Planning with Kids Nicole Avery,2011-05-04 The ultimate guide for parents who dream of having a little less chaos and a lot more time for the good things in life Written by mother of five, Nicole Avery, this book shows harried parents how, with just a bit of planning, family life can become easier to manage, less stressful, and decidedly more fun. Dream on, you say? I might as well try to herd cats as to get my kids to follow a lot of arbitrary rules! And Nicole would agree, which is why *Planning with Kids* isn't like any other parenting guide out there. It was inspired by Nicole's blog of the same name, which, over the past three years, has garnered a huge audience of likeminded parents who have achieved nothing short of miraculous results following her advice. While other prescriptive guides offer mums and dads cook-cutter solutions to the challenges of raising kids, this handbook focuses on one simple, straightforward idea: by implementing a few simple strategies for how you do things, you'll make more time for you to be you and your kids to be kids. You'll find strategies for streamlining and enhancing everything from the routines of daily life, to family relationships, to budgeting and finances, playtime and much more! Contains a full section on menus and cooking, including recipes, supported online by a planning-with-family meal planner Divided into sections so that readers can dip-in and dip-out for information as they need it as their family expands and grows up!

English fairy tales Joseph Jacobs,2020-01-14 Joseph Jacobs (29 August 1854 – 30 January 1916) was an Australian folklorist, translator, literary critic, social scientist, historian and writer of English literature who became a notable collector and publisher of English folklore. He published his English fairy tale collections: *English Fairy Tales* in 1890 and *More English Fairy Tales* in 1893 but also went on after and in between both books to publish fairy tales collected from continental Europe as well as Jewish, Celtic and Indian fairytales which made him one of the most popular writers of fairytales for the English language. The author himself states that it was his intention to create a book in which the stories would sound as if they were being narrated by an old nurse or grandmother. Hence, the style is simple, direct and like he states, meant to be read aloud and not visually. The original edition also included extensive notes on the source from which he collected the stories and reference material which is of great interest to folk-lore enthusiasts. Our collection of audio books includes the following Fairy tales of Joseph Jacobs: Tom Tit Tot, The Three Sillies, The Rose-Tree, The Old Woman and Her Pig, How Jack Went to Seek His Fortune, Mr. Vinegar, Nix Nought Nothing, Jack Hannaford, Binnorie, Mouse and Mouser, Cap O' Rushes, Teeny-Tiny, Jack and the Beanstalk, The Story of the Three Little Pigs, The Master and His Pupil, Titty Mouse and Tatty Mouse, Jack and His
