Getting the Love You Want Harville Hendrix, 2001 I know of no better guide for couples who genuinely desire a maturing relationship. M. Scott Peck, author of *The Road Less Traveled* A remarkable book the most incisive and persuasive I have ever read on the knotty problems of marriage relationships. The Wife, the Maid, and the Mistress Ariel Lawhon, 2014-10-07 From the New York Times bestselling author of *I Was Anastasia* comes a “genuinely surprising whodunit” (USA Today) that tantalizingly reimagines a scandalous murder mystery that rocked the nation. One summer night in 1930, Judge Joseph Crater steps into a New York City cab and is never heard from again. Behind this great man are three women, each with her own tale to tell: Stella, his fashionable wife, the picture of propriety; Maria, their steadfast maid, indebted to the judge; and Ritzi, his showgirl mistress, willing to seize any chance to break out of the chorus line. As the twisted truth emerges, Ariel Lawhon’s wickedly entertaining debut mystery transports us into the smoky jazz clubs, the seedy backstage dressing rooms, and the shadowy streets beneath the Art Deco skyline. Don’t miss Ariel Lawhon’s new book, *The Frozen River*!

Star Trek: Voyager: String Theory #3: Evolution Heather Jarman, 2006-03-01 ENTANGLED STRANDS OF PAST AND PRESENT ENDANGER THE FUTURE A wake of destruction and loss threatens the U.S.S. Voyager™ as Chakotay assumes command. Grief over Janeway's impending death coupled with anxiety brought on by the disappearance of Paris, Kim, and the Doctor forces the crew to take increasingly dangerous actions in order to assure their own survival. But Voyager doesn't fight alone: behind the lines, powerful forces have allied to give the starship aid. Toward this end, a

familiar nemesis -- the cosmic meddler Q -- sends Paris and Kim on a perilous journey. Elsewhere, the Doctor, trapped in a dimension alien to human understanding, reunites with an old friend to help secure the fates of those he's left behind. Yet the conflict raging in the Monorhan system is merely a surface manifestation of more serious turmoil; the true struggle is rooted in the universe's very foundation. Standing at the eye of this maelstrom is Voyager, whose crew may hold the fate of all.

Star Trek: Voyager: String Theory #3 Heather Jarman, 2006-03 In the exciting conclusion to the String Theory trilogy, the crew of Voyager faces a conflict that will shake the very foundation of the universe. Original.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Love Yourself Like Your Life Depends on It Kamal Ravikant,2020-01-07 THE SELF-PUBLISHED PHENOMENON –NOW FULLY REVISED AND EXPANDED I almost didn't publish *Love Yourself Like Your Life Depends on It*. Here I was, a CEO who'd fallen apart after his company failed, writing a book about how loving himself saved him. I thought I'd be a laughingstock and my career would be finished. But I stepped through the fears and shared my truth with the world. The book went viral. Amazing people all over bought copies for friends and family. For some, this book saved their lives. For others, it was the first time they ever loved themselves. Many readers reached out and asked questions. This taught me that, to create lasting impact, I had to go deeper. So, seven years later, here it is. All the questions I received, resolved. My intention is that by the time you finish this new edition, not only will you be committed to loving yourself, you'll know exactly how to do it. And, most importantly, how to make it last.

The Poetical Works of Alexander Pope, Esq. To which is Prefixed the Life of the Author. By Dr Johnson. (The Iliad of Homer, Translated by A. Pope.–The Odyssey of Homer, Translated by A. Pope. To which is Added the Battle of the Frogs and Mice.). Alexander Pope,1824

The Dress Lodger Sheri Holman,2010-04-09 A New York Times Notable Book from the author of *A Stolen Tongue: A tale of crime and survival in nineteenth-century England* “as unsettling as it is brilliant” (The Washington Post Book World). In Sunderland, England, a city quarantined by the cholera epidemic of 1831, a defiant, fifteen-year-old beauty in an elegant blue dress sells her body to feed her only love: a fragile baby boy. When the surgeon Henry Chiver offers Gustine a different kind of work, she hopes to finally change her terrible circumstances. But Chiver was recently implicated in the famous case of Burke and Hare, who murdered beggars and sold their corpses for medical research. And soon, Gustine's own efforts to secure cadavers for Chiver's anatomy school will threaten the very things she's working so hard to protect . . . “Reminiscent of *Wuthering Heights* . . . or the novels of Dickens . . . An even better book than Holman's first, with prose that's more limber and vivid—and with, appropriately, even more heart.” —The New York Times Book Review “As unsettling as it is brilliant. Holman attempts Herculean feats of plot and character, and the resulting

novel is seamlessly crafted.” —The Washington Post Book World “Holman seduces you. Her prose, tart, racy and somber, will sing in your soul a long while.” —Frank McCourt, author of *Angela’s Ashes* “Holman’s style is risky and direct . . . with unflinching emotional precision. This dazzlingly researched epic is an uncommon read.” —Publisher Weekly, starred review
