baseball bliss.” —BookPage (starred review) * “This is a remarkable achievement.” —Publishers Weekly (starred review) A magnum opus from acclaimed baseball writer Joe Posnanski, *The Baseball 100* is an audacious, singular, and masterly book that took a lifetime to write. The entire story of baseball rings through a countdown of the 100 greatest players in history, with a foreword by George Will. Longer than *Moby-Dick* and nearly as ambitious, *The Baseball 100* is a one-of-a-kind work by award-winning sportswriter and lifelong student of the game Joe Posnanski. In the book’s introduction, Pulitzer Prize-winning commentator George F. Will marvels, “Posnanski must already have lived more than two hundred years. How else could he have acquired such a stock of illuminating facts and entertaining stories about the rich history of this endlessly fascinating sport?” Baseball’s legends come alive in these pages, which are not merely rankings but vibrant profiles of the game’s all-time greats. Posnanski dives into the biographies of iconic Hall of Famers, unfairly forgotten All-Stars, talents of today, and more. He doesn’t rely just on records and statistics—he lovingly retraces players’ origins, illuminates their characters, and places their accomplishments in the context of baseball’s past and present. Just how good a pitcher is Clayton Kershaw in the 21st-century game compared to Greg Maddux dueling with the juiced hitters of the nineties? How do the career and influence of Hank Aaron compare to Babe Ruth’s? Which player in the top ten most deserves to be resurrected from history? No compendium of baseball’s legendary geniuses could be complete without the players of the segregated Negro Leagues, men whose extraordinary careers were largely overlooked by sportswriters at the time and unjustly lost to history. Posnanski writes about the efforts of former Negro Leaguers to restore sidelined Black athletes to their due honor and draws upon the deep troves of the Negro Leagues Baseball Museum and extensive interviews with the likes of Buck O’Neil to illuminate the accomplishments of players such as pitchers Satchel Paige and Smokey Joe Williams; outfielders Oscar Charleston, Monte Irvin, and Cool Papa Bell; first baseman Buck Leonard; shortstop Pop Lloyd; catcher Josh Gibson; and many, many more. *The Baseball 100* treats readers to the whole rich pageant of baseball history in a single volume. Engrossing, surprising, and heartfelt, it is a magisterial tribute to the game of baseball and the stars who have played it.

The Top Books of the Year Cbs This Morning The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. **The Must-Read :** Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. **Cbs This Morning :** Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who

defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
