Neil Cross

*Holloway Falls* Neil Cross,2015-01-27 The paths of a cult leader, a precognitive man with a secret, and a detective with a troubled past intersect in this dark and absorbing mystery from the creator of *Luther* Andrew Taylor was a typical, pleasant lower-middle-class Bristol boy, content with his dependable life and loving family . . . until the dreams started coming. He has violent, visceral, powerful visions at night, whispering about darkness, death, murdered women, nationwide grief. Even worse, the dreams appear to be coming true, and soon Taylor finds himself living in a nightmare. William Holloway is the investigator called on to examine Taylor's unexpected disappearance. It looks like an open-and-shut case of suicide: Family man has mental breakdown, walks into sea to end pain. But strange clues nag at Holloway, especially after an old adversary rises from the grave to torment the detective. How, if at all, is this spirit connected to Taylor's disappearance?

**The Collected Works Volume One** Neil Cross,2018-08-07 Three edge-of-your-seat psychological thrillers from the creator of the hit BBC crime series *Luther* and a "master of suspense" (*Daily Mirror*). The PEN/Ackerley Prize–shortlisted author and creator of *Luther* starring Idris Elba, British novelist Neil Cross is "an astonishing writer—tautly lyrical, and able at a stroke to fill you with cold, dark fear of the malign forces at large in the world." In this collection, he combines gritty, nail-biting suspense with a depth of characterization that surpasses most thrillers (*Time Out London*). *Captured*: Diagnosed with late-stage brain cancer, Kenny Drummond is determined to make amends while there's still time. But when he tries to contact an old schoolmate, Callie Barton, he finds she's disappeared without a trace—and it seems her husband may have something to hide. With a ticking clock and a promise to keep, nothing's going to stop Kenny from finding out what happened to Callie. "Cross's clear, precise style makes for a compelling, read-in-one-sitting thriller. Yet there is more to this novel—brooding questions of morality, mortality and responsibility." —*The Word* *Holloway Falls*: The paths of a cult leader, a precognitive man with a secret, and a detective with a troubled past intersect in this "compulsive tale of disappearance, abduction, coincidence, psychotic jealousy, and imaginative daring. . . . The plot is *Vertigo* on ketamine" (*The Guardian*). "Neil Cross's excellent third novel is an ingenious revenge thriller which draws you in with its spare, snappy prose, and then messes with your head." —*Time Out* *Mr. In-Between*: Jon Bennet is the perfect hitman: utterly reliable and completely detached. On the tight leash of the Tattooed Man, Jon kills and maims on order. But after bumping into old friends, he is drawn back into the normal world with its bonds of love and kindness, and finds himself changing back into the person he once was. The Tattooed Man, however, requires total servitude, and his wrath is more fearful than Jon could ever have expected. "[A] thrilling tale of perverse redemption." —*The Literary Review*

**The London Bible** Katherine Harlow,Katya Holloway,2004 Covering everything visitors (and residents) need to know about accommodation, transportation, sightseeing, and employment, this just may be the definitive companion for those who want to experience all that London has to offer. Area by area, and pub by pub, it's here. Photos.

*London: Bombed Blitzed and Blown Up* Ian Jones,2016-10-31 When it comes to being bombed, London is unique. Although it cannot claim to be the most bombed capital city in terms of the weight of explosive detonated it has endured the most varied and unrelenting attack since the discovery of explosives. From the first Irish Republican bomb in 1867, London and its population have been under almost constant assault. Terrorism features in virtually every decade from the 1860s to the present and has caused much damage, particularly during the late 1980s and early 1990s. However, by far the greatest destruction was

from the air. The Zeppelin and Gotha bomber raids in the First World War being but a foretaste of what would happen in the Second. Then the capital was devastated, firstly by the Luftwaffe's aeroplanes and then Hitler's Vengeance weapons, the V-1s and V-2s. After the Second World War the bombers returned, in the form of the IRA and then the homegrown terrorists of 2005. Written by a former Explosives Officer who worked for the Counter Terrorism Command of the Metropolitan Police, this is the most comprehensive record of Britain's capital under attack that has ever been compiled.

**Jail Bird - The Life and Crimes of an Essex Bad Girl** Tracy Mackness, 2013-06-20 Tracy Mackness has always had a flair for business - if not all of it legal. She started work as a youngster on her dad's fruit and veg stall in Romford Market in the early 1970s, preferring grafting to going to school, but by the time she was a teenager she'd fallen in with a fast crowd and spent much of the next 15 years ducking and diving, and partying. The 1980s was a time of conspicuous excess, and Tracy took bigger and bigger risks - whilst sporting bigger and bigger hair - fraternising with gangsters, gypsies, prize fighters and the Essex criminal underworld. From Essex country clubs to Magaluf, Tracy was there, living life large. It was only when she was sent down for 10 years for conspiracy to supply cannabis, after being caught with 'a lorry load of puff' at a motorway service station off the M25, that she was able to turn her life around. Despite being banged up with some of the UK's toughest female prisoners, she proved to be a model inmate, and found her forte working on the prison farm. Never shy of hard work, Tracy left prison with numerous qualifications in pig husbandry and set up her own business, The Giggly Pig, which has become a huge success selling sausages at farmers' markets and festivals up and down the country. With her shrewd business acumen and bubbly personality, Tracy has come through the bad times with a hugely entertaining story to tell and a new life to live.

**The Girl You Left Behind** Jojo Moyes, 2013-08-20 From the New York Times bestselling author of The Giver of Stars, a sweeping bestseller of love and loss, deftly weaving two journeys from World War I France to present day London. Paris, World War I. Sophie Lefèvre must keep her family safe while her adored husband, Édouard, fights at the front. When their town falls to the Germans, Sophie is forced to serve them every evening at her hotel. From the moment the new Kommandant sets eyes on Sophie's portrait—painted by her artist husband—a dangerous obsession is born. Almost a century later in London, Sophie's portrait hangs in the home of Liv Halston, a wedding gift from her young husband before his sudden death. After a chance encounter reveals the portrait's true worth, a battle begins over its troubled history and Liv's world is turned upside all over again.

**Never Ask the Dead** Gary Donnelly, 2021-02-18 WHEN ONLY THE DEAD HAVE THE ANSWERS, WHO CAN TELL YOU THE TRUTH? DI Owen Sheen and DC Aoife McCusker are working for the Serious Historic Offences Team in Belfast, although the hands-on approach of the chief constable and the political agendas at play are a struggle to manage. A cryptic message from a retired, and now missing, cop preys on Sheen's mind. Tucker Rodgers claims his friend has been killed and now someone is coming for him. Sheen and McCusker's search for Tucker and the truth places them in the path of the most notorious IRA double agent of the Troubles, as well as someone else with an old score to settle .with

**The Twins** Saskia Sarginson, 2013-07-30 They were inseparable until an innocent mistake tore them apart. Growing up, Viola and Issy clung to each other in the wake of their mother's eccentricity, as she dragged them from a commune to a tiny Welsh village. They thought the three of them would be together forever. But an innocent mistake one summer set them on drastically different paths. Now in their twenties, Issy is trying to hold together a life as a magazine art director, while Viola is slowly destroying herself, consumed with guilt over the events they unknowingly set into motion as children. When it seems that

Viola might never recover, Issy returns to the town they haven't seen in a decade, to face her own demons and see what answers, if any, she can find. A deeply moving, gripping debut, this is a novel about the secrets we carry, and the bonds between twins.

**One Plus One** Jojo Moyes, 2014 Suppose your life sucks. Your husband has done a vanishing act, your stepson is being bullied and your daughter has a once in a lifetime opportunity - that you can't afford to pay for. So imagine you found and kept some money that didn't belong to you, knowing it would pay for your daughter's happiness. But how do you cope with the shame? Especially when the man you've lied to decides to help you out in your hour of need. Jess is in hell - Ed has saved her family - but is their happiness worth a lifetime's soul-searching? 2014.

**A Call on Kuprin** Jerome Lawrence, Robert Edwin Lee, 1962

Dead Line Stella Rimington, 2010-06-29 Here is the fourth installment in Stella Rimington's series of thrilling novels that have at their center MI5 officer Liz Carlyle. As plans get under way for a Middle East peace conference at the Gleneagles resort in Scotland, alarming information comes to MI5 from a high-ranking Syrian source: two individuals are mounting an operation to violently disrupt the conference and lay the blame on Syria. No one knows who they are, exactly what they're planning or if they're working independently or being controlled by an unseen foreign hand. But given the stature of the conference attendees—heads of state from the United States, the United Kingdom, Israel, Syria, Jordan, Lebanon and Iran—no chances can be taken. Initially, the leads look promising, but as the conference deadline draws closer and the clues lead Liz to one seeming dead end after another, she begins to understand that the threat is far greater than she or anyone else has imagined. Her most reliable tool has always been her searingly keen intuition—about what makes people tick, what makes them explode, what makes them defy the most basic constructs of society—but will it be enough to avert a disaster that may forever erase the possibility of peace in the Middle East? Once again, Stella Rimington brings her experience as the first woman Director General of MI5 to bear in a powerfully suspenseful, intellectually and psychologically riveting tale about how the war on terrorism can suddenly—and continually—reshape our world.

**Waterloo Sunrise** John Davis, 2024-03-26 This is an urban history of London during the pivotal years of the 1960s and 1970s, when the metropolis was transformed from an industrial city that the Victorians might have recognised to an embryonic modern 'world city.' Previous work on London in these years has tended to focus upon the 1960s - in particular the 'Swinging London' phenomenon. Mary Quant, Carnaby Street and the King's Road, Chelsea, all appear in these pages, but it is argued that the 'swinging moment' of the mid-sixties was a passing symptom of a much broader transformation from an industrial to a service-based city, and it is that transformation which this book examines. London is too complex and diverse a city to be comprehended in a simple linear narrative; this book adopts instead an innovative approach to urban history, by which London life and London's transformation are examined through a number of case studies looking at specific themes and areas of the city. Consumerism and the 'experience economy', home ownership and gentrification, deindustrialisation and deprivation, racial tension and unemployment, the attrition of public services and the steady loss of confidence in public agencies - national and local - emerge as overarching themes from the individual case studies in this book. Their combined effect, it is argued, was to prepare the ground for the Britain that Margaret Thatcher is usually held to have created after 1979 - without Thatcher herself having anything to do it--

*The Taxi Driver Killer* Ken Blanch, 2006 This book is a true crime casebook detailing the Gold Coast's most infamous homicide. Veteran reporter and author, Ken Blanch, who was present the day a bloodstained taxi was discovered at Southport in 1952, re-examines the infamous case that led to the arrest of

one of Australia's most notorious criminals. The author explores the actions of detectives and their suspect, raising serious questions about the investigation and trial. This book is extensively researched and includes over 50 images, many never before published.---Backcover.

*London's Underground* Oliver Green,2023-10-24 Published in conjunction with TFL, this is a comprehensive guide to the London Underground, combining a historical overview, illustrations and newly commissioned photography.

*Flypast* ,2006

**The Virago Woman's Travel Guide to London** Josie Barnard,1994 London is lustrous, literary, loud & lewd. Josie Barnard, author of the Virago Woman's Guide to New York, captures all the many wonders of this famous city with a special emphasis on women's contributions to London's history, art & culture. This comprehensive guide offers a unique & invaluable look at this complex city. Women travelers will appreciate her valuable advice on places where they will feel welcome, safe & comfortable.

Wish You Were Here Nick Webb,2005-03-29 "This amusing, sad, and heartfelt look at [Adams's] life is a true gift."—New York Post It all started when Douglas Adams demolished planet Earth in order to make way for an intergalactic expressway—and then invited everyone to thumb a ride on a comical cosmic road trip in *The Hitchhiker's Guide to the Galaxy*. Adams made the universe a much funnier place to inhabit and forever changed the way we think about towels, extraterrestrial poetry, and especially the number 42. And then, too soon, he was gone. In *Wish You Were Here*, Nick Webb, a longtime friend of the author, reveals the many sides, quirks, and contradictions of Douglas Adams. A summation as celebration, it is a look back at a life well worth the vicarious reliving, as studded with anecdote, droll comic incident, and heartfelt insight as its subject's own unforgettable tales of cosmic wanderlust. Praise for *Wish You Were Here* "Webb's tale brims with affection and humour; every page is a delight."—The Daily Mail "It's perhaps the ultimate credit to Webb that he can be just as funny as Adams in his writing. With many of the same veins of humour that Adams had running throughout this biography, it's as if the great hitchhiker has never really left."—The Leeds Guide

**Burial** Neil Cross,2010-03-16 Everyone makes mistakes. But what if your biggest mistake was something you could never live down? Something so awful and despicable that it weighs daily on your soul? Nathan has never been able to forget the worst night of his life. Only he and an old acquaintance know what really happened and they have made a pact to keep silent. Now, years later, a knock on his door brings terrifying news. Old wounds are suddenly reopened, threatening to tear Nathan's whole world apart, as he comes face to face with the bleak landscape of lies and deception that has become his life. *Burial* is the story of one man's obsession with redemption. Can you ever really bury your guiltiest secret? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Call the Fire Brigade! Allan Grice,2012-08-30 Working as a fireman in London's East End during the early 1970s was no easy ride. In the years before workplace health-and-safety legislation had started to exert its grip, Allan Grice had to cut his fire-and-rescue teeth without the advantages of a breathing apparatus for each member of his crew. Back then, the time-tested strategy was to 'get in' – to crawl below the intense heat and 'eat' the thick smoke – in order to locate a missing child or to halt a rapidly spreading inferno. In *Call the Fire Brigade!*, Grice recounts his most memorable experiences as a front-line member of the London Fire Brigade working the city's East End, with its myriad commercial premises, brooding Thames-side warehouses, seedy tenements

and colourful cosmopolitan community, ranging from prosperous manufacturers to down-and-out winos with their body-warming bonfires in derelict houses. Fires in factories, tenements and warehouses, and non-fire emergencies such as the Moorgate Tube disaster of 1975, are graphically described, while the elation of rescue, the sadness of being too late to save lives and the warm camaraderie of fire crews during some of the capital's busiest peacetime years are vividly depicted.

The Crash Robert Peston, 2023-09-14 As the world falls apart, a deadly conspiracy comes together . . . THE BRAND NEW 2023 THRILLER FROM BRITAIN'S TOP POLITICAL JOURNALIST - NOW AVAILABLE TO PRE-ORDER IN HARDBACK, EBOOK & AUDIOBOOK. \_\_\_\_\_  
London, 2007. It's summer in the City: the economy is booming, profits are up and the stock market sits near record highs. But journalist Gil Peck is a lone voice worrying it can't last. Deep in the plumbing of the financial system, he has noticed strange things happening which could threaten the whole economy. But nobody wants to hear it: not the politicians taking credit for an end to boom and bust, not the bankers pocketing vast bonuses, not even Gil's bosses at the BBC, who think it's irrelevant. When Gil gets a tip-off that a small northern bank has run out of money, everything changes. His report sparks the first run on a UK bank in 140 years. The next day, Marilyn Krol, a director of the Bank of England dies in an apparent suicide. For Gil, it's personal. Marilyn was his lover: was his scoop connected to her suicide? Or is there something more sinister in her death? Gil is determined to find out. The more he investigates, the more he is drawn into the rotten heart of the financial system, where old school ties and secret Oxbridge societies lubricate vast and illegal conflicts of interest. The whole economy has been built on a house of cards, and Gil is threatening to bring it down. When simply reporting the facts can make or break fortunes, Gil has to ask himself: is he crossing the line between journalist and participant? Are his own conflicts of interest making him reckless? And in a world ruled by greed where nothing and no-one is too big to fail, what price will he pay for uncovering the truth? PRAISE FOR ROBERT PESTON'S DEBUT THRILLER, THE WHISTLEBLOWER: 'Brilliant' - THE TIMES 'Cracking' - DAILY MAIL 'Winning' - SUNDAY TIMES 'A hell of a read' - OBSERVER 'Enthralling' - FINANCIAL TIMES 'Enjoyable, intelligent' - GUARDIAN 'A romping thriller' - INDEPENDENT 'A rollicking read' - EVENING STANDARD 'A gripping thriller' - DAILY EXPRESS 'Fascinating' - DAILY MIRROR 'Gripping' - RADIO TIMES 'Compelling' - THE SUN
