The Roman Empire [2 volumes] James W. Ermatinger,2018-05-01 Covering material from the time of Julius Caesar to the sack of Rome, this topically arranged reference set provides substantive entries on people, cities, government, institutions, military developments, material culture, and other topics related to the Roman Empire. The Roman Empire was one of the greatest and most influential forces of the ancient world, and many of its achievements endure in one form or another to this day. Because of its geographic breadth, cultural diversity, and overall complexity, it is also one of the most difficult organizations to understand. This book focuses on the Roman Empire from the time of Julius Caesar to the sack of Rome. While most references on the Roman world provide a series of alphabetically arranged entries, this work is organized in broad topical chapters on government and politics, administration, individuals, groups and organizations, places, events, military developments, and objects and artifacts. Each section provides 20 to 30 substantive entries along with an overview essay. The work also provides a selection of primary source documents and closes with a bibliography of important print and electronic resources.

Cincinnati Magazine ,1985-12 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Los Angeles Magazine ,2003-11 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and

news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Cincinnati Magazine ,1986-03 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

PC Magazine ,2005

International Directory of Company Histories Jay P. Pederson, Thomas Derdak, 1999 Multi-volume major reference work bringing together histories of companies that are a leading influence in a particular industry or geographic location. For students, job candidates, business executives, historians and investors.

Black Family Today ,1998

Big Trees Not Big Stumps Paul George, Western Canada Wilderness Committee, 2006 Big Trees, Not Big Stumps by co-founder of WCWC Paul George chronicles the 25 year history of the Wilderness Committee's campaigns between 1980 and 2005. Included are adventures and success stories, heart-wrenching tales of our losses and candid information about behind-the-scenes activities that few people, until now, have known about. If this book motivates even one person who has never experienced the mystic nature of the wild places like Gwaii Haanas, the Stein Valley or Clayoquot Sound to begin trekking through some wilderness, it will be a success.--Rainforest Store desc.

Paperbound Books in Print ,1970
