📖 **PROFESSIONAL II** Atomi K, 2023-09-27 Mia Page has achieved the unthinkable in her short career: in just six professional games for Barcelona, she has become the team's top scorer. On the field, Mia is synonymous with resolve and skill, but off the field, she struggles to find her way in the midst of luxury and fame. Her life took an unexpected turn when her relationship with Samantha Kane, her former college roommate, former Austin Devils teammate and ex-girlfriend came to an end two months after turning pro. Distance, misunderstandings and new challenges drove them apart, and their communication faded. As Mia, known as Sonic Page, strives to turn the page and relentlessly pursue glory on the pitch, the start of the European Championship Champions League brings a surprising twist: Mia and Samantha find themselves in the same group, this time as rivals. Past and present intersect on the court, and both face a new kind of challenge: competing against someone who was once an integral part of their lives. This exciting story takes place in two parallel arenas: the electrifying Spanish League and the prestigious, global Champions League. Mia and Samantha must meet new teammates, integrate into their respective teams and face their own inner demons. As the ball rolls and the goals are scored, romantic feelings resurface, and new surprises and challenges arrive from the United States to shake up their lives. The continuation of the Professional series is fresh and exciting, keeping the stories of the original protagonists alive as they move toward professional and personal maturity. Professional II: League of Champions is a captivating narrative that reveals the sacrifices and compromises necessary to achieve success and find personal fulfillment in what you love most. A gripping story of soccer, encounters and misunderstandings, it will take you on an emotional journey through the passion and determination of two extraordinary women.
