I Fear My Pain Interests You Stephanie Lacava,2022-09-27 A punky, raw novel of millennial disaffection, trauma and 1960s cinema Margot is the child of renowned musicians and the product of a particularly punky upbringing. Burnt-out from the burden of expectation and the bad end of the worst relationship yet, she leaves New York and heads to to the Pacific Northwest. She's seeking to escape both the eyes of the world and the echoing voice of that last bad man. But a chance encounter with a dubious doctor in a graveyard, and the discovery of a dozen old film reels, opens the door to a study of both the peculiarities of her body and the absurdities of her famous family. A literary take on cinema du corps, Stephanie LaCava's new novel is an audaciously sexy and moving exploration of culture and connections, bodies and breakdowns.

The Superrationals Stephanie Lacava,2020-10-13 An erotic and darkly comic novel about female friendship, set at the intersection between counterculture and the multimillion dollar art industry. Over the course of a few days in the fall of 2015, the sophisticated and awkward, wry and beautiful Mathilde upends her tidy world. She takes a short leave from her job at one of New York's leading auction houses and follows her best friend Gretchen on an impromptu trip to Paris. While there, she confronts her late mother's hidden life, attempts to rein in Gretchen's encounters with an aloof and withholding sometime-boyfriend, and faces the traumatic loss of both her parents when she was a teenager. Reeling between New York, Paris, Munich London, and Berlin, The Superrationals is an erotic and darkly comic story about female friendship, set at the intersection between counterculture and the multimillion dollar art industry. Mathilde takes short, perceptive notes on artworks as a way to organize her own chaotic thoughts and life. Featuring a bitchy gossip chorus within a larger carousel of voices, The Superrationals coolly surveys the international art and media worlds while exploring game theory, the uncanny, and psychoanalysis. Written in the “Young Girl” tradition of Michelle Bernstein's All The King's Horses, Bernadette Corporation's Reena Spaulings and Natasha Stagg's Surveys, The Superrationals confronts the complexity of building narrative in life and on the page and the instability that lies at the heart of everything.

The Censors Luisa Valenzuela,1992 The only bilingual collection of fiction by Luisa Valenzuela. This selection of stories from Clara, Strange things happen here, and Open door delve into the personal and political realities under authoritarian rule.
