Raw Speed - The Autobiography of the Three-Times World Speedway Champion Tai Woffinden, 2019-09-19 Following in his late father's footsteps, Tai Woffinden made his name as Britain's most successful speedway rider ever. Known for his speed on the tracks and his quirky tattoos, he is a popular figure within the sport and beyond it. With a vast array of titles to his name, including youngest ever Grand Prix World Champion, achieved at the age of twenty-three, Tai has come a long way from his Scunthorpe roots. His love affair with speedway began when his family emigrated to Australia while he was a child, where he became a local champion while still at school. He has not been without his share of struggles, however. In 2010, he lost his father, the popular speedway rider Rob Woffinden, to cancer, which, combined with issues within his team, resulted in a difficult season. Then, in 2019, during his defence of his World Championship, he crashed heavily during a race in Poland and was badly injured, breaking his back. Such setbacks do not keep true champions down for long, however - Tai will be back, to dazzle his thousands of fans with his unique combination of flamboyant skill and raw courage. Told with his trademark honesty and directness, his autobiography provides an eye-opening insight into the life of one of speedway's greatest talents and most beloved stars. © images; not to be copied or reproduced without permission.

Gadsden, City of Champions Mike Goodson, 2002 On July 4, 1845, the piercing sound of a steamboat's whistle along the banks of the Coosa River served as an exotic, technological proclamation for the beginning of a new era in Northeast Alabama. The landing of Captain James Lafferty's steamboat, the Coosa, marked the genesis of a new town and the realization of a shared vision of Gabriel Hughes, Joseph Hughes, and John S. Moragne. From that moment on, hundreds upon hundreds of pioneering men and women immigrated to Gadsden in the latter part of the nineteenth century pursuing the American dream of land and opportunity. *Gadsden: City of Champions*, with over 100 black-and-white illustrations, presents a comprehensive history of Gadsden's astonishing development and details the various stages of the city's evolution, from a neutral playing field between rival Cherokee and Creek tribes, to a wilderness stagecoach stop, to a humble village, to a major riverboat port, into a modern industrial city. Amid streetcars, opera houses, bustling mills, and unpaved streets, readers meet local figures, such as Colonel R.B. Kyle, Captain James M. Elliott Jr., Judge John H. Disque, Emma Sansom, and John W. Wisdom, and a host of colorful Characters-riverboat pilots, theater managers, mill workers, Pulltight saloonkeepers, and bootleggers-against an epic backdrop of war, Reconstruction, depression, fire, and prosperity.

The Invitational Champions John P. Russell, 2018-07-16 In 1940, a group of sportsmen of the first rank, members of the Southern Amateur Field Trial Club of Albany, Georgia, undertook to design a field trial format that would provide a more comprehensive and rigorous test of the qualities of high class bird dogs. Dubbed the *Odream trial* by William F. Brown at its inaugural offering, the trial, the Quail Championship, was contested in 1941, and 1942 in the quail-rich plantation country in the Albany, Georgia area. Interrupted by World War II, the trial remained as only a bright and shining memory until 1964 when it was resurrected as the Quail Championship Invitational in 1964 at Paducah, Kentucky. Limited to twelve invited contestants, the best of the previous year's major circuit competition, the trial seeks to identify a bird dog with strength, courage, intelligence, and character at the highest level, the *best of the best*. True to its origin, the trial provides the most comprehensive and equitable test of the major circuit dogs of the field trial sport.

City of Champions Stefan Szymanski,Silke-Maria Weineck,2020-10-13 The changing fortunes of Detroit, told through the lens of the city's major sporting events, by the bestselling author of Soccernomics, and a prizewinning cultural critic From Ty Cobb and Hank Greenberg to the Bad Boys, from Joe Louis and Gordie Howe to the Malice at the Palace, City of Champions explores the history of Detroit through the stories of its most gifted athletes and most celebrated teams, linking iconic events in the history of Motown sports to the city's shifting fortunes. In an era when many teams have left rustbelt cities to relocate elsewhere, Detroit has held on to its franchises, and there is currently great hope in the revival of the city focused on its downtown sports complexes—but to whose benefit? Szymanski and Weineck show how the fate of the teams in Detroit's stadiums, gyms, and fields is echoed in the rise and fall of the car industry, political upheavals ushered in by the depression, World War II, the 1967 uprising, and its recent bankruptcy and renewal. Driven by the conviction that sports not only mirror society but also have a special power to create both community and enduring narratives that help define a city's sense of self, City of Champions is a unique history of the most American of cities.
