Sisterchicks Do the Hula Robin Jones Gunn, 2009-02-04 Some dreams take a while before they come true. Best friends Hope and Laurie never made it to Hawaii during their college years. But when they're about to turn forty, the islands still beckon, and off they go - with an unexpected stowaway on board (Hope happens to be seven months pregnant). A little pineapple, a little sunshine, and a surprising little surfing lesson give these two sisterchicks all their crazy hearts could hope for - and more - as they enter the next season of their lives with a splash and with a beautiful vision of what God has dreamed up for them. Wherever there's chocolate, there's sure to be a sisterchick celebrating, and this trip to Hawaii is no exception. Best friends Hope and Laurie are on an audacious mission to commemorate their fortieth birthdays in style. Surfing and sailing, sushi and snorkeling—these two macadamia nuts from the mainland sample it all, unhindered by a surprise little stowaway.

Sisterchick n.: a friend who shares the deepest wonders of your heart, loves you like a sister, and provides a reality check when you're being a brat.

_____ Luaus are only the beginning. The island experience binds Hope and Laurie's souls together, gently restoring their unfinished dreams. Garlanded with leis or swimming with sea turtles, they join the

dance of delight in their Maker, entering the next season of their lives filled with the unforced rhythm of grace. Story Behind the Book We lived in Hawai'i when our son was in elementary school and have returned many times for visits. I have a deep and abiding love for all that is Hawaiian so of course the islands were my location of choice for this second Sisterchick novel. The art of hula is an intricate form of storytelling has gone through many changes over the years. Every woman's life has a story. Every woman goes through many changes over the years. But not every woman has yet learned to hula. This book will encourage her to hula through life as she learns to live out her story with the unforced rhythm of grace.

Busy-Busy Little Chick Janice N. Harrington, 2013-02-19 Mama Nsoso knows her chicks need a warm new house, but each day when they set out to collect sticks and mud she is distracted by good things to eat, while Little Chick stays busy gathering the building materials himself.

Sisterchicks in Wooden Shoes! Robin Jones Gunn, 2009-05-05 A multi-tasking mama, Summer Finley has found ways to handle whatever life throws at her with grace and a grin. Until now, that is. An "abnormal" medical test result sends Summer into an emotional tailspin and prompts her to fulfill a life-long dream of "meeting" her best friend and pen pal since fourth grade, Noelle Van Zandt, face-to-face. Their blissful week together in the Netherlands finds Summer and Noelle floating down a canal in Amsterdam, visiting Corrie Ten Boom's Hiding Place, sipping decadent Dutch cocoa in Delft, and bobbing merrily along through a sea of brilliant, spring-fresh tulips. Each day takes them further from midlife anxiety and closer to trusting God in deeper ways. When

Summer finally confides in Noelle about the abnormal test results, Summer's honesty prompts Noelle to share a long-held heartache. The two friends find they both needed to be together more than either of them realized. Could it be this adventure was tucked away in God's imagination long before Summer bought her ticket to fly to the land of merry tulips and kalomping wooden shoes?

Sisterchicks Down Under Robin Jones Gunn, 2009-01-21 Kathleen joins her husband for a three-month trip to New Zealand when he's hired by a film studio in Wellington. Leaving behind all that is familiar in her comfortable corner in Southern California, she realizes that the past twenty years have been so tightly woven into the life of her only daughter that she's not sure who she is on her own or with her husband. In her isolation, Kathleen begins to contemplate reinventing herself, but before her crazy schemes take flight, she meets Jill at the Chocolate Fish café. Even though the two women are very different at first glance, they find they share a common Sisterchick heart and instantly forge a friendship that takes them on a journey where both Kathleen and Jill find that God has returned to them the truest part of themselves that was set aside so many years ago. Topsy-Turvy Down Under SISTERCHICK TM n.: a friend who shares the deepest wonders of your heart, loves you like a sister, and provides a reality check when you're being a brat. When Kathleen and her husband, Tony, pack up and fly off to New Zealand for Tony's three-month film job, Kathleen discovers more than her geography has flip-flopped. In the land down under, comfort food comes in a jar labeled "Vegemite," gardens sprout hobbit statues, and, if you're not careful, you just might venture into the Chocolate Fish café with feathers in your hair. Of course, the feathers could open up a conversation with fellow

diner Jill, also a California girl and an instant SISTERCHICK. Together they take in a performance at the Sydney Opera House; hold “hands” with a mama kangaroo and greet her in-pocket joey; watch dolphins surf the New Zealand waves; and discover that, in a topsy-turvy land where “Bob’s your uncle” is a statement that actually makes sense, one’s heart is likely to fall head over heels into a deeper sense of God’s love. Story Behind the Book “My motivation for the Sisterchicks™ books came from being involved with so many women who get halfway through life and shipwreck their faith or their families in search of themselves. I wanted to write a book that extols faithfulness and shines the light on God’s plan for a woman’s life, which is always more gigantic and more mysterious than she ever first believed. On the edge of my heart sits a constant prayer for the reader who lifts the covers of these books and snuggles in for a cozy read. My prayer is that she will be filled with hope and will come closer than ever to the One who loves to sprinkle His wonders over our days.”

Sisterchicks Say Ooh La La! Robin Jones Gunn, 2009-01-16 Childhood Friends Reunite to Rendezvous! All giggles and wiggles, Lisa and Amy sealed their friendship under the pink ruffles of a canopy bed, promising to be friends forever. They remained inseparable until an argument over Lisa’s prom date divides them. In a plan that could only be devised by their heavenly Father, Amy and Lisa end up in the same hospital emergency room years later. With their promise to always be there for each other unexpectedly fulfilled, the two friends grow close again. Amy reminds Lisa of one of their childhood promises yet to be realized—their plan to rendezvous in Paris. Amy and Lisa find a way to make good on their Parisian promise from thirty years ago and pack their bags

for the adventure of a lifetime. From becoming unexpected counselors for a rocky marriage to scaling the Eiffel Tower to winking at Mona Lisa in the Louvre, these two Sisterchicks find the treasures of Europe can't compare with the gems of a friendship renewed for eternity! Story Behind the Book "Each of the Sisterchicks books portrays the reality of how a close friendship between two women can draw them closer to God, and reveal clear direction for their futures. In Sisterchicks Say Ooh-La-La!, readers discover the value of rekindling an old friendship and replacing old, incorrect assumptions with new truth. Sisterchicks Go Brit! Robin Jones Gunn, 2009-02-19 Cheerio, Sisterchicks!

SISTERCHICK® n: a friend who shares the deepest wonders of your heart, loves you like a sister, and provides a reality check when you're being a brat. Two midlife mamas hop over to jolly ole England and encounter so much more than the usual tourist stops. Liz does have a bit of a childhood crush on Big Ben, and she has hoped to "meet" him ever since her fifteenth birthday. Kellie dreams of starting an interior design business and figures Liz needs to be a part of that equation—a calculation that hasn't added up for Liz yet. Nothing on the excursion goes the way these two friends had envisioned. They start with a village pancake race and end up being held for questioning on The Underground. Kellie and Liz take a wild tour through the land of C. S. Lewis and J. R. R. Tolkien and then find themselves swept up, up, and away in a hot air balloon over the Cotswolds. London beckons with the Tower of London, Windsor Castle, shopping at Portabella Road in Notting Hill, and of course, reservations at the Ritz for a posh high tea. A few detours

along the way and the possibility of being lost in a London fog of wonderment aren't enough to stop these two Sisterchicks! Each step of their regal journey is lined with evidence of God's gracious compassion, and both come to realize that God knows their every wish. He is the One who planted every dream in their hearts. And, oh, what a surprise awaits them when they return home!

Sisterchicks in Gondolas! Robin Jones Gunn, 2009-01-21 Ciao bella! SISTERCHICK n.: a friend who shares the deepest wonders of your heart, loves you like a sister, and provides a reality check when you're being a brat. When Jenna is invited to Venice for a week of cooking for a small retreat group, she knows just who to take along: her sister-in-law Sue. With her Dallas drawl and wild tangle of red hair, Sue desperately needs her own retreat from the pressures of the past two years...and blessedly for their guests, Sue actually knows how to cook (unlike Jenna)! With about six words of Italian between them, a map, and a keen appetite for gelato, they puzzle out the lovely city together. During their stay, Jenna and Sue become victims of grace in ways they never expected—starting with their accommodations: a restored fifteenth-century palace on a quiet canal complete with a stairwell perfect for mattress sledding! Coming out of a time of dark shadows in their lives, these two friends dive into a new season of refreshing and realize that sometimes when serving God, the most important thing to do is just show up...and watch for goodness and mercy to follow close behind. Come join Jenna and Sue over boiling pots of pasta in this lilting gondola-paced adventure! Discussion guide included Story Behind the Book *Sisterchicks in Gondolas* was birthed after Robin experienced Italy for herself. “In the summer of 2004, I went to Venice with my lifetime fellow Sisterchick from Ireland , Ruby,”

she says. “We explored the city with our daughters and discovered the joys of Italian living.” With a splash of humor, grace, and a few zany antics, this latest Sisterchicks release continues to celebrate the unique and timeless bond between women friends. Entertaining and delightful, the story also challenges readers to examine their relationships with one another and with God.

Sisterchicks in Sombreros Robin Jones Gunn, 2009-01-21 Two Canadian sisters inherit beachfront property in Mexico and take off on an adventure to claim their inheritance. They travel opulently by cruise ship to Ensenada and survive a rocky trip through Baja California, only to be shocked when they arrive in San Felipe. Their beachfront property is, indeed, on the beach, but the “structure” is a cement slab and the Airstream trailer their uncle parked on the property in the early 1960s! With the help of a few locals, the Canadian cuties figure out what to do with their less-than-desirable legacy. The true gift, they find, is that they are reconnected as sisters and discover that everything that happened along the way was part of God’s plan. Say Olé the Sisterchick Way !

SISTERCHICK TM n.: a friend who shares the deepest wonders of your heart, loves you like a sister, and provides a reality check when you’re being a brat. Canadian sisters Melanie and Joanne are stunned to hear they’ve inherited their uncle’s beachfront summerhouse in Mexico. With a snap, a trip is planned: They’ll travel opulently by cruise ship to Ensenada, zip over to San Felipe, sign a few papers at the bank, and the tropical hideaway will be theirs. What they don’t expect is a spa treatment gone loco, snails and cactus on their dinner plates, risky ocean dips, a cross-country desert drive, a dishy doctor, or a Federale who doesn’t speak English! Fortunately, some problems really can be solved with coconut cake and, if necessary, a water fight. The beachfront property—and what it takes to get them there—becomes a gift beyond their wildest wishes as these Sisterchicks relinquish themselves to the dreams God has for them...all under the sombrero of His grace. Story Behind the Book A year ago in July, an associate from my publishing house walked up to my friend and I and said, “You need to go on a cruise.” She

grinned and told us that she had a cruise package she couldn't use and it would be her delight to see my editor and me go to Mexico on a Sisterchick adventure. After we got over the shock, we gratefully made arrangements to go cruisin' in December. What a time we had! Was it research or was it recharging of our creative efforts? Both! The result is the third Sisterchicks novel, *Sisterchicks in Sombreros!* I love it when God does His God things. His eye is on the sparrow, or in this case, Robin and her Sisterchick friend!
