Black Ballerinas Misty Copeland, 2021-11-02 From New York Times bestselling and award-winning author and American Ballet Theatre principal dancer Misty Copeland comes an illustrated nonfiction collection celebrating dancers of color who have influenced her on and off the stage. As a young girl living in a motel with her mother and her five siblings, Misty Copeland didn't have a lot of exposure to ballet or prominent dancers. She was sixteen when she saw a black ballerina on a magazine cover for the first time. The experience emboldened Misty and told her that she wasn't alone—and her dream wasn't impossible. In the years since, Misty has only learned more about the trailblazing women who made her own success possible by pushing back against repression and racism with their talent and tenacity. Misty brings these women's stories to a new generation of readers and gives them the recognition they deserve. With an introduction from Misty about the legacy these women have had on dance and on her career itself, this book delves into the lives and careers of women of color who fundamentally changed the landscape of American ballet from the early 20th century to today.

Miss You Like Hell Quiara Alegría Hudes, Erin McKeown, 2018-11-06 “This is a fresh take on the American road story, filled with people and ideas we rarely get to see onstage...It offers two seriously rich roles for women, each with important things worth singing about...Miss You Like Hell is a powerful example of what musicals do best: explore the unprotected border where individual needs and social issues intermix.” —Jesse Green, *New York Times* A troubled teenager and her estranged mother—an undocumented Mexican immigrant on the verge of deportation—embark on a road trip and strive to mend their frayed relationship along the way. Combined with the musical talent of Erin McKeown, Hudes artfully crafts a story of the barriers and the bonds of family, while also addressing the complexities of immigration in today's America.

Todd Bolender, Janet Reed, and the Making of American Ballet Martha Ullman West, 2021-05-18 Martha Ullman West illustrates how American ballet developed over the course of the twentieth century from an aesthetic originating in the courts of Europe into a stylistically diverse expression of a democratic culture. West places at center stage two artists who were instrumental to this story: Todd Bolender and Janet Reed. Lifelong friends, Bolender (1914–2006) and Reed (1916–2000) were part of a generation of dancers who navigated the Great Depression, World War II, and the vibrant cultural scene of postwar New York City. They danced in the works of choreographers Lew and Willam Christensen, Eugene Loring, Agnes de Mille, Catherine Littlefield, Ruthanna Boris, and others who West argues were just as responsible for the direction of American ballet as the legendary George Balanchine and Jerome Robbins. The stories of Bolender, Reed, and their contemporaries also demonstrate that the flowering of American ballet was not simply a New York phenomenon. West includes little-known details about how Bolender and Reed laid the foundations for Seattle's Pacific Northwest Ballet in the 1970s and how Bolender transformed the Kansas City Ballet into a highly respected professional company soon after. Passionate in their desire to dance and create dances, Bolender and Reed committed their lives to passing along their hard-won knowledge, training, and work. This book celebrates two unsung trailblazers who were pivotal to the establishment of ballet in America from one coast to the other.

Life in Motion Misty Copeland, 2014-03-04 A bestselling and prize-winning memoir by African-American ballerina Misty Copeland, *Life in Motion* is the vividly told story of her journey to the world-class American Ballet Theatre—and delves into the harrowing family conflicts that nearly drove her away from ballet as a thirteen-year-old prodigy. Determination meets dance in this *New York Times* bestselling memoir by the history-making ballerina Misty Copeland, recounting the story of her journey to become the first African-American principal ballerina at the prestigious American Ballet Theatre. When she first placed her hands on the barre at an after-school community center, no one expected the undersized, underprivileged,

and anxious thirteen-year-old to become one of America's most groundbreaking dancers. A true prodigy, she was attempting in months roles that take most dancers years to master. But when Misty became caught between the control and comfort she found in the world of ballet and the harsh realities of her own life, she had to choose to embrace both her identity and her dreams, and find the courage to be one of a kind. With an insider's passion, Misty opens a window into the life of an artist who lives life center stage, from behind the scenes at her first classes to her triumphant roles in some of the world's most iconic ballets. A sensational memoir as "sensitive" and "clear-eyed" (The Washington Post) as her dancing, *Life in Motion* is a story of passion, identity and grace for anyone who has dared to dream of a different life.

Producing Dance Robin Kish, Wilson Mendieta, Jennifer Backhaus, Marc Jordan Ameel, Samantha Waugh, Kerri Canedy, Todd Canedy, 2023-01-26 Most dance production books are written from the perspective of a production manager or designer, focusing on the technical aspects of a traditional dance production. *Producing Dance* takes a unique path—one that includes the voice of the choreographer and dancer in the journey to performance. In doing so, the authors support the process of the entire creative team and cover all aspects of a production. They put those aspects in the context of real-world application, in sequence with other components, creating a toolbox for success for all involved. By the end of the book, readers will have discovered the many options available to them in the production setting and be able to choose the tool most needed at the time. *Critical Guidance That Sets This Book Apart* Through its collaborative approach, *Producing Dance* goes beyond the performance, covering evaluation, reflection, and opportunities for growth. And it offers guidance in two critical areas that are not addressed in other dance production books: Creating dance performances in nontraditional spaces such as site-specific venues, dance and culture festivals, and audience-immersive experiences Supporting the development of an artistic career through acquiring business skills such as fundraising, grant writing, and performing business analyses Ancillaries *Producing Dance* comes with an instructor guide, a test bank, a PowerPoint presentation package, and HKPropel Access. Through HKPropel, students will find supplemental content and study aids: Application activities for each chapter, allowing students to practice the concepts discussed in the chapter Real-world examples with explanations Links to websites that further illustrate concepts Virtual flash cards to help students study and retain key terms *Parts of the Book* The text is presented in four parts. Part I guides readers in balancing and integrating artistic ideas with logistical considerations to create a clear and unified vision. Part II explores the process of realizing that vision through a collaborative and creative process. In part III, the knowledge gained in the first two parts is put into action as performance takes center stage. In part IV, readers learn how to continue to grow beyond the performance through a variety of pathways that deepen understanding and open up future opportunities. *Realizing Vision* The journey from an idea to a fully produced vision can be daunting. *Producing Dance* makes that journey not only doable but also enjoyable. It provides readers the understanding and tools they need to realize their vision, explore and develop their voice, and further their growth and career development. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.

Center Center James Whiteside, 2022-08-16 "James Whiteside is an electrifying performer, an incredible athlete, and an artist, through and through. To know James is to love him; with Center Center, you are about to fall in love." —Jennifer Garner "A frank examination and celebration of queerness." —Good Morning America A daring, joyous, and inspiring memoir-in-essays from the American Ballet Theatre principal dancer-slash-drag queen-slash-pop star who's redefining what it means to be a man in ballet There's a mark on every stage around the world that signifies the center of

its depth and width, called center center. James Whiteside has dreamed of standing on that very mark as a principal dancer with the prestigious American Ballet Theatre ever since he was a twelve-year-old blown away by watching the company's spring gala. *The GLAMOUR. The VIRTUOSITY. The RIPPED MEN IN TIGHTS!* In this absurd and absurdist collection of essays, Whiteside tells us the story of how he got to be a primo ballerino—stopping along the way to muse about the tragically fated childhood pets who taught him how to feel, reminisce on ill-advised partying at summer dance camps, and imagine fantastical run-ins with Jesus on Grindr. Also in these pages are tales of the two alter egos he created to subvert the strict classical rigor of ballet: JbDubs, an out-and-proud pop musician, and Ühu Betch, an over-the-top drag queen named after Yoohoo chocolate milk. *Center Center* is an exuberant behind-the-scenes tour of Whiteside's triple life, both on- and offstage—a raunchy, curious, and unapologetic celebration of queerness, self-expression, friendship, sex, creativity, and pushing boundaries that will entertain you, shock you*, inspire you, embolden you . . . and maybe even make you cry. *THIS IS NOT A BOOK FOR CHILDREN.

Queer Dance Clare Croft, 2017 'Queer Dance' challenges social norms and enacts queer coalition across the LGBTQ community. The text joins forces with feminist, anti-racist, and anti-colonial work to consider how bodies are forces of social change.

From Stage IV to Center Stage Denise DeSimone, 2011-08-01 From Stage IV to Center Stage is a story of extraordinary courage, strength, and deep spirituality. Denise DeSimone's journey began the moment she opened her eyes in a post-op ward after a "routine" biopsy to determine the pathology of the lump on her neck and was told, "You have cancer. A very aggressive cancer in your throat and neck, and you need to move on this immediately." Given three months to live because of stage IV throat and neck cancer (August 2005), to singing the National Anthem before a Red Sox game at Fenway Park in Boston (July 2007), to riding her bicycle eighty-five miles in one day to raise money for children's cancer research with the Pan Mass Challenge (August 2007) all in less than two years is proof that the unexpected can be achieved. Denise approached cancer differently than most people do. She chose not to "battle," cancer; she chose to embrace it and allow it to become her teacher and her sage. Naming her cancer PIN—an acronym for Pain in the Neck, Denise entered into a dialogue with PIN, gave it a pen, and gave it permission to teach her the lessons she needed to learn. The lessons were rich and enlightening. She learned something deeply critical to healing: self-love. When we love ourselves, we don't want to battle anything. When we love ourselves, we allow our vibration to attract life at a higher frequency: a frequency that promotes healing on all levels—emotionally, mentally, physically, and spiritually. Denise learned that self love is the all-time greatest healer.
