*City of Scoundrels* Gary Krist, 2012-04-17 The masterfully told story of twelve volatile days in the life of Chicago, when an aviation disaster, a race riot, a crippling transit strike,

and a sensational child murder transfixed and roiled a city already on the brink of collapse. When 1919 began, the city of Chicago seemed on the verge of transformation. Modernizers had an audacious, expensive plan to turn the city from a brawling, unglamorous place into the Metropolis of the World. But just as the dream seemed within reach, pandemonium broke loose and the city's highest ambitions were suddenly under attack by the same unbridled energies that had given birth to them in the first place. It began on a balmy Monday afternoon when a blimp in flames crashed through the roof of a busy downtown bank, incinerating those inside. Within days, a racial incident at a hot, crowded South Side beach spiraled into one of the worst urban riots in American history, followed by a transit strike that paralyzed the city. Then, when it seemed as if things could get no worse, police searching for a six-year-old girl discovered her body in a dark North Side basement. Meticulously researched and expertly paced, *City of Scoundrels* captures the tumultuous birth of the modern American city, with all of its light and dark aspects in vivid relief.

*Dame Traveler* Nastasia Yakoub, 2020-03-03 A breathtaking celebration of Instagram's premier solo female travel community, featuring 200 striking photographs—most of them all-new—plus empowering messages and practical tips for solo travelers. “For those with passports full of stories, this book carries you away to every dreamy corner of the earth. I

can't stop flipping through these visually incandescent pages to see where I'm capable of traveling to next!"—Caila Quinn, The Bachelor contestant and lifestyle and travel influencer From backpackers in Peru to artists in Berlin to storytellers in Morocco, Dame Traveler celebrates the diversity and bravery of women from around the world who are not afraid to think (and live) outside the box. The revolutionary Dame Traveler Instagram account was founded by Nastasia Yakoub, who was born into a strict Chaldean-Middle Eastern community where women are expected to marry young and put aside other personal ambitions. But at the age of twenty, Nastasia embarked on a solo trip to South Africa to volunteer at an orphanage in Cape Town, which sparked a love of world travel. Recognizing a void in the travel industry, she founded Dame Traveler, the first female travel community on Instagram, now more than half a million strong. Nastasia herself has traveled to sixty-three countries on solo adventures, sharing colorful photos of her tantalizing travels along the way. Dame Traveler celebrates these women with a photographic collection of 200 stunning images paired with inspiring captions, 80% of which have never been seen on the Instagram account. Organized into sections on architecture, culture, nature, and water, each entry features travel information, plus tips, advice, unique solo-travel experiences, and wisdom from contributing globe-trotters to embolden the next generation of Dame Travelers.

**Mysterious Chicago** Adam Selzer, 2016-10-25 From Chicago historian Adam Selzer, expert on all of the Windy City's quirks and oddities, comes a compelling heavily researched anthology of the stories behind its most fascinating unsolved mysteries. To create this unique volume, Selzer has collected forty unsolved mysteries from the 1800s to modern day. He has poured through all newspaper, magazine, and book references to them, and consulted expert historians. Topics covered include who really started the great Chicago fire, who was the first "automobile murderer," and even if there was actually a vampire slaying at Rose Hill cemetery. The result is both a colorful read to get lost in, a window to a world of curiosity and wonder, as well as a volume that separates fact from fiction—true crime from urban legend. Complementing the gripping stories Selzer presents are original images of the crime and its suspects as developed by its original investigators. Readers will marvel at how each character and crime were presented, and

happily journey with Selzer as he presents all facts and theories presented at the time of the “crime” and uses modern hindsight to assemble the pieces.

Remembering Edgewater Beach Hotel John Holden and Kathryn Gemperle, 2021 Nothing epitomized the glamour and excitement of Chicago's jazz age and war years like the fabled Edgewater Beach Hotel. Much more than a hotel, the Edgewater Beach was a world unto itself--the only urban resort of its kind in the nation. Located on the shores of Lake Michigan on Chicago's North Side, it offered swimming, golf, tennis, dancing, theater, fine dining, exclusive shopping, fabulous floor shows, unique watering holes, and, of course, some of the best jazz and swing music of its era. It even had its own pioneering radio station, which broadcasted across the nation and burnished its fame. Many of the legends of the big band era played its stages, and many of Hollywood's leading stars crossed its footlights. It was a stomping ground for both the rich and famous as well as ordinary people who wanted a small taste of the high life. The Edgewater Beach Hotel was

world renowned. But the social upheaval of the 1960s, the ascendance of automobile culture, and rapid urban change led to its demise.--Provided by publisher.

*Why Evolution is True* Jerry A. Coyne, 2010-01-14 For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. *Why Evolution is True* weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

*The Great Hotel Murder* Vincent Starrett, 2020-09-09 In a grand Chicago hotel, a mysterious death sets a puzzling whodunnit in motion When a New York banker is discovered dead from an apparent morphine overdose in a Chicago hotel, the circumstances surrounding his untimely end are suspicious to say the least. The dead man had switched rooms the night before with a stranger he met and drank with in the hotel bar. And before that, he'd registered under a fake name at the hotel, told his drinking companion a fake story about his visit to the Windy City, and seemingly made no effort to

contact the actress, performing in a local show, to whom he was married. All of which is more than enough to raise eyebrows among those who discovered the body. Enter theatre critic and amateur sleuth Riley Blackwood, a friend of the hotel's owner, who endeavors to untangle this puzzling tale as discreetly as possible. But when another detective working the case, whose patron is unknown, is thrown from a yacht deck during a party by an equally unknown assailant, the investigation makes a splash among Chicago society. And then several of the possible suspects skip town, leaving Blackwood struggling to determine their guilt or innocence—and their whereabouts. Reissued for the first time in over eighty years, *The Great Hotel Murder* is a devilishly complex whodunnit with a classical aristocratic setting, sure to please Golden Age mystery fans of all stripes. In 1935, the story was adapted for a film of the same name.
