Financial Basics Susan Knox,2004 Jason is typical of today's college students, who are assuming unprecedented debt burdens because of relaxed limits on student loans and easily obtained credit cards. Many on college campuses are calling it a fiscal crisis. Financial Basics tackles the gaps in the personal financial knowledge of college students. Beginning with debit-credit card issues, student loan decisions, and the challenge of managing and reducing debt, Knox walks readers through money management. She skillfully addresses the how to's of checking accounts, spending plans, emergency funds, and credit histories. She discusses financial personalities and the emotions of money, as well as practical record-keeping and simple filing techniques.
