The Music of Charlie Chaplin Jim Lochner,2018-09-20 Charlie Chaplin the actor is universally synonymous with his beloved Tramp character. Chaplin the director is considered one of the great auteurs and innovators of cinema history. Less well known is Chaplin the composer, whose instrumental theme for Modern Times (1936) later became the popular standard Smile, a Billboard hit for Nat King Cole in 1954. Chaplin was prolific yet could not read or write music. It took a rotating cast of talented musicians to translate his unorthodox humming, off-key singing, and amateur piano and violin playing into the singular orchestral vision he heard in his head. Drawing on numerous transcriptions from 60 years of original scores, this comprehensive study reveals the untold story of Chaplin the composer and the string of famous (and not-so-famous) musicians he employed, giving fresh insight into his films and shedding new light on the man behind the icon.

Madrigal for Charlie Muffin Brian Freemantle,2011-08-23 An ex-spy is about to upend the world of international intrigue. Meet “the most degenerate and lovable character ever cast in the role of secret agent” (Manchester Evening News). Charlie Muffin is back at rock bottom. The ex-spy has had a rough few years since British intelligence first turned on him and forced him to go into hiding. He’s drinking again, forgetting things—getting soft. He hasn’t even noticed the tap on his phone. Though Charlie doesn’t know it yet, the walls are closing in again. He takes a job for his only friend, Rupert Willoughby, who sends Charlie to Rome to check the security system for some valuable jewels. Charlie has chosen the wrong time to visit the Eternal City. There’s a mole in the British embassy there, and the agents of the East and West are homing in fast. Charlie, unlucky as always, is about to find himself caught between a very solid rock and an equally hard place. This ebook features an illustrated biography of Brian Freemantle including rare photos from the author’s personal collection.
