*Buying & Owning Property in Central Florida*

Garrett Kenny, 2015-01-06 Have you ever wanted to own a piece of the magic in Central Florida or wanted to invest in the growing hub that is Orlando but aren't quite sure what a title company is or what a short sale is? Well, local ex-pat and property expert Garrett Kenny's new book *Buying and Owning Property in Central Florida* is the ultimate resource for anyone looking to buy property in this popular area. Written expressly for overseas buyers, Garrett's book takes you through the entire buying process in Florida—from selecting the right Orlando area, to property selection, to financing, and right through to contracting and renting, showing you what to watch out for each step of the way and how to get ahead. Buyers from overseas have spent \$50 billion-plus on more than 250,000 properties in Florida from 2009 to the summer of 2013, according to data from the National Association of Realtors, yet there is very little information out there specifically on the Florida market for the savvy buyer who wants to ensure that they do everything correctly and make the best choices. Garrett's book addresses that gap in an easily accessible all encompassing guide. This book has all you need to know for buying and owning property in Central Florida.

*The Ultimate Guide to Purchasing Florida Real Estate* Buck Boyles, Preston Boyles, 2014-11-13 Why invest in Florida real estate? Ranking number four in population—after California, Texas, and New York—it is one of the fastest-growing states in the country, and a strong draw for retirees and

vacationers, all of whom are looking for places to live. But, while purchasing property has historically been one of the safest and most profitable ventures for individuals, it does require buyers to know a lot of information that is often hard to access. In *The Ultimate Guide to Purchasing Florida Real Estate*, Preston Boyles and Buck Boyles of Marlin Realty & Investments Inc. share their combined experience of over forty years in developing, building, and selling Florida real estate. Having seen people make millions while others lost their shirts, and watched interest rates skyrocket one minute and plunge the next, they've gathered the essential resources you need to make smart decisions. Whether you know a little or nothing at all about investing in real estate, this book serves as an easy-to-use guide to purchasing profitable property. Learn about what to do-and what not to do-so you can start a well-informed search for your next investment.
