Unstoppable Anthony Robles, 2012-09-27 The powerful and inspiring story of an all-American wrestler who defied the odds—soon to be an original movie produced by Ben Affleck and Matt Damon, starring Jennifer Lopez, Jharrel Jerome, Don Cheadle, Michael Peña and Bobby Cannavale! Anthony Robles is a three-time all-American wrestler, the 2011 NCAA National Wrestling Champion, and a Nike-sponsored athlete. He was also born without his right leg. From that moment on, Judy knew that her son would be unstoppable. Anthony first began wrestling in high school; he was the smallest kid on the team and finished the year in last place. But he completed his junior and senior years with a 96-0 record to become a two-time Arizona State champion. In college, he faced personal hardships which almost forced him to drop out. But Anthony remained focused on his goals and won the NCAA National Championship in March 2011. Unstoppable is the story of one man whose spirit and unyielding resolve remind us all that we

have the power to conquer adversity—in whatever form.

Champion by Choice Richard “Lucky” Luckman, 2008-08-08 Building a life in foster homes and rebelling a few times to be close to a brother and then a sister led to a life not finishing high school, of care-free money and eventually juvenile detention to hard-core prison. Prison, yes! Scary, yes! Yes, to a scrawny kid with no education and no direction. Luckily, while in prison he found the right friends, combining that with a strong will to succeed and the raw energy to try something new. He achieved many goals from a high school diploma to being a world-renowned weightlifter, still holding the US 630# Dead Lift Title. He won every match he attempted, set over forty-five records, and was the only inmate to be flown out of state for a meet in Colorado. While accomplishing these feats in prison, he had to cope with different personalities and temperaments.

Champion is a compelling true story about courage, the persistence to find truth and unconditional love. Based on the real-life story of David Paladino as heard on NPR's This American Life with Ira Glass & Cris Beam.

Strength of a Champion O.J. Brigrance, Peter Schrager, 2013-10-22 As the Baltimore Ravens made their improbable march to victory in Super Bowl XLVII, they turned to their senior advisor of player development, O.J. Brigrance, for inspiration each and every Sunday. Following a stellar twelve-year career as a linebacker, including a Super Bowl win with Baltimore in 2000, O.J. Juice Brigrance joined the Ravens front office. But in 2007, O.J. was diagnosed with amyotrophic lateral sclerosis also known as Lou Gehrig's disease and told he had only three to five years to live. As a player, he'd battled hundreds of injuries and setbacks. None of them prepared him to face ALS. With faith and determination in his heart and his wife, Chanda, praying by his side, O.J. fought back against the debilitating disease, even as ALS robbed him of the ability to walk and speak. He kept working, smiling, and touching his players' lives all the way through their remarkable Super Bowl run more than five years after his diagnosis. Now, O.J. shares his incredible story, offering lessons in resilience and reflecting on the championship team that inspired him in turn. Along with his own journey, O.J. recounts the struggles and successes of Ravens players, including Ray Lewis, Joe Flacco, and Torrey Smith, as well as the strength of head coach John Harbaugh. Having watched their season from the best seat in the house, O.J. highlights their perseverance, confidence, and leadership, and the best that sports can bring out in people. Full of profound revelations and never-before-told anecdotes, *Strength of a Champion* is a celebration of the human spirit from a man who left everything on the field. O.J. Brigrance never asked to be a hero. That's what makes his story so courageous.

The Unsuccessful Champion Demario Davis, 2019-10-04 Having grown up in an impoverished environment, Demario Davis found himself leading a life filled with drugs, alcohol, violence, and eventually, jail. With the odds against him at every turn, he continued to pursue his dream of making a name for himself in the NFL. But when given a divine warning that he was dangerously close to hitting his final strike, he began searching for something greater. Journey with him as he shares his story of finding what it means to become a true champion in the midst of what the world may deem defeat. "If you've ever had the chance to meet Demario, you will truly understand the common phrase 'force of nature.' This title is normally reserved for athletes who are so powerful and agile that it's overwhelming; you can't stop it. Demario is like that on the field, but his joy, character, and passion for life might be his most powerful attributes. This book reminds us all that there's something greater we live for. This might not always show up on a scoreboard or in a bank account, but our wins and losses do not have to define us. God's call on our lives is the most important. Demario's life is evidence of this exact thing. This book will be a blessing to anybody who is trying to make a difference in this world. I highly recommend it." Carl Lentz, lead pastor of Hillsong East Coast "Demario's story is one that will inspire, encourage, and challenge anyone who reads it. This book is a powerful story from an incredible man, whose faith in God will impact generations to come." Drew Brees, New Orleans Saints quarterback "It speaks volumes when people who have money, power, and influence take time out of their busy lives to focus on the things that matter most. I'm looking forward to seeing what Demario creates off the field through his new book and the insights he's found through his journey." Andy Mineo, rapper

The Invitational Champions John P. Russell, 2018-07-16 In 1940, a group of sportsmen of the first rank, members of the Southern Amateur Field Trial Club of Albany, Georgia, undertook to design a field trial format that would provide a more comprehensive and rigorous test of the qualities of high class bird dogs. Dubbed the *Ódream trial* by William F. Brown at its inaugural offering, the trial, the Quail Championship, was

contested in 1941, and 1942 in the quail-rich plantation country in the Albany, Georgia area. Interrupted by World War II, the trial remained as only a bright and shining memory until 1964 when it was resurrected as the Quail Championship Invitational in 1964 at Paducah, Kentucky. Limited to twelve invited contestants, the best of the previous year's major circuit competition, the trial seeks to identify a bird dog with strength, courage, intelligence, and character at the highest level, the "Best of the best." True to its origin, the trial provides the most comprehensive and equitable test of the major circuit dogs of the field trial sport.

Hidden Talent Travis Daugherty, 2019-04-05 We all want to be champions, because champions win. That's easy to see. But if you're willing to dig deeper, you'll find that champions aren't who they are because they win. In fact, actually, just the opposite is true. Champions win because of who they are. Hall of Fame football coach Bill Walsh said, Champions behave like champions before they are champions. That means beyond just what you see on the surface - the victories, the trophies, the headlines - you'll find that champions, in any area of life, have sown certain traits, attributes, and abilities into their being first, and then reaped the harvest of those traits, attributes, and abilities in the winner's circle after. The same is true for you, too. You aren't a champion because you win; you win because you've done the hard work it takes to become a champion. Find out, in this revealing book, how to recognize and develop your most important talent, and use it wherever you're competing today - in business or in sports, at work or at home - to become your winningest self.
