Chelsea Handler

*Life Will Be the Death of Me* Chelsea Handler, 2020-06-23 #1 NEW YORK TIMES BESTSELLER • “This will be one of your favorite books of all time. Through her intensely vulnerable, honest, and hilarious reflections, Chelsea shows us more than just her insides. She shows us ourselves.”—Amy Schumer Don’t miss Chelsea Handler’s new Netflix stand-up special, *Revolution*, now streaming! In the wake of President Donald Trump’s election, feeling that her country—her life—has become unrecognizable, Chelsea Handler has an awakening. Fed up with the privileged bubble she’s lived in, she decides it’s time to make some changes. She embarks on a year of self-sufficiency and goes into therapy, prepared to do the heavy lifting required to make sense of a childhood that ended abruptly with the death of her brother. She meets her match in an earnest, nerdy shrink who dissects her anger and gets her to confront her fear of intimacy. Out in the world, she channels her outrage into social action and finds her voice as an advocate for change. With the love and support of an eccentric cast of friends, assistants, family members (alive and dead), and a pair of emotionally withholding rescue dogs, Chelsea digs deep into the trauma that shaped her inimitable worldview and unearths some glittering truths that light up the road ahead. Thrillingly honest and insightful, Chelsea Handler’s darkly comic memoir is also a clever and sly work of inspiration that gets us to ask ourselves what really matters in our own lives.

**My Horizontal Life** Chelsea Handler, 2013-04-30 In this raucous collection of true-life stories, Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You’ve either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend’s irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. *My Horizontal Life* chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. *My Horizontal Life* is one guilty pleasure you won’t be ashamed to talk about in the morning.

**Uganda Be Kidding Me** Chelsea Handler, 2014-03-04 Wherever Chelsea Handler travels, one thing is certain: she always ends up in the land of the ridiculous. Now, in this uproarious collection, she sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it’s anyone’s guess as to what’s more dangerous: the wildlife or Chelsea. But whether she’s fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she’s always game for the next misadventure. The situation gets down and dirty as she defiles a kayak in the Bahamas, and outright sweaty as she escapes from a German hospital on crutches. When things get truly scary, like finding herself stuck next to a passenger with bad breath, she knows she can rely on her family to make matters even worse. Thank goodness she has the devoted Chunk by her side—except for the time she loses him in Telluride. Complete with answers to the most frequently asked traveler’s questions, hot travel trips, and travel etiquette, none of which should be believed, *UGANDA BE KIDDING ME* has Chelsea taking on the world, one laugh-out-loud incident at a time.

**Chelsea Chelsea Bang Bang** Chelsea Handler, 2010-04-01 In these personal essays, the hilarious comedian and Chelsea Lately host reflects on family, love life, and the absurdities of adulthood with cheeky candor and signature wit (Philadelphia Inquirer). Life doesn’t get more hilarious than when Chelsea Handler takes aim with her irreverent wit. Who else would send all-staff emails to smoke out the dumbest people on her show? Now, in this new collection of original essays, the #1 bestselling author of *Are You There, Vodka? It’s Me, Chelsea* delivers one laugh-out-loud moment after another as she sets her sights on the ridiculous side of childhood, adulthood, and daughterhood. Family moments are fair game, whether it’s writing a report on Reaganomics to earn a Cabbage Patch doll, or teaching her father social graces by ordering him to stay indoors. It’s open season on her love life, from playing a prank on her boyfriend (using a ravioli, a fake autopsy, and the Santa Monica pier) to adopting a dog so she can snuggle with someone who doesn’t talk. And everyone better duck for cover when her beach vacation turns into matchmaking gone wild. Outrageously funny and deliciously wicked, *Chelsea Chelsea Bang Bang* is good good good good! Chelsea Handler on . . . Being unpopular: My parents couldn’t have been more unreasonable when it came to fads or clothes that weren’t purchased at a pharmacy. Living with her boyfriend: He’s similar to a large toddler, the only difference being he doesn’t cry when he wakes up. Appreciating her brother: He’s a certified public accountant, and I have a real life. Arm-wrestling a maid of honor: It wasn’t her strength that intimidated me. It was the starry way her eyes focused on me, like Mike Tyson getting ready to feed.

**Are You There, Vodka? It’s Me, Chelsea** Chelsea Handler, 2009-12-29 In a word: hilarious. . . . These are some of the funniest stories I have ever read and they’re also some of the most unexpectedly heartfelt—Laura Zigman, author of *Animal Husbandry*.

**Lies That Chelsea Handler Told Me** Friends Chelsea’s Family, and Other Victims, 2011-05-10 My tendency to make up stories and lie compulsively for the sake of my own amusement takes up a good portion of my day and provides me with a peace of mind not easily attainable in this economic climate.—Chelsea Handler, from Chapter 10 of *Chelsea Chelsea Bang Bang* It’s no lie: Chelsea Handler loves to smoke out dumbassness, the condition people suffer from that allows them to fall prey to her brand of complete and utter nonsense. Friends, family, co-workers—they’ve all been tricked by Chelsea into believing stories of total foolishness and into behaving like total fools. Luckily, they’ve lived to tell the tales and, for the very first time, write about them.

**Grow, Candace, Grow** Candace Cameron Bure, 2020-01-21 How did you learn patience as a child? In the story, little Candace decides to give her classroom garden a little help so it can quickly grow the flowers of her dreams . . . but soon discovers patience is the best plan after all. New York Times bestselling author and actress Candace Cameron Bure (Netflix’s *Fuller House*) celebrates spring with *Grow, Candace, Grow*, the second book in her popular picture book series. Kids will enjoy reading about Candace’s silly shenanigans, with her friends and hamster, Harry. Each page showcases bright illustrations featuring signs of spring with blossoms, butterflies and an

occasional muddy puddle. Great for readers, ages 4-8 Perfect gift for birthdays, Easter or any springtime storytimes Teaches young children about patience, self-awareness and productivity

**Man Up!** Ross Mathews, 2013-05-07 In this hilarious and inspirational memoir, Ross Mathews -- best known as Ross the Intern from The Tonight Show with Jay Leno -- chronicles his life growing up as an atypical kid in a small Northwestern farm town to living as an atypical adult in Los Angeles, to eventually being his loud, proud, apologetically genuine self on national television. As a young kid growing up in a farm town, Ross Mathews might as well have wished for a pet unicorn or a calorie-free cookie tree to grow in his front yard. Either of those far-fetched fantasies would have been more likely to come true than his real dream: working in television in Hollywood, California. Seriously, that stuff just doesn't happen to people like Ross. But guess what? It totally did. Now, with his first book, Ross takes us inside his journey as a super-fan, revealing the most embarrassing and hilarious moments of his small-town life and big-city adventures. From learning to swear like a hardened trucker to that time in high school when had to face down the most frightening opponent of all (his girlfriend's lady bits), Ross holds nothing back. Oh, then there's his surprisingly shady past involving the cutest pair of plus-sized women's pajama bottoms, deliciously dangerous pot butter, and embezzled sandwiches. And, of course, how he's managed to turn an obsession with pop-culture into one-on-one interactions with celebrities like Gwyneth Paltrow, Tiffani-Amber Theissen, Madonna, Michelle Kwan, and countless more without ever having a single restraining order issued against him. Infused with Ross's trademark humor, unique voice, and total honesty, *Man Up!* is a mission statement for anyone who doesn't fit the mold. His hasn't been the most traditional way to build a career in Hollywood, but Ross has somehow managed to make his mark without ever compromising who he is. He is as serious about this as he is about Golden Girls trivia: You don't need to change who you are to achieve your dreams (although there's nothing wrong with a makeover every now and then). You just need to *Man Up!*

**Mixed Plate** Jo Koy, 2021-03-23 A stunning, hilarious memoir from beloved comedian Jo Koy, "far and away one of the funniest people out there" (Chelsea Handler). *Mixed Plate* illuminates the burning drive and unique humor that make Jo Koy one of today's most successful comedians. Includes never-before-seen photos. Well guys, here it is—my story. A funny, sad, at times pathetic but also kick-ass tale of how a half-Filipino, half-white kid whose mom thought (and still thinks) his career goal was to become a clown became a success. Not an overnight success, because that would have made for a really short read, but an All-American success who could give my immigrant mom the kind of life she hoped for when she came to this country, and my son the kind of life I wished I'd had as a kid. With all the details of what it felt like to get the doors closed in my face, to grind it out on the road with my arsenal of dick jokes, and how my career finally took off once I embraced the craziness of my family, which I always thought was uniquely Filipino but turns out is as universal as it gets. In this book, I'll take you behind the mic, behind the curtain—OK, way behind it. From growing up with a mom who made me dance like Michael Jackson at the Knights of Columbus, to some real dark stuff, the stuff we don't talk about often enough as immigrants. Mental health, poverty, drinking. And show you the path to my American Dream. Which was paved with a lot of failure, department store raffle tickets to win free color televisions, bad jokes, old VHS tapes, a motorcycle my mom probably still hates, the only college final I aced (wasn't math), and getting my first laugh on stage. There's photo evidence of it all here, too. In this book, I get serious about my funny. And I want to make you laugh a little while I do it. I'm like Hawaii's favorite lunch—the mixed plate. Little bit of this, a little bit of that. My book *Mixed Plate* is too.

**I Can Barely Take Care of Myself** Jen Kirkman, 2014-04-22 Discusses the author's choice to not have children and how it shapes and affects her comedy career, and provides humorous advice to those making similar choices on how to handle friends and family pressuring them to have a child.

**Forever . . .** Judy Blume, 2014-04-29 Two high school seniors believe their love to be so strong that it will last forever.

**It's Not Me, It's You** Stefanie Wilder-Taylor, 2009-06-30 Stefanie Wilder-Taylor has never been one to take the easy, conventional route. In her latest work *It's Not Me, It's You*, she unabashedly showcases a life well lived, ignoring all wisdom, but yet somehow, coming out on top. Combining her trademark biting wit and straightforward common sense, the anticipated comedic memoir delivers outrageous tales from all periods of her life and family history. From Taylor's outlook on working hard (audition for a game show instead) to getting her husband to propose (forget *The Rules*: try nagging and physical violence) these stories venture beyond daycare, sure to entertain both parents and non-parents alike. Covering a wide range of topics that explore the anxiety, frustration, and exhaustion that accompany the rewarding, comical, awe-inspiring, and life-altering roles of parent, teenager, wife, and daughter, *It's Not Me, It's You* offers readers an escape, empathy, and plenty of laughs.

**The World Deserves My Children** Natasha Leggero, 2023-05-09 The stand-up comedian presents a funny collection of essays on being a mom that explores themes like geriatric motherhood, parenting in an environmental panic, fear and love, and conflicting advice on raising children.

**Little Nuggets of Wisdom** Chuy Bravo, 2010-04-01 In this very first book from the man Chelsea Handler calls her little nugget and assistant, Chuy Bravo reveals his hilarious, one-of-a-kind approach to life. Now anyone can live and love the Chuy Bravo way, thanks to this book and its little nuggets of advice covering family, finances, friendship, fashion, travel, food, fitness, and more. The book also contains the first-ever comprehensive Chuy Bravo autobio documenting his extraordinary life.

**The Future is Feminist** Mallory Farrugia, 2019-02-19 A star-studded roster of iconic women write powerfully about what it means to be a feminist yesterday, today, and tomorrow. These poets, essayists, activists, actors, and professors address topics ranging from workplace harassment to resting bitch face. The results are by turns refreshing, provocative, moving, and hilarious. A diverse chorus of intersectional voices and a forward-looking stance set this book apart, and its vibrant, textured package makes it a beautiful gift. It's the smart, covetable anthology that women of all ages will turn to for support and inspiration in the ongoing fight for gender equality.

**Thanks for the Money** Joel McHale, 2016-10-25 From actor and comedian Joel McHale comes the most important celebrity-penned book of this, or any, generation. Part shocking tell-all memoir, part aspirational how-to guide, and mostly all book, this one-of-a-kind tome is required reading for anyone who enjoys Hollywood gossip, get-rich-gradually tips, and copious illustrations and charts. "...Thanks for the Money is a clever, much-needed antidote to the age of celebrity book deals. If the tide can't be stopped, at least it can be mocked."—EW.com Joel McHale pulls back the curtain on his personal journey to stardom! Here, for the first time, Joel reveals all that has

molded him into the acclaimed comic actor he is today: a love of performance, a series of boyhood head injuries, and most importantly, a passion for financial compensation and free shoes. It's all here: Joel's career trials and tribulations, his criminal trials and tribulations, and an honest, unflinching list of all the people he's been paid money to make out with, on camera. But the book does not stop there! Because if you want wealth, fame, and cost-free footwear, Joel will share every vital tip he has learned: an insanely low-carb diet plan, how to escape from a certain pseudo-religious celebrity cult, and more! How can you unlock the power of the Joel McHale who lurks inside? What happened when Joel fought his Community co-star Chevy Chase? And hey, while we're at it, what's up with Joel's hair—really? All will be revealed, within the pages of Thanks for the Money. Buy now, and receive—as a special bonus—an email receipt that details your purchase!

**Has Anyone Seen My Pants?** Sarah Colonna,2015-03-31 The best-selling author of Life as I Blow It documents her haphazard journey through America and Mexico as she embarks on crying jags in nail salons, mother-daughter road trips, Iowan casinos and single-shaming resorts. Original.

**Underestimated** J. B. Handley,Jamison Handley,2021-03-23 The incredibly moving and inspiring story about a quest to finally be heard. In Underestimated: An Autism Miracle, Generation Rescue's cofounder J.B. Handley and his teenage son Jamison tell the remarkable story of Jamison's journey to find a method of communication that allowed him to show the world that he was a brilliant, wise, generous, and complex individual who had been misunderstood and underestimated by everyone in his life. Jamison's emergence at the age of seventeen from his self-described "prison of silence" took place over a profoundly emotional and dramatic twelve-month period that is retold from his father's perspective. The book reads like a spy thriller while allowing the reader to share in the complex emotions of both exhilaration and anguish that accompany Jamison's journey for him and his family. Once Jamison's extraordinary story has been told, Jamison takes over the narrative to share the story from his perspective, allowing the world to hear from someone who many had dismissed and cast aside as incapable. Jamison's remarkable transformation challenges the conventional wisdom surrounding autism, a disability impacting 1 in 36 Americans. Many scientists still consider nonspeakers with autism—a full 40 percent of those on the autism spectrum—to be "mentally retarded." Is it possible that the experts are wrong about several million people? Are all the nonspeakers like Jamison? Underestimated: An Autism Miracle will touch your heart, inspire you, remind you of the power of love, and ultimately leave you asking tough questions about how many more Jamisons might be waiting for their chance to be freed from their prison of silence, too. And, for the millions of parents of children with autism, the book offers a detailed description of a communication method that may give millions of people with autism back their voice.

**Life As I Blow It** Sarah Colonna,2012-02-07 In this wickedly funny and irreverent memoir, Chelsea Lately writer and comedian Sarah Colonna opens up about love, life, and pursuing her dreams . . . and then screwing it all up. Sarah believes we all struggle to grow up. Sometimes we want to have fun, not take things too seriously, and have that fourth margarita. Other times we would like to get married, stay in, order Chinese food, and have a responsible, secure life. From her formative years in small-town Arkansas to a later career of dates, drinks, and questionable day jobs, Colonna attempts to reconcile her responsible side with her fun-loving side. Sometimes this pans out, and sometimes she finds herself in Mexico handing out her phone number to anyone who calls her pretty. She moves to Los Angeles to pursue acting, but for years is forced to hone her bartending skills; she wants a serious boyfriend, but won't give up nights at the bar with her friends. She tries to behave like an adult, but can't seem to stop acting like a frat boy. In the end, she discovers that there doesn't have to be just one or the other. And if there's one thing Colonna has learned from her many missteps, it's that hindsight is always 100 proof. Includes a Foreword by Chelsea Handler
