Music at the Extremes Scott A. Wilson, 2015-06-01 Away from the spotlight of the pop charts and the demands of mainstream audiences, original music is still being played and audiences continue to engage with innovative artists. This collection of fresh essays gathers together critical writing on such genres as Power Electronics, Black Metal, Neo-Folk, Martial Industrial, Hard-Core Punk and Horrorcore. The contributors report from the periphery of the music world, seeking to understand these new genres, how fans connect with artists and how artists engage with their audiences. Diverse music scenes are covered, from small-town New Zealand to Washington, D.C., and Ljubljana, Slovenia. Artists discussed include Coil, Laibach, Whitehouse, Insane Clown Posse, Wolves in the Throne Room, Turisas, Tyr, GG Allin and many others.

Television Specials Vincent Terrace, 2013-06-06 This is a complete revision of the author's 1993 McFarland book *Television Specials* that not only updates entries contained within that edition, but adds numerous programs not previously covered, including beauty pageants, parades, awards programs, Broadway and opera adaptations, musicals produced especially for television, holiday specials (e.g., Christmas and New Year's Eve), the early 1936-1947 experimental specials, honors specials. In short, this is a reference work to 5,336 programs—the most complete source for television specials ever published.

An Alabama Story Daniel Hammarberg, 2012-12-05 An Alabama Story is based on the accounts a southern man living in Alabama related to the author - he will here be referred to as Billy Bob. When Hammarberg came across Billy Bob, he was able to share in captivating tales of Billy Bob's family life and how he and his family (here called the Hix) had interacted with their surrounding community. When Billy Bob let the author share in his tales, he made the author swear that he wouldn't let anyone else hear about them. Yet the author decided that these tales were simply too remarkable for the world to be denied them. Hence this book was written, a compilation of the tales Billy Bob had told the author about a year in the life of the Hix family. Hopefully Billy Bob will forgive Hammarberg for breaking his vow and publishing the book. Billy Bob insisted that even though many of his tales simply required the suspension of disbelief, every single one of them were absolutely true. But since the author doesn't want to jeopardize his good name by categorizing this work as non-fiction, in the case that some of them turn out not true, it sorts under Young-Adult Fiction. Inside the covers of this book, the reader will be treated to anecdotes like these from the Hix family life: The time the Hix burglarized a mansion as a family and brought home a hundred grand's worth of loot The time Billy Bob and one of his sons chased all the blacks out of the Birmingham welfare office How Billy Bob managed to prevent his lesbian daughter from marrying a 50-year-old woman The story of when Billy Bob ran for mayor of Birmingham How two of the family members became local heroes in the pro-wrestling circus During this year, the family ran into a number of celebrities as well, and these encounters are retold in full detail. Hopefully reading the book will bring many hours of enjoyment, and perhaps even spark a debate about freedom of speech. Speaking of free speech - prior to the publication of this novel, certain well-known voices in American public life demanded that their commentary on the book would be included with its distribution. The author had no problems with including them, and their messages are listed below: Once again the white devil has put his racist sentiments on display for all of us to see. Peaceful activists such as myself are doing the best we can to let our nation heal the wounds it's suffered under white supremacist rule, then this book comes along and ruins it all! /A. Sharpton This book will singlehandedly set us back at least 50 years in the struggle for women's liberation. Not a single woman in this book has a career or works for a living; and even worse, the family's lesbian daughter is constantly bullied throughout the whole book! /J. Fonda This is an outrage! In spite of a lifetime spent fighting for civil rights, I'm being scoffed and ridiculed in the pages of this book! Us blacks need to picket the Capitol over this! /J. Jackson I fear that after this book has been widely circulated, even more young queers than today will make that tragic step into the great beyond by taking their own lives, tormented by homophobia. Before you buy this book, think of the children! /D. Savage I feel that the

language and the narrative elements of this book are very racially divisive and that they're entirely inappropriate for 21st-century America. I'm especially appalled at the disrespectful references to me as a person and I urge you not to buy the book! /B.H. Obama For more information, go to alabamastory.com.

Reading Sounds Sean Zdenek,2015-12-23 The work of writing closed captions for television and DVD is not simply transcribing dialogue, as one might assume at first, but consists largely of making rhetorical choices. For Sean Zdenek, when captioners describe a sound they are interpreting and creating contexts, they are assigning significance, they are creating meaning that doesn't necessarily exist in the soundtrack or the script. And in nine chapters he analyzes the numerous complex rhetorical choices captioners make, from abbreviating dialogue so it will fit on the screen and keep pace with the editing, to whether and how to describe background sounds, accents, or slurred speech, to nonlinguistic forms of sound communication such as sighing, screaming, or laughing, to describing music, captioned silences (as when a continuous noise suddenly stops), and sarcasm, surprise, and other forms of meaning associated with vocal tone. Throughout, he also looks at closed captioning style manuals and draws on interviews with professional captioners and hearing-impaired viewers. Threading through all this is the novel argument that closed captions can be viewed as texts worthy of rhetorical analysis and that this analysis can lead the entertainment industry to better standards and practices for closed captioning, thereby better serve the needs of hearing-impaired viewers. The author also looks ahead to the work yet to be done in bringing better captioning practices to videos on the Internet, where captioning can take on additional functions such as enhancing searchability. While scholarly work has been done on captioning from a legal perspective, from a historical perspective, and from a technical perspective, no one has ever done what Zdenek does here, and the original analytical models he offers are richly interdisciplinary, drawing on work from the fields of technical communication, rhetoric, media studies, and disability studies.

Just A Fling Charity Ferrell,2017-04-12 A Hollywood princess mixing business and pleasure with my hot bodyguard is a headline I'll gladly live up

to. After a messy breakup, I promised myself—no more dating. Then my new bodyguard walks in. He’s nothing like the men in my world. He’s rugged and real. But I’m only a job to him. But the longer we’re forced together, the harder it gets to fight our feelings. He starts seeing the real me—not the woman plastered all over the tabloids. So, I make him an offer: a no strings attached relationship that will end as soon as his job is over. I just wasn’t prepared for him to know my secrets, to fall in love with him, and how hard it’d be when it was time to say goodbye.
