Ethno-Musicology Jaap Kunst,2012-12-06 This booklet hardly needs a preface; the contents, I think, speak for themselves. It contains a short and carefully brought up to date resume of all that I, as a private University Lecturer in Amsterdam, have tried to teach my pupils. It is intended as a general introduction to ethno-musicology, before going on to the study of the forms of separate music-cultures. I sincerely hope that those, who wish to teach themselves and to qualify in this branch of knowledge, will find a satisfactory basis for self tuition in the matter here brought together. Regarding the possibility of a new edition, any critical remarks or information as to possible desiderata would be very gratefully received. J.K. PREFACE TO THE SECOND EDITION My request for critical remarks and desiderata has not been ignored. My sincere thanks to all who took the trouble to let me know what they missed in my booklet. Through their collaboration the contents have undergone a considerable improvement and enlargement as compared to the original edition issued in 1950 by the Royal Tropical Institute, Amsterdam, under the title 'Musicologica'. I have taken care to add many particulars from non-European sources, with the result that now the book is no longer so Europe-centric as it was.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Gooch - The Autobiography Colm Cooper,2017-10-05 'The greatest Gaelic footballer of all time.' Pat Spillane When Colm Cooper retired from inter-county football in 2017, he left behind a remarkable legacy. The holder of five All-Ireland medals and eight All-Stars, he was Kerry's stand-out forward for fifteen years. From a family steeped in Gaelic football, and a core member of the Dr Crokes team, Colm was still in his teens when he first played for Kerry at senior level. Overcoming struggles with injury and personal tragedy, Cooper became one of the GAA's most recognizable and best-loved figures at a time of tumultuous change in the game. But the man known nationally as 'Gooch' is also an intensely private figure who has never courted publicity and his personal story remains largely untold. Now Gooch - The Autobiography unlocks a previously unopened door, tracing a compelling path through the life beyond the headlines. This is the story of an ordinary man who became an extraordinary footballer.

Out of the Wreck I Rise ,2016-08-23 Addiction is easy to fall into and hard to escape. It destroys the lives of individuals, and has a devastating cost to society. Steinberg and Bader harness the power of literature, poetry, and creativity to illuminate what alcoholism and addiction are all about. Each chapter begins with advice and commentary followed by a wealth of quotes to inspire and heal. The result is a mosaic of observations and encouragement that draws on writers and artists spanning thousands of years.
