

Celebrity Hair Salon Makeover Games For Girls

R Barnett

Paper Dolls Katherine H. Adams, Michael L. Keene, 2017-11-02 Paper dolls might seem the height of simplicity--quaint but simple toys, nothing more. But through the centuries paper figures have reflected religious and political beliefs, notions of womanhood, motherhood and family, the dictates of fashion, approaches to education, individual self-image and self-esteem, and ideas about death. This book examines paper dolls and their symbolism--from icons made by priests in ancient China to printable Kim Kardashians on the Internet--to show how these ephemeral objects have an enduring and sometimes surprising presence in history and culture.

Research Perspectives on Social Media Influencers and Brand Communication Brandi Watkins, 2020-11-12 Research Perspectives on Social Media Influencers and Brand Communication examines the myriad ways in which social media and the unique characteristics of the internet have changed brand communication for both brands and consumers, focusing on the social media influencer as a brand communicator. As brands have noticed the rise of social media influencers as tastemakers and leaders in public opinion, they have increasingly begun to incorporate social media influencers into their brand communication strategies. Each chapter of this book represents a unique theoretical and methodological approach to examining the emergence and growing legitimacy of the social media influencer as a brand communicator from a variety of perspectives and contexts, discussing challenges and opportunities afforded to brands by social media influencers and providing an overview of the current research on the use of these branding approaches. Scholars of media studies, communication, and marketing will find this book particularly useful.

Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The Trump Women Nina Burleigh,2018-10-16 New York Times bestselling author and award-winning journalist, Nina Burleigh, explores Donald Trump's attitudes toward women by providing in-depth analysis and background on the women who have had the most profound influence on his life—the mother and grandmother who raised him, the wives who lived with him, and the daughter who is poised to inherit it all. Has any president in the history of the United States had a more fraught relationship with women than Donald Trump? He flagrantly cheated on all three of his wives, brushed off multiple accusations of sexual assault, publicly ogled his eldest daughter, bought the silence of a porn star and a Playmate, and proclaimed his now-infamous seduction technique: “grab ’em by the pussy.” *Golden Handcuffs* is a comprehensive and provocative account of the women who have been closest to Trump—his German-immigrant grandmother, Elizabeth, the uncredited founder of the Trump Organization; his Scottish-immigrant mother, Mary, who acquired a taste for wealth as a maid in the Andrew Carnegie mansion; his wives—Ivana, Marla, and Melania (the first and third of whom are immigrants); and his eldest daughter, Ivanka, groomed to take over the Trump brand from a young age. Also examined are Trump's two older sisters, one of whom is a prominent federal judge; his often-overlooked younger daughter, Tiffany; his female employees; and those he calls “liars”—the women who have accused him of sexual misconduct. Of these women, Burleigh writes, “where they come from and what they do now and in the future matters because they have or have had the ear of the most powerful man on earth.”

The Patriology Pat Obilor,2021-01-15 *The Patriology*’ is a THREE in ONE classic! A timeless collection of thoughtful insight written with inspiration, love, and foresight with you in mind. Good Housekeeping Magazine ,2007

Digitised Health, Medicine and Risk Deborah Lupton,2018-04-19 A prevailing excitement can be discerned in the medical and public health literature and popular media concerning the apparent ‘disruptive’ or ‘revolutionary’ potential of digital health technologies. Most of the wider social implications are often ignored or glossed over in such accounts. Critical approaches from within the social sciences that take a more measured perspective are important – including those that focus on risk. The contributors to this volume examine various dimensions of risk in the context of digital health. They identify that digital health devices and software offer the ability to configure new forms of risk, in concert with novel responsibilities. The contributions emphasise the sheer volume of detail about very personal and private elements of people's lives, emotions and bodies that contemporary digital technologies can collect. They show that apps and other internet tools and forums provide opportunities for health and medical risks to be identified, publicised or managed, but also for unvalidated new therapies to be championed. Most of the authors identify the neoliberal ‘soft’ politics of digital health, in which lay people are encouraged (‘nudged’) to engage in practices of identifying and managing health risk in their own interests, and the victim-blaming that may be part of these discourses. This book was originally published as a special issue of *Health, Risk and Society*.

Becoming a Hairstylist Kate Bolick,2019-04-02 Based on the real-life experiences of an expert in the field, an immersive, accessible guide to a career in hairstyling brought to life by acclaimed writer Kate Bolick—essential reading for anyone interested in this creative and dynamic profession. Gwenn LeMoine sees the world through the lens of hair. The daughter of two hairstylists, she has taken her natural talent to an entrepreneurial level and is now the owner of Parlor, a wildly popular, two-location hair salon in the East Village and Brooklyn. A pioneer with four decades of expertise in styling

eccentric celebrity personalities, LeMoine works with clients such as such as Piper Kerman, Rue McClanahan, Molly Ringwald, Twyla Tharp, and William Wegman, to name only a few. Her work has also been featured on television (SNL, VH1, ETV), in magazines (Real Simple, Nylon, The New York Times, and Paste), and at awards shows, such as the Tonys and Emmys. In Becoming a Hairstylist, Atlantic columnist and New York Times notable author Kate Bolick provides a compelling profile of a career in hair styling through the life of LeMoine, and offers us a glance at a day in the life at Parlor. The perfect resource for anyone interested in a career in cosmetology, Becoming a Hairstylist portrays how to excel as a stylist—at any age and for all types of customers.
