CFA Program Curriculum 2017 Level III, Volumes 1 - 6 CFA Institute,2016-08-01 Apply CFA

Program concepts and skills to real-world wealth and portfolio management for the 2017 exam The same official curricula that CFA Program candidates receive with program registration is now publicly available for purchase. CFA Program Curriculum 2017 Level III, Volumes 1-6 provides complete, authoritative guidance on synthesizing the entire CFA Program Candidate Body of Knowledge (CBOK) into professional practice for the 2017 exam. This book helps you bring together the skills and concepts from Levels I and II to formulate a detailed, professional response to a variety of real-world scenarios. Coverage spans all CFA Program topics and provides a rigorous treatment of portfolio management, all organized into individual study sessions with clearly defined Learning Outcome Statements. Visual aids clarify complex concepts, and practice questions allow you to test your understanding while reinforcing major content areas. Levels I and II equipped you with foundational investment tools and complex analysis skill; now, you'll learn how to effectively synthesize that knowledge to facilitate effective portfolio management and wealth planning. This study set helps you convert your understanding into a professional body of knowledge that will benefit your clients' financial futures. Master essential portfolio management and compliance topics Synthesize your understanding into professional guidance Reinforce your grasp of complex analysis and valuation Apply ethical and professional standards in the context of real-world cases CFA Institute promotes the highest standards of ethics, education, and professional excellence among investment professionals. The CFA Program Curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I provides foundational knowledge and teaches the use of investment tools; Level II focuses on application of concepts and analysis, particularly in the valuation of assets; and Level III builds toward synthesis across topics with an emphasis on portfolio management.

CFA Program Curriculum 2017 Level I, Volumes 1 - 6 CFA Institute, 2016-08-01 Clear, concise instruction for all CFA Level I concepts and competencies for the 2017 exam The same official curricula that CFA Program candidates receive with program registration is now available publicly for purchase. CFA Program Curriculum 2017 Level I, Volumes 1-6 provides the complete Level I Curriculum for the 2017 exam, delivering the Candidate Body of Knowledge (CBOK) with expert instruction on all ten topic areas of the CFA Program. Fundamental concepts are explained with in-depth discussion and a heavily visual style, while cases and examples demonstrate how concepts apply in real-world scenarios. Coverage includes ethical and professional standards, quantitative analysis, economics, financial reporting and analysis, corporate finance, equities, fixed income, derivatives, alternative investments, and portfolio management, all organized into individual sessions with clearly defined Learning Outcome Statements. Charts, graphs, figures, diagrams, and financial statements illustrate concepts to facilitate retention, and practice questions provide the opportunity to gauge your understanding while reinforcing important concepts. The Level I Curriculum covers a large amount of information; this set breaks the CBOK down into discrete study sessions to help you stay organized and focused on learning-not just memorizing-important CFA concepts. Learning Outcome Statement checklists guide readers to important concepts to derive from the readings Embedded case studies and examples throughout demonstrate practical application of concepts Figures, diagrams, and additional commentary make difficult concepts accessible Practice problems support learning and retention CFA Institute promotes the highest standards of ethics, education, and professional excellence among investment professionals. The CFA Program Curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I provides foundational knowledge and teaches the use of investment tools; Level II focuses on application of concepts and analysis, particularly in the valuation of assets; and Level III builds toward synthesis across topics with an emphasis on portfolio management.

CFA Level 1 Practice Exam (NEW) , The CFA Level 1 Exam Questions Practice Test is a comprehensive course designed to help individuals prepare for the Chartered Financial Analyst (CFA) Level 1 exam. This course includes practice questions and exams that cover all of the topics tested on the CFA Level 1 exam. The course is structured to provide a thorough review of the material covered on the CFA Level 1 exam, including ethics and professional standards, quantitative methods, economics, financial reporting and analysis, corporate finance, portfolio management, and equity, fixed income, and derivative investments. The course content is presented in a clear and concise manner,

with detailed explanations of key concepts and formulas, as well as examples and practice questions to reinforce understanding. The course also includes simulated exams that closely replicate the actual CFA Level 1 exam format and difficulty, allowing students to assess their knowledge and identify areas where they may need further review. By completing this course, individuals will gain the knowledge, skills, and confidence they need to succeed in the CFA Level 1 exam and take a significant step toward advancing their career in the finance industry. The Level I exam consists of 180 multiple choice questions, split between two 135-minute sessions (session times are approximate). There is an optional break between sessions. First session (2 hours, 15 minutes): 90 multiple choice questions, covering the topics of ethics & professional standards, quantitative methods, economics, and financial statement analysis. Second session (2 hours, 15 minutes): 90 multiple choice questions, covering the topics of corporate issuers, equity, fixed income, derivatives, alternative investments and portfolio management.
